Section 2: School Leadership Team (SLT) Signature Page

All SLT members are expected to sign this page to confirm their participation in the development of this Comprehensive Educational Plan (CEP) and that they have been consulted with regarding the alignment of funding to support this school’s educational program, which includes annual goals and action plans, Academic Intervention Services (AIS), Parent Involvement Policy (PIP) and School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with [Chancellor’s Regulation A-655](#), available on the [New York City Department of Education \(NYCDOE\)](#) website.

Directions:

1. List the names of each SLT member in the first column on the chart below.
2. Specify the constituent group represented, e.g., parent, staff, student, Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*.
3. SLT members should review this document and sign in the right-hand column in **blue ink**. If an SLT member does not wish to sign this plan, the member may attach a written explanation in lieu of his/her signature, which must be maintained on file at the school with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
4. The original signed copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

Section 3: Directions and Guidance for Developing the Comprehensive Educational Plan

The Comprehensive Educational Plan is meant as a tool to facilitate continuous improvement planning – to support schools in engaging their staff, parents, students, and community partners in assessing and prioritizing school needs, setting measurable improvement goals, selecting appropriate strategies to improve student outcomes, monitoring progress toward meeting annual goals, and communicating these efforts to the broader school community. This section will provide School Leadership Teams (SLTs) with guidance regarding CEP development informed by the new [Strong Schools, Strong Communities](#) initiative and [Framework for Great Schools](#).

Strong Schools, Strong Communities

The New York City Department of Education (NYCDOE) is committed to working collaboratively with parents, families, educators, and communities to improve student achievement and ensure that every child graduates from high school prepared for college, a career, and a future as a productive, critically-thinking adult.

The Department is establishing programs to strengthen ties between schools and communities, and is giving teachers and students the support they need to reach higher standards. These programs and supports are building a system of schools centered on student learning. Along with strengthened partnerships between parents, teachers, students, school leaders, and communities, these initiatives will ensure Strong Schools, Strong Communities, so that all students succeed. Additional information is available in a [report](#), entitled *Strong Schools, Strong Communities: A New Approach to Supporting New York City's Public Schools and All of Our Students*.

The Framework for Great Schools and CEP Development

The [Framework for Great Schools](#) encourages parents, educators, school communities, and external stakeholders to work together to improve student achievement and increase learning opportunities. This collaborative focus will ensure that every child is consistently ready for the next grade, level, and set of challenges. The Comprehensive Educational Plan (CEP) will reflect this focus and should serve as the blueprint that engages a school community in a systematic, ongoing review and analysis of student needs to identify and address root causes and implement activities and strategies that improve outcomes for students.

Based on robust research, the six elements of the Framework identify the areas that we must improve to accomplish high student achievement. By focusing attention and resources on what it takes for schools to function well, the Framework for Great Schools identifies the underlying strengths and weaknesses of a school and shows community members concrete ways to improve.

In accordance with the requirements of [Chancellor's Regulations A-655](#), all SLTs are to develop an educational plan in consultation with parents, school staff, and students, to provide a meaningful opportunity for stakeholders to participate in shared decision making and school improvement. The expectation is that SLTs will engage in a comprehensive educational planning process to inform the development of two (2) to five (5) goals and action plans that align with the first five elements of the Framework for Great Schools (listed below). The sixth element, *Trust*, is foundational to all the other elements. A goal that reflects a holistic approach will often address more than one element, as the elements work together to support student achievement. Place your goal in the section of the template where it fits best, knowing that it likely addresses other elements as well.

The Six Elements of the Framework for Great Schools
Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.
Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

Effective School Leadership: Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.

Strong Family-Community Ties: School leadership brings resources from the community into the school building by welcoming, encouraging, and developing partnerships with families, businesses, and community-based organizations.

Trust: Everyone works toward the shared goal of improving student outcomes, preparing students for success in school and beyond. Across the school community, there is respect. School staff, parents, students and administrators value each other.

The Quality Review and the Framework for Great Schools

In order to address the six elements of the Framework for Great Schools, school communities should engage in improvement planning that is also informed by the NYCDOE's Quality Review Indicators and other quantitative and qualitative data.

NYCDOE's Quality Review (QR)

The Office of School Quality (OSQ) supports school improvement across the NYC Department of Education (DOE) by coordinating qualitative assessments of principals and school communities. All of the qualitative assessments are rooted in the Quality Review rubric and drive improvements to principal and school practice, with the ultimate goal of impacting student achievement. The 2015-16 Quality Review (QR) Rubric has ten indicators within three categories as outlined below:

- I. Instructional Core Across Classrooms: Curriculum (1.1), Pedagogy (1.2), Assessment (2.2)
- II. School Culture: Positive Learning Environment (1.4), High Expectations (3.4)
- III. Structures for Improvement: Leveraging Resources (1.3), Goals and Action Plans (3.1), Teacher Support and Supervision (4.1), Teacher Teams and Leadership Development (4.2), Monitoring and Revising Systems (5.1)

Title I Requirements and Strengthening Title I Parent Involvement

Title I schools are subject to ESEA/NCLB requirements regarding school accountability, highly qualified teachers, professional development, and parent involvement.

To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools will be expected to form a Title I Parent Advisory Council (PAC) during the 2015-16 school year. Each Title I PAC will have a minimum of three members, including a Chairperson and an alternate representative. The Title I PAC Chairperson (or alternate representative) shall be required to attend all regular meetings of the School Leadership Team (SLT). Guidance to support schools in forming their Title I PACs will be provided in September 2015.

Next Steps for CEP Development

School Leadership Teams should engage in the following steps:

- **Step 1:** Ensure that a fully formed and functional School Leadership Team (SLT) exists and meets all the requirements of [Chancellor's Regulations A-655](#).
- **Step 2:** Conduct a comprehensive needs assessment informed by the school's updated NYSED accountability status and most current quantitative and qualitative data. Prioritize areas of focus for this school year.
- **Step 3:** Revisit your school's current goals, modify existing goals, and/or strategically create new goals informed by the needs assessment and aligned with the Framework for Great Schools. Ensure the annual goals are SMART—Specific, Measurable, Achievable, Relevant, and Time-bound. Writing your goals as SMART will help you monitor progress against the qualitative or quantitative measures you've identified, and will help your school community know when you've reached your goal.

- **Step 4:** Build consensus around strategies, activities, and programs to address students' needs in each action plan. Create action plans that translate into observable, effective strategies to improve student achievement.
- **Step 5:** Update your school's AIS section. Title I schools must also update the Parent Involvement Policy (PIP) and School-Parent Compact (SPC).
- **Step 6:** Establish a process for engaging in progress monitoring throughout the school year as part of an overall cycle of continuous improvement planning to assess whether activities and strategies outlined in the action plans are resulting in improved student performance. Adjust practices, when necessary.

Treat the plan as a living document. Adjust the plan along the way as your experiences and the evidence justify. Careful implementation of your ideas, follow-through, and continuous evidence-based monitoring of progress are the keys to accomplishing desired results.

Section 4: CEP Overview

Develop a narrative summary that includes:

1. Contextual information about your school's community and its unique/important characteristics, including your school's mission statement and a description of strategic collaborations/partnerships and/or special initiatives being implemented.
2. Any special student populations and what their specific needs are.
3. The elements of the Framework for Great Schools in which your school made the most progress over the past year, and your key areas of focus for this school year.

At PS 527, the East Side School for Social Action, we believe that all students can learn today the skills needed to be leaders tomorrow. We prepare students to be global citizens, armed with the academic and social skills needed for success. We participate in social action projects each year, highlighting our duties as citizens of the world to make our planet a better place for all its inhabitants.

All students are individuals and deserve an individualized, differentiated learning experience. Through personal interest inventories, feedback from students and families, and assessments, staff provide multiple class offerings and instruction tailored to student interests and needs.

We believe in educating the "whole child" - children must receive academic support as well as guidance with their social-emotional development. A counseling and advisory program for every child teaches students about diversity, tolerance, and respecting each other's uniqueness and gifts.

Learning and Innovation skills increasingly are being recognized as those that separate students who are prepared for complex life and work environments in the 21st Century, and those who are not. A focus on creativity, critical thinking, communication, and collaboration is essential to prepare students for the future and will be evident in our school's culture.

In the world we are living in and striving to create, all students must possess the ability to access and evaluate information, use and manage information, analyze media, create media products, and apply technology effectively. PS 527 is committed to ensuring students graduate with the skills they need for future success.

PS 527 understands that our work is done collaboratively with staff, students, families, and community members.

Together, with a shared mission, we prepare our students with the 21st Century skills they need and to develop their talents and strengths to succeed in the best middle schools, high schools, colleges, and beyond.

PS 527 currently has 158 students in K-2. We have one ELL student and 14% of students have IEP's. The students with IEP's are classified either as Speech/Language or Other Health Impairment. Students receive services throughout the day for what is spelled out in their plan.

PS 527 is proud of several areas of progress during the 2014-2015 school year. Working together, a supportive learning environment has been established, with a strong focus on each child's safety and social/emotional development.

Teachers have worked collaboratively to develop the curricula, lessons, and other school initiatives. Strong family and community ties have built trust and a sense of ownership throughout all constituencies. During the 2015-2016 school year, we plan to focus heavily on Response to Intervention (known as RtI throughout rest of the plan) instruction to address the needs of our most vulnerable students.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5A – Framework for Great Schools Element – Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Rigorous Instruction. This assessment should be informed by an analysis of student performance trends and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

In 2014-2015, PS 527 participated in Year One of a state-wide RtI Initiative to support schools with their reading intervention plans. We also created a new position of a full-time literacy support teacher. Her duties included pulling students in need of services throughout the school to receive targeted intervention. With the intervention sessions, as well as working with classroom teachers, we met our 2014-2015 CEP goal of at least 80% of second grade students gaining 4 or more levels of reading performance.

In providing intervention services during the 2014-2015 school year, students were pulled from core classes and missed core instruction. Through the advice of NY State RtI personnel, we will devise a plan of action that prevents this type of pull-out instruction.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Rigorous Instruction. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2016, 80% of students in grades 1-3 who begin the school year below grade level in reading will increase their reading performance by five levels, as measured by the Teachers College Reading Assessment.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Engaging families and supporting their understanding of Rigorous Instruction and the Common Core in order to support their children at home. 	<p>Target Group(s) Who will be targeted?</p>	<p>Timeline What is the start and end date?</p>	<p>Key Personnel Who is responsible for implementing and overseeing the activity/strategy?</p>
<p>After all students are assessed in September 2015 using the Teachers College Reading Assessment, any student in grades 1-3 who is below grade level in reading will receive targeted intervention for 45 minutes each day during a grade-wide Intervention Block.</p>	<p>Students in Grades 1-3 who enter school year below level in reading</p>	<p>October 2015-June 2016</p>	<p>Principal, Rtl Specialist and All Classroom Teachers</p>

<p>Professional Development in scientific-based intervention programs will be provided to Rtl Specialist and SPED teachers.</p>	<p>Rtl Specialist and SPED teachers</p>	<p>Summer 2015</p>	<p>Principal, Rtl Specialist</p>

Part 4 – Budget and Resource Alignment

<p>Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.</p>											
<p>To achieve our goal, each grade will have one period blocked off per day as the Enrichment/Intervention Block. Targeted students will receive intervention from our school’s full-time Rtl Specialist, as well as the grade’s SPED teacher. Other classrooms teachers on the grade will provide alternate instruction/enrichment to all other students. Training on intervention programs will occur in the summer and early fall.</p>											
<p>Part 4b. Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.</p>

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.

By January 31, 2016, 80% of targeted students will have increased their reading performance by three levels, as measured by the Teachers College Reading Assessment.

Part 5b. In **February 2016**, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5B – Framework for Great Schools Element – Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Supportive Environment. This assessment should be informed by an analysis of student performance trends, attendance, suspension, school survey results and any major findings from your Quality Review (QR) or Alternate Quality Review (AQR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Supportive Environment. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Engaging families and supporting their understanding of Supportive Environment in order to support their children at home. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>

Part 4 – Budget and Resource Alignment

Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.

Part 4b. Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.

	Tax Levy		Title I SWP		Title I TA		Title II, Part A		Title III, Part A		Title III, Immigrant

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.

Part 5b. In **February 2016**, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5C – Framework for Great Schools Element – Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Collaborative Teachers. This assessment should be informed by an analysis of student performance trends, teacher performance and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

In the 2014-2015 school year, teachers at PS 527 participated in physical and virtual classroom inter-visitations, designed to share professional practices and provide peer-to-peer feedback based on the Danielson Framework for Teaching. Teachers reported favorably on these visits and feedback sessions, and desire to do even more during the 2015-2016 school year. Teachers also sat on committees (Curriculum Committee, Assessment Committee, Rtl Committee, and Science Committee) and developed specific action plans to spur school improvement. These include launching a stand-alone Rtl program and Science cluster, creation of assessment tracking sheets, and introducing Close Reading and Math Talks into the school day. Teachers reported favorably on this type of professional development.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Collaborative Teachers. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2016, 100% of teachers will participate in at least three classroom visitations (1 on videotape) within PS 527, to learn from and with other teachers to build a repertoire of best early childhood assessment practices, as measured through classroom observations and student work. In addition, by June 2016, 100% of teachers will join specific committees to create school improvement plans and implement the plan as measured by the specific measurable outcomes from each committee.

Part 3 – Action Plan

Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including: <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Strategies to promote teacher-parent collaborations to improve student achievement. Teachers will participate in two classroom inter-visitations, with specific focus areas chosen from the Danielson Framework for Teaching. Feedback sessions, based on the Framework, will be facilitated.	All Teachers	October 2015-June 2016	Principal, All Teachers
Teachers will be videotaped teaching one lesson, with the entire staff watching the lesson afterwards, and providing feedback to the host teacher based on the Danielson Framework.	All Teachers	October 2015-June 2016	Principal, All Teachers
Special focus during these lessons will be examining how the host teacher makes appropriate scaffolds and accommodations for SPED and ELL students.	All Teachers	October 2015-June 2016	Principal, All Teachers
Teachers will join Staff-Led Professional Committees, designed to develop an action plan to bring about school improvement. Each committee will develop a plan of action, present it to colleagues, and support the school in its implementation.	All Teachers	October 2015-June 2016	Principal, All Teachers

Part 4 – Budget and Resource Alignment

Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.											
Teachers will need to be scheduled to participate in the inter-visitation. Per diem funding for substitute teachers will be utilized. In addition, Monday Professional Time will be set aside for videotaped lessons and committee work.											
Part 4b. Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.											
X	Tax Levy		Title I SWP		Title I TA		Title II, Part A		Title III, Part A		Title III, Immigrant

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
By January 31, 2016 100% of teachers will participate in at least 1 inter-visitation. By January 31, 2016 50% of teachers will host a videotaped lesson and receive feedback from colleagues. By January 31, 2016 100% of teachers

will participate in the development/implementation of a school improvement plan formulated by their specific Staff Committee assignment.

Part 5b. In **February 2016**, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5D – Framework for Great Schools Element – Effective School Leadership: Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Effective School Leadership. This assessment should be informed by an analysis of student performance trends, teacher performance, school survey results and any major findings from your Quality Review (QR), and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

The Quality Review, PPO, and Principal evaluations all noted that teacher questioning of students needed to be of higher level, as measured by Bloom’s Taxonomy. In addition, these classrooms visits also noted that students need more time for peer-to-peer discussion. While teachers are asking some higher-level questions and facilitating some discussion amongst students, it is agreed that more consistent questioning and discussion need to be implemented across all classrooms.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Effective School Leadership. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2016, school leaders will create and implement a professional development plan that builds teachers’ capacity to use differentiated questioning and discussion techniques, resulting in a 25% increase in teachers improving one performance level based on Component 3b- Questioning and Discussion Techniques- of the Danielson Framework for Teaching.

Part 3 – Action Plan

Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including: <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Strategies to promote parent leadership and engagement as a key lever for school improvement. 	Target Group(s) Who will be targeted?	Timeline What is the start and end date?	Key Personnel Who is responsible for implementing and overseeing the activity/strategy?
Principal and Teacher Leaders will create a professional development plan to improve teacher practice around Component 3b-Questioning and Discussion Techniques of the Danielson Framework for Teaching.	Principal and All Teachers	October 2015-June 2016	Principal and Teacher Leaders
With the help of the teacher leaders, all teachers will implement their newly-learned strategies and exhibit consistent use of questioning and discussion techniques, as measured by the Danielson Framework for Teaching.	All Teachers	October 2015-June 2016	Principal and Teacher Leaders

Part 4 – Budget and Resource Alignment

Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.											
Per diem sub funding will be used if teachers need to be relieved of their duties on days when the PD plan is being created or implemented.											
Part 4b. Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.											
X	Tax Levy		Title I SWP		Title I TA		Title II, Part A		Title III, Part A		Title III, Immigrant

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
By January 31, 2016 100% of teachers will participate in professional development around the topic of Questioning and Discussion techniques.
Part 5b. In February 2016 , review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5E – Framework for Great Schools Element – Strong Family and Community Ties: The school creates a welcoming environment for families and takes advantage of community resources to enrich the civic life of the school.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Strong Family and Community Ties. This assessment should be informed by an analysis of student performance trends, student attendance, suspension, school survey results, parent attendance and any major findings from your Quality Review (QR), and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Strong Family and Community Ties. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Strategies to promote stronger family and community ties and to increase parent involvement in support of improved student outcomes. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>

Section 6: Academic Intervention Services (AIS)

(Required for All Schools)

Directions: Schools need to maintain accurate records of students who are receiving Academic Intervention Services (AIS) to ensure that students who are not achieving proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

Type of Academic Intervention Service (AIS)	Criteria for determining AIS services	Type of Program or strategy (e.g. repeated readings, interactive writings, etc.)	Method for delivery of service (e.g. small group, one-to-one, tutoring, etc.)	When the service is provided (e.g. during the school day, before or after school, etc.)
English Language Arts (ELA)	Students who are below grade level based on assessment data	Fundations and repeated work	Small group and one-to-one	During the school day and after school for 3 rd grade only
Mathematics	Students who are below grade level based on assessment data	Repeated work and other interventions	Small group and one-to-one	During the school day and after school for 3 rd grade only
Science	Students who are below grade level based on assessment data	Repeated work and other interventions	Small group and one-to-one	During the school day
Social Studies	Students who are below grade level based on assessment data	Repeated work and other interventions	Small group and one-to-one	During the school day
At-risk services (e.g. provided by the Guidance Counselor, School Psychologist, Social Worker, etc.)	Teacher or staff referrals	Counseling	Small group and one-to-one	During the school day

Section 7: Title I Program Information

Directions:

- All Schools must indicate their Title I status in Part 1.
- All elements of the *All Title I Schools* section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the *TA Schools Only* section in Part 3.
- All Schoolwide Program (SWP) Schools must also complete the *SWP Schools Only* section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section where the response can be found [for example, Section 5A-Part 4].
- For additional information, visit the [Title I Intranet webpage](#).

Part 1: Title I Status

Indicate with an "X" your school's Title I Status.

Part 2: All Title I Schools

2a. Highly Qualified Teachers (HQT)

Describe the strategies and activities including strategies for recruitment, retention, assignments, and support including high quality professional development that ensures staff is highly qualified.

2b. High Quality and Ongoing Professional Development

Describe the activities and strategies for high quality professional development for teachers, principals, paraprofessionals, and staff that enable all students to meet Common Core State Standards (CCSS).

Part 3: TA Schools Only

3a. Use of Program Resources

Describe how the TA program resources will assist participating children to meet proficiency.

3b. TA Coordination with the Regular Program

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).

Part 4: SWP Schools Only

4a. Transition Plans to Assist Preschool Children (Elementary Schools Only)

Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/info, early intervention services, etc.).

4b. Measures to Include Teachers in Decisions Regarding Assessments

Describe the decision making process that teachers participate in regarding the use and selection of appropriate multiple assessment measures and the professional development provided regarding the use of assessment results to improve instruction.

4c. "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes¹. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated². **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for FY '16 school allocation amounts)	Place an (X) in <u>Column A</u> below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in <u>Column B</u> , section references where a related program activity has been described in this plan.	
			Column A Verify with an (X)	Column B Section Reference(s)
Title I Part A (Basic)	Federal			
Title II, Part A	Federal			
Title III, Part A	Federal			
Title III, Immigrant	Federal			
Tax Levy (FSF)	Local			

¹Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the **intent and purposes of the Federal programs** included in the consolidation so that the needs of the intended beneficiaries are met.

²The **intent and purposes** of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I Priority and Focus School Improvement Funding:** Support implementation of school improvement plans that aims to improve instruction and address the identified needs
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant:** Supplementary and enhanced services to LEP/ELL immigrant students, in the areas of English language acquisition and content area achievement.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor’s Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent Involvement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school’s approved grant application.

Section 9: Parent Involvement Policy (PIP) and School-Parent Compact (SPC)
(Required for All Title I Schools)

Directions: All Title I schools are required to have a Title I Parent Advisory Council (PAC) that develops a **Parent Involvement Policy (PIP)** in collaboration with the School Leadership Team that meets the parental involvement requirements of Title I. The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The **School-Parent Compact (SPC)** is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's PIP should align with current CEP goals for improving student achievement. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if the school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

Your school's Title I Parent Advisory Council (PAC) is encouraged to use the sample PIP and SPC templates below (which meet federal Title I parental involvement requirements) as guidance for updating the school's current policy.

DEPARTMENT OF ENGLISH LANGUAGE LEARNERS AND STUDENT SUPPORT
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM

2015-16 AND 2016-17 SCHOOL YEAR

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for English language learners (ELL). This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's Comprehensive Educational Plan (CEP). Note: this is a living document; any schoolwide changes involving serving ELLs, such as the addition or expansion of a transitional bilingual education (TBE) or dual language (DL) program should be updated in this form. Note new terminology based on CR Part 154.2 and 154.3. Agendas and minutes of LAP meetings should be kept readily available on file in the school. When preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, refer to the *English Language Learner Policy & Reference Guide*.

After reviewing and analyzing the assessment data, answer the following:

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., EL SOL, Estrellita, Fountas and Pinnell, DRA, TCRWP, teacher-created assessments). What insights does the data provide about your ELLs? How will this data help inform your school's instructional plan? Provide any quantitative data available to support your response.
 We use the Teachers College Reading and Writing Assessment. This helps us to determine a child's language and literacy abilities and allows us to plan tailored instruction. Our one ELL student made significant gains in the 2014-2015 school year, jumping nine reading levels.
- What is revealed by the data patterns across performance levels (on the NYSITELL and NYSESLAT) and grades?
 Our one ELL student (in the second grade at the time) made major gains on the NYSESLAT in Spring 2015, scoring at the "Commanding" level.
- How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAO tool](#))

- For each program, answer the following:
 - What are the patterns across performance levels and grades? How are ELLs faring in tests taken in English as compared to the home language?
 - Describe how the school leadership and teachers are using the results of the ELL periodic assessments.
 - What is the school learning about ELLs from the periodic assessments? How is the home language used?
 N/A
- Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). [Refer to [ELL Policy and Reference Guide](#), Support Services for ELLs (RTI and AIS) section and [RtI Guide for Teachers of ELLs](#).]
 Our RtI Specialist services our ELL student daily, and uses progress monitoring assessments to gauge progress.
- How do you make sure that a student's new language development is considered in instructional decisions?
 We believe that our balanced approach to literacy for all students helps with second language development as students are immersed in reading, writing, listening, and speaking
- For dual language programs, answer the following:

- a. How are the English-proficient students (EPs) assessed in the target language?
- b. What is the level of language proficiency in the target language for EPs?
- c. How are EPs performing on State and other assessments?

N/A

8. Describe how you evaluate the success of your programs for ELLs (e.g., meeting AYP for ELLs).

We use progress monitoring and other assessment data to determine the student's abilities to meet the grade-level Common Core standards.

Part IV: ELL Identification Process

Describe how you identify English language learners (ELLs) in your school.

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the K–12 Home Language Identification Survey (HLIS) which includes the student and parent interviews in English and/or the parent's preferred language of communication, and the formal initial assessments (i.e., NYSITELL, Spanish LAB, and LENS). Identify the person(s) responsible, including their qualifications. Refer to [ELL Policy and Reference Guide, ELL Identification](#) section.

All parents of newly enrolled students complete a home language survey and interview to help the school identify students with limited English language proficiency. The survey and interviews are completed on school grounds and is administered through an informal oral interview by a highly qualified certified teacher who speaks English and the parent's native language. Once potential ELLs are identified, they are administered the the appropriate formal initial assessment (NYSITELL, Spanish LAB, LENS) within ten days of enrollment: this test determines whether students are entitled to ELL services, and informs administration on proper instructional placement.

2. Describe how assessments are used to identify SIFE (Students with Interrupted/Inconsistent Formal Education) within 30 days of enrollment (e.g., LENS, SIFE questionnaire, student work).

A SIFE questionnaire is administered and an analysis of recent student work to determine if a student is a SIFE.

3. Describe the identification for newly enrolled students with IEPs. Include titles of the Language Proficiency Team (LPT) members (refer to [ELL Policy and Reference Guide, ELL Identification](#) section).

Principal, parent, RtI/SPED Teacher sit on the LPT and review work, student history, IEP to determine if there is a language need or if the student's disability is affecting English acquisition. LPT recommendation must be accepted within 20 days.

4. Describe how your school ensures that entitlement and non-entitlement parent notification letters are distributed within five school days after the NYSITELL is scanned and score is determined.

Office staff works with Administration to make sure that notification letters are sent within five school days and recorded as such.

5. Describe how parents are informed that they have the right to appeal ELL status within 45 days of enrollment (refer to [ELL Policy and Reference Guide, Re-Identification of ELL Status](#) section).

Office staff works with Administration to make sure that proper appeal information is given to parents. Records are kept of the communication.

6. What structures are in place at your school to ensure that parents understand all three program choices (transitional bilingual education, dual language, and freestanding ENL) through the mandated parent orientation within the specified timeframe? Describe the process, outreach plan, and timelines.

For those students identified as requiring ELL services, their parents are immediately contacted via an entitlement letter and follow-up phone call. Additionally, they are invited to a parent orientation at the school, where they view the NYCDOE Parent Orientation video in their native language to become informed and understand the three program choices available through the NYCDOE for their children: Transitional Bilingual, Dual Language, and Freestanding ENL. During the Parent Orientation, parents are provided a parent survey and a program selection form that they are required to complete before leaving. It is important to note that while general parent orientations are held both in the fall and spring, individual parent conferences are held throughout the school year, and are scheduled around the parent's availability and convenience.

7. Include how your school reaches out to parents to ensure Parent Surveys and Program Selection forms are returned in a timely manner and how your school monitors parent program choice. As per CR Part154.2, if a form is not returned, the default program for ELLs is bilingual education.

Office staff works with Administration to ensure proper return of forms in a timely fashion and parent choices are recorded. Principal meets with team to monitor choices.

8. Describe how your school monitors the *Parent Survey and Program Selection* forms that have not been completed and returned.

Office staff follows up with those families who have not returned the forms. Principal monitors selection forms.

9. Describe how your school ensures that placement parent notification letters are distributed.

Office staff works with Administration to ensure proper distribution.

10. Describe how your school retains all ELL documentation for each child (i.e., HLIS, non-entitlement, and entitlement letters).
All documentation is properly filed in the Main Office in a secure cabinet. Principal and office staff have access.
11. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.
A teacher other than those of the child administers all sections in a separate classroom, following all NYSED rules. Eligibility is determined by ATS reports.
12. Describe how your school ensures that continued entitlement and transitional support parent notification letters are distributed.
Office staff works with Administration to ensure proper distribution of paperwork to parents. Principal and Secretary monitor this.
13. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? Provide numbers. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings as per Aspira Consent Decree? Describe specific steps underway. (Refer to question six).
We only have had one ELL student.

Part V: ELL Programming

A. Programming and Scheduling Information

1. How is instruction for ELLs delivered in the following programs? Include how integrated and standalone ENL are implemented as per CR Part 154.2 as well as how students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class]).
 - a. Freestanding ENL program.
We have had only one ELL student. He received daily 1-on-1 instruction from our Rtl teacher.
 - b. TBE program. *If applicable.*
N/A
 - c. DL program. *If applicable.*
N/A
2. How does the school ensure the mandated number of instructional minutes is provided according to proficiency levels in each program model?
 - a. How are explicit ENL, ELA, and HLA instructional minutes delivered in each program model (see charts 5.1 and 5.2 below)?
We have had only one ELL student. He received daily 1-on-1 instruction from our Rtl teacher in accordance to the state law number of minutes.
3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.
Rtl teacher uses explicit language instruction, all in English, and a balanced literacy approach to reading and writing, all aligned to the Common Core. Foundations is used as a word study program.
4. How do you ensure that ELLs are appropriately evaluated in their home languages throughout the year?
Screening assessments are used throughout the year, as are progress monitors.
5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?
Through regular assessments in all four modalities and progress monitoring. This includes running records, writing prompts, listening and speaking prompts, and GMRT assessments.
6. How do you differentiate instruction for each of the following ELL subgroups?
 - a. SIFE
 - b. Newcomer
 - c. Developing
 - d. Long Term
 - e. Former ELLs up to two years after exiting ELL status**With only one student, we have been able to tailor his 1-on-1 instruction to meet his developing needs and progress.**
7. For students re-identified as ELL or non-ELL, based on an approved re-identification appeal within 45 days of student enrollment, describe how the school ensures the student's academic progress has not been adversely affected by the re-identification (within 6–12

Chart (ths after the re-identification has been established). Refer to ELL Policy and Reference Guide, Re-Identification of ELL Status section.

N/A

8. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?

Teachers use several technology programs, lots of visuals, and explicit language acquisition strategies.

9. How does your school use curricular, instructional, and scheduling flexibility to enable ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?

In terms of scheduling, the use of the Rtl teacher, working closely with the SPED teacher, helped our student to reach a "Commanding" level on the NYSESLAT and meet his IEP goals.

Part 154-2 (K-8) English as New Language (ENL) Units of Study and Staffing Requirements

Chart 5.3

Home Language Usage and Supports

The chart below is a visual representation designed to show the variation of home language usage and supports across the program models. Note that home language support is never zero. TBE and dual language programs have both home language arts and subject areas taught in the home language; ENL has home language supports.

A. Programming and Scheduling Information--Continued

10. Describe your targeted intervention programs for ELLs in ELA, math, and other core content areas (specify ELL subgroups targeted). List the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
Full-time RtI teacher provides 1-on-1 services for our one ELL child (and more if needed), using research-based programs to build language acquisition and meet the grade-level standards.
11. Describe the effectiveness of your current program and how it is meeting the needs of your ELLs in both content and language development.
Our one student received a score of "Commanding" on NYSESLAT, showing the success of the core instructional methods.
12. What new programs or improvements will be considered for the upcoming school year?
We plan to have more heterogeneously- scheduled classes.
13. What programs/services for ELLs will be discontinued and why?
N/A
14. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
ELL's follow the same specialty class schedule as all other students, and have access to specialized programs if they choose after-school programming.
15. What instructional materials, including technology, are used to support ELLs? Include core content area as well as language materials; list ELL subgroups if necessary.
We use literacy and math software that is rich in language access techniques.
16. How is home language support delivered in each program model (DL, TBE, and ENL)?
17. Explain how the school ensures all required services/resources support and correspond to ELLs' ages and grade levels.
This is done through an onboarding meeting with staff and regular progress monitoring.
18. Describe activities in your school that assist newly enrolled ELLs before the beginning of the school year. Include activities for new ELLs who enroll throughout the school year. Include titles of school staff involved in such activities (e.g., school counselor, parent coordinator).
Guidance Counselor facilitates orientation and onboarding.
19. What language electives are offered to ELLs?
Spanish
20. For schools with dual language programs:
 - a. What dual language model is used (e.g., side-by-side, self-contained)? Explain how much of the instructional day (percentage) EPs and ELLs are integrated.
 - b. In which language(s) is each core content area taught?
 - c. How is each language separated for instruction?
 - d. Is emergent literacy taught in the child's home language first (sequential), or are both languages taught at the same time (simultaneous)?

N/A

B. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Include all teachers of ELLs.)
All staff receives 80 minutes of PD each Monday, aligned to the Common Core, as well as grade meetings twice per month. These sessions include examining the standards, observing taped lessons and providing feedback using the Danielson Framework for Teaching, and sharing best practices.
2. What professional development is offered to teachers of ELLs (including ENL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?
See Above
3. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
N/A
4. Describe how your school meets the professional development requirements as per CR Part 154.2: 15% of total hours for all teachers and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development. Include how records are kept for professional development activities (e.g. agendas, attendance). Refer to [ELL Policy and Reference Guide, Professional Development](#) section.

See # 1 in this section. Agendas and attendance are recorded.

C. Parental Involvement

1. How does the school provide annual individual meetings with parents of ELLs to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas? Include provisions for interpretation and translation as needed. Note these meetings do not include mandated parent orientation meetings and DOE-scheduled parent-teacher conferences?
We worked closely with the one parent, met regularly with him to discuss the program, curriculum, needs, etc. School staff interpreted.
2. Include how records are kept for annual individual meetings with ELL parents as well as outreach to ensure parent needs are accommodated (e.g., in person meetings, phone calls, letters). Refer to [ELL Policy Reference Guide, Parent Selection and Program Placement](#) section.
A log is kept detailing the interactions.
3. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.
We always made sure to invite the parent to all meetings and he attended many.
4. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
No
5. How do you evaluate the needs of the parents?
surveys, informal talks
6. How do your parental involvement activities address the needs of the parents?
We pride ourselves on an inclusive approach to all events, making sure we reach out to those who may not consider attending.

D. Additional Information

Include any additional information that would be relevant to your LAP and would further explain and highlight your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

2015-2016 LANGUAGE TRANSLATION AND INTERPRETATION PLAN

Requirement under Chancellor's Regulations – for all schools

DBN: **02M527** School Name: **PS 527**
Superintendent: **Bonnie Laboy**

Before you begin, please check the following:

- Principal has designated a Language Access Coordinator (LAC) in Galaxy
- The LAC has attended an in-person or online training (www.learnndoe.org/tiu/lac) by the Translation and Interpretation Unit
- The LAC is involved in the development of this Translation and Interpretation Plan

School Goal: To ensure that parents whose preferred language is other than English are provided with meaningful opportunities to participate in and have access to programs and services critical to their child's education ([Chancellor's Regulation A-663](#)).

By developing each of the following components, your school will have a comprehensive plan to provide translation and interpretation services for all parents who require such services.

Part A: Identification and Assessment of Limited-English-Proficient Parents

1. Describe the data and methodologies used to assess language preferences of the parent community for both written and oral communication. Include pertinent information culled from Part III of the Home Language Identification Survey (HLIS), ATS reports, Student Emergency Contact cards, and any surveys conducted by your school.

All new families completed the Home Language Survey upon admission/registration. This survey helped us to compile helpful information on how our families communicate at home, and how they wish the school to communicate with them. In addition, every family, current and otherwise, was also sent a school-made survey asking for information about their child, including family structure and home life. This survey helped all of us to better understand our families and the children

2. List parents' preferred languages for both written and oral communication. Include all languages, even if only a limited number of parents indicate a language.

English and Russian

Part B: Creating a Communications Calendar

1. List the documents your school typically disseminates every year that require translation and when they will be distributed to families. (The following contain critical information about educational programs and services and must be translated – annual handbooks, newsletters, calendars, parent-teacher conference announcements, after-school program information, New York State testing dates, general overview of student curriculum, letters from the school leadership.)

Handbook, Calendar, Parent Conference Dates, NY State Testing Dates, After-School Information, Curriculum- Sept. 2015
Newsletters, Letters from Principal- ongoing

2. List the formal face-to-face meetings your school will typically have with parents throughout the school year, such as parent-teacher conferences or curriculum nights, and when they will occur. As much as possible, also indicate any anticipated informal interactions, such as attendance teacher or guidance counselor calls to parents.

September 2015- Back to School Parent & Curriculum Night
November 2015 and March 2015- Individual Parent Conferences

Part C: Providing Language Assistance Services

1. Describe how your school will meet identified translation needs indicated in Part B. Include procedures to ensure timely provision of translated documents to parents. Indicate whether written translation services will be provided by the Translation & Interpretation Unit, an outside vendor or in-house by school staff.

All major written correspondences will be known ahead of time so we may utilize in-house staff to make sure all documents are translated properly.

2. Describe how your school will meet identified interpretation needs indicated in Part B. Indicate whether interpretation services will be provided by over-the-phone interpreters via the Translation and Interpretation Unit, on-site interpreters provided by an outside vendor or in-house by school staff.

School staff will be able to provide proper interpretation services during formal and informal meetings.

Part D: Training Staff on Policies and Procedures

Describe how your school will ensure that all staff members are aware of how to use translation services and the over-the-phone interpretation service. (e.g., T&I Brochure, Language ID Guide, Language Palm Card distributed at staff meetings, via email, etc.)

All staff members report for Summer Professional Development in August of each school year. Appropriate training will be provided at that time, and ongoing "refreshers", as needed, during Monday Professional Development blocks throughout the school year.

Part E: Providing Notice of Language Assistance Services

Describe how your school will fulfill parental notification requirements for translation and interpretation services, as per Section VII of Chancellor's Regulation A-663. Note: The full text of Chancellor's Regulations A-663 (Translations) is available at <http://schools.nyc.gov/RulesPolicies/ChancellorsRegulations>

Checklist of Notification Requirements

- Welcome Poster
- Parents' Bill of Rights
- Parents' Guide to Language Access
- Language ID Guide at security desk and main office

Appropriate posters, signs, and guides will be prominently displayed in all areas where parents and families are normally present in the building. Appropriate information will be distributed in their preferred language the first week of school.

Part F: Monitoring and Quality Control

Describe mechanisms your school will use to gather feedback from parents on the quality and availability of services. (e.g., parent survey)

Having less than five families with a preferred language other than English, our school will be able to make personal outreach to them to make sure they are informed and satisfied with the services and communication.
