## Section 2: School Leadership Team (SLT) Signature Page

All SLT members are expected to sign this page to confirm their participation in the development of this Comprehensive Educational Plan (CEP) and that they have been consulted with regarding the alignment of funding to support this school’s educational program, which includes annual goals and action plans, Academic Intervention Services (AIS), Parent Involvement Policy (PIP) and School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with [Chancellor’s Regulation A-655](#), available on the [New York City Department of Education \(NYCDOE\)](#) website.

### Directions:

1. List the names of each SLT member in the first column on the chart below.
2. Specify the constituent group represented, e.g., parent, staff, student, Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk\*.
3. SLT members should review this document and sign in the right-hand column in **blue ink**. If an SLT member does not wish to sign this plan, the member may attach a written explanation in lieu of his/her signature, which must be maintained on file at the school with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
4. The original signed copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

### Section 3: Directions and Guidance for Developing the Comprehensive Educational Plan

The Comprehensive Educational Plan is meant as a tool to facilitate continuous improvement planning – to support schools in engaging their staff, parents, students, and community partners in assessing and prioritizing school needs, setting measurable improvement goals, selecting appropriate strategies to improve student outcomes, monitoring progress toward meeting annual goals, and communicating these efforts to the broader school community. This section will provide School Leadership Teams (SLTs) with guidance regarding CEP development informed by the new [Strong Schools, Strong Communities](#) initiative and [Framework for Great Schools](#).

#### **Strong Schools, Strong Communities**

The New York City Department of Education (NYCDOE) is committed to working collaboratively with parents, families, educators, and communities to improve student achievement and ensure that every child graduates from high school prepared for college, a career, and a future as a productive, critically-thinking adult.

The Department is establishing programs to strengthen ties between schools and communities, and is giving teachers and students the support they need to reach higher standards. These programs and supports are building a system of schools centered on student learning. Along with strengthened partnerships between parents, teachers, students, school leaders, and communities, these initiatives will ensure Strong Schools, Strong Communities, so that all students succeed. Additional information is available in a [report](#), entitled *Strong Schools, Strong Communities: A New Approach to Supporting New York City's Public Schools and All of Our Students*.

#### **The Framework for Great Schools and CEP Development**

The [Framework for Great Schools](#) encourages parents, educators, school communities, and external stakeholders to work together to improve student achievement and increase learning opportunities. This collaborative focus will ensure that every child is consistently ready for the next grade, level, and set of challenges. The Comprehensive Educational Plan (CEP) will reflect this focus and should serve as the blueprint that engages a school community in a systematic, ongoing review and analysis of student needs to identify and address root causes and implement activities and strategies that improve outcomes for students.

Based on robust research, the six elements of the Framework identify the areas that we must improve to accomplish high student achievement. By focusing attention and resources on what it takes for schools to function well, the Framework for Great Schools identifies the underlying strengths and weaknesses of a school and shows community members concrete ways to improve.

In accordance with the requirements of [Chancellor's Regulations A-655](#), all SLTs are to develop an educational plan in consultation with parents, school staff, and students, to provide a meaningful opportunity for stakeholders to participate in shared decision making and school improvement. The expectation is that SLTs will engage in a comprehensive educational planning process to inform the development of two (2) to five (5) goals and action plans that align with the first five elements of the Framework for Great Schools (listed below). The sixth element, *Trust*, is foundational to all the other elements. A goal that reflects a holistic approach will often address more than one element, as the elements work together to support student achievement. Place your goal in the section of the template where it fits best, knowing that it likely addresses other elements as well.

<b>The Six Elements of the Framework for Great Schools</b>
<b>Rigorous Instruction:</b> Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.
<b>Supportive Environment:</b> The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

**Collaborative Teachers:** Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

**Effective School Leadership:** Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.

**Strong Family-Community Ties:** School leadership brings resources from the community into the school building by welcoming, encouraging, and developing partnerships with families, businesses, and community-based organizations.

**Trust:** Everyone works toward the shared goal of improving student outcomes, preparing students for success in school and beyond. Across the school community, there is respect. School staff, parents, students and administrators value each other.

## The Quality Review and the Framework for Great Schools

In order to address the six elements of the Framework for Great Schools, school communities should engage in improvement planning that is also informed by the NYCDOE's Quality Review Indicators and other quantitative and qualitative data.

### NYCDOE's Quality Review (QR)

The Office of School Quality (OSQ) supports school improvement across the NYC Department of Education (DOE) by coordinating qualitative assessments of principals and school communities. All of the qualitative assessments are rooted in the Quality Review rubric and drive improvements to principal and school practice, with the ultimate goal of impacting student achievement. The 2015-16 Quality Review (QR) Rubric has ten indicators within three categories as outlined below:

- I. Instructional Core Across Classrooms: Curriculum (1.1), Pedagogy (1.2), Assessment (2.2)
- II. School Culture: Positive Learning Environment (1.4), High Expectations (3.4)
- III. Structures for Improvement: Leveraging Resources (1.3), Goals and Action Plans (3.1), Teacher Support and Supervision (4.1), Teacher Teams and Leadership Development (4.2), Monitoring and Revising Systems (5.1)

### Title I Requirements and Strengthening Title I Parent Involvement

Title I schools are subject to ESEA/NCLB requirements regarding school accountability, highly qualified teachers, professional development, and parent involvement.

To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools will be expected to form a Title I Parent Advisory Council (PAC) during the 2015-16 school year. Each Title I PAC will have a minimum of three members, including a Chairperson and an alternate representative. The Title I PAC Chairperson (or alternate representative) shall be required to attend all regular meetings of the School Leadership Team (SLT). Guidance to support schools in forming their Title I PACs will be provided in September 2015.

### Next Steps for CEP Development

School Leadership Teams should engage in the following steps:

- **Step 1:** Ensure that a fully formed and functional School Leadership Team (SLT) exists and meets all the requirements of [Chancellor's Regulations A-655](#).
- **Step 2:** Conduct a comprehensive needs assessment informed by the school's updated NYSED accountability status and most current quantitative and qualitative data. Prioritize areas of focus for this school year.
- **Step 3:** Revisit your school's current goals, modify existing goals, and/or strategically create new goals informed by the needs assessment and aligned with the Framework for Great Schools. Ensure the annual goals are SMART—Specific, Measurable, Achievable, Relevant, and Time-bound. Writing your goals as SMART will help you monitor progress against the qualitative or quantitative measures you've identified, and will help your school community know when you've reached your goal.

- **Step 4:** Build consensus around strategies, activities, and programs to address students' needs in each action plan. Create action plans that translate into observable, effective strategies to improve student achievement.
- **Step 5:** Update your school's AIS section. Title I schools must also update the Parent Involvement Policy (PIP) and School-Parent Compact (SPC).
- **Step 6:** Establish a process for engaging in progress monitoring throughout the school year as part of an overall cycle of continuous improvement planning to assess whether activities and strategies outlined in the action plans are resulting in improved student performance. Adjust practices, when necessary.

Treat the plan as a living document. Adjust the plan along the way as your experiences and the evidence justify. Careful implementation of your ideas, follow-through, and continuous evidence-based monitoring of progress are the keys to accomplishing desired results.

## Section 4: CEP Overview

Develop a narrative summary that includes:

1. Contextual information about your school's community and its unique/important characteristics, including your school's mission statement and a description of strategic collaborations/partnerships and/or special initiatives being implemented.
2. Any special student populations and what their specific needs are.
3. The elements of the Framework for Great Schools in which your school made the most progress over the past year, and your key areas of focus for this school year.

Central Park East II is a small option school in Community School District Four, East Harlem. We have 12 classes, many of which are inclusion classes, serving pre-kindergarten through fifth graders. Due to family requests, we will be expanding to include 6<sup>th</sup> grade in our school and eventually through 8<sup>th</sup> grade. In addition to our classroom teachers, our staff includes a licensed librarian and specialists in music, the visual arts, and reading. We also have specialists who provide mandated services in SETSS (Special Education Teacher Support Services), counseling, speech, and occupational therapy. CPE II attracts students from several districts and boroughs. Most of our 280 students come from all parts of Harlem, the many other communities of Upper Manhattan and The Bronx. As an option school, CPE II is committed to maintaining a racially, economically and ethnically diverse school population.

Central Park East II (CPEII) is one of only a few public elementary schools committed to providing a progressive education to its students. We are a collaborative community that works together to create a safe, caring, academically rigorous, and joyful school environment for our children. Our small size allows us to know each child and family well. A positive school tone is accomplished through the philosophy of the Responsive Classroom, which includes a morning meeting where every child is individually welcomed each day and community-building activities are an integral part of the curriculum.

Our mission is to provide progressive education to children in East Harlem, as well as to children in New York City. Our emphasis is on critical, creative and independent thinking. We build the curriculum based on the staff's understanding of pertinent research on children's intellectual development, as well as on city and state curriculum requirements. Because our methods derive from a child-centered perspective, our classrooms look and feel different from traditional public school classrooms. By challenging children through active exploration of content and by allowing them to develop at their own pace, we teach them to be critical and creative thinkers, readers, writers, mathematicians, scientists and artists. Furthermore, by emphasizing their place in the school community, as well as our school's place in the civic community, we aim to inculcate in them the importance of taking part in society as a whole. We want our children to know that they can make a difference in the world.

At Central Park East II we believe in nurturing and educating all children. Because of this strong belief that all children are deserving of a great educational experience, we have a higher than average special education population within our school (23 %). This makes for a great learning experience for all students who benefit from working with all types of children who all offer unique learning styles and methods. Due to these specific needs, we work very hard to meet each child on their level creating individualized plans and practices while maintaining a classroom community inclusive of all children and their needs.

In addition to a high special education population, we also relish in our very diverse community of students, which include students of all races, religions (or lack thereof), and genders. Social Justice is an issue and theme woven into every aspect of our school. Working with the Ackerman institute this year, we have started to really hone in on and

focus on our students and families that identify as Transgender and Gender Fluidity in general. This has included a focus on Gender within our curriculum as well as structural within the building as we work towards making Gender-Neutral bathrooms.

Central Park East II prides itself on creating an atmosphere where all staff and parents work collaboratively to create a caring learning environment for our students. We also foster rich and collaborative partnerships with many CBO's and businesses/organizations along with many special initiatives being implemented. We have annual Staff and Parent Handbooks, as well as an Open House, Family/Staff picnics in the Fall and Spring, Publishing celebrations, and a Weekly Community Meeting. We also have created and implement a weekly newsletter with important messages and updates from the Principal, staff, and families.

Our partnerships are numerous and strong. Some partnerships we have are with: The Museum of the city of New York, Rosie's Kids (performing arts program), Lasker Rink (Ice Skating), Tennis at Randall's Island, PhysEdPlus, Taller Latino After School Program, Northside, Living the Dream (Collaboration with other schools), OPUS 118, and many more.

We were also selected as a Showcase school this year by the Chancellor's Office. We were able to collaborate and show our "Worktime Model" to teachers and administrators from all over. Worktime provides our students with an opportunity at every grade level to investigate, explore, reflect, and inspire hands-on inquiry based learning that has led to amazing self discoveries by children and creates an amazing lens for teachers into who their students are. We feel so strongly about Worktime and we focus on making sure it is done authentically and consistently throughout the year.

The elements of the Framework for Great Schools in which our school made the most progress over the past year would have to be in the area of Writing. Our students have really improved in all areas of the craft and process of writing as well as in their stamina, which is required for writing meaningful pieces. Teachers have created rigorous diverse writing instruction and expectations and students are meeting them! Students go through the Writing Process from Brainstorming to Publishing and this year our focus on making the process authentic has really paid off. The writing of our students is really incredible and it is something we are proud of.

Our key area of focus for this school year will be strengthening an area we have already been working on and build towards and is related to teacher collaboration. We will be working on providing consistent inter-visitation opportunities for teachers on vertical as well as horizontal levels. We want this inter-visitation of teachers to be school-wide and have started to implement this but look forward to making it a strength within our school and pillar to our collaborative approach. In addition to teacher visitation, we look forward to creating and collaborating on teacher and staff committees for a variety of issues and elements some of which include logical consequences, Social Justice, and committees which are created and run by the staff and teachers.

## Section 5: Needs Assessment, Annual Goals, and Action Plans

**Section 5A – Framework for Great Schools Element – Rigorous Instruction:** Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.

### Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Rigorous Instruction. This assessment should be informed by an analysis of student performance trends and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

We are pleased that our students have continued to grow as thoughtful mathematicians who understand that math is about more than just computing an answer. We want to ensure that all students have the solid foundation needed to undertake the greater cognitive demands of the common core standards. We feel a more focused approach to fluency activities and daily problem solving will help build this foundation, and the implementation of EngageNY’s CCLS-aligned curriculum for grades K-5, and CMP3 for sixth grade supports such a focused approach. Although our staff reflects a range of experience in math instruction, there is a school-wide need to support classroom teachers in continuing to develop expertise in the implementation of this newer curriculum , while maintaining a pedagogical approach that emphasizes the use of “Big Ideas” to frame and support students understandings of related mathematical skills and concepts, the use of the standards of mathematical practices to support students in producing meaningful work products, the use of inquiry-based instructional methods that serve to engage and meet the needs of all learners, and the importance of language in teaching and learning mathematics as a way to develop student agency. These emphases are not immediately evident in the new curriculum and professional development is needed to continue supporting teachers in aligning the curriculum to these components of our pedagogical approach.

### Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Rigorous Instruction. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

Over the course of the 2015-16 school year, 100% of classroom teachers will continue to develop expertise in framing mathematics instruction--through the use of the CCLS-aligned curriculum, (EngageNY) and (CMP3 for Middle School)—around mathematical “Big Ideas,” the standards of mathematical practice, inquiry-based approaches, and the importance of language in teaching and learning mathematics as a way to develop student agency, resulting in teachers using a common consistent language around mathematics. Teachers will develop experience with structures to increase student agency and discourse, such as partner coaching, small group centers, and Topic-long investigations centered around making and proving conjectures.

### Part 3 – Action Plan

<b>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</b> <ul style="list-style-type: none"> <li>• Research-based instructional programs, professional development, and/or systems and structures needed to impact change.</li> <li>• Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH).</li> <li>• Engaging families and supporting their understanding of Rigorous Instruction and the Common Core in order to support their children at home.</li> </ul>	<b>Target Group(s) Who will be targeted?</b>	<b>Timeline What is the start and end date?</b>	<b>Key Personnel Who is responsible for implementing and overseeing the activity/strategy?</b>
Contract with an itinerant math coach who can support planning and collaborative work in the area of mathematics.	All classroom teachers	July, 2015 through June, 2016	Principal, classroom teachers
Provide a series of workshops that support parents in understanding Rigorous Instruction and the Common Core in order to support their children at home.	Parents in grades K - 6	September, 2015 through June, 2016	Principal, Parent Coordinator,
Provide opportunities for teachers to collaboratively plan lessons, observe each other in implementation and then reflect on ways in which to engage students in rigorous learning. (Lesson Studies)	All classroom teachers	October, 2015 through June, 2016	Principal, Assistant Principal, Classroom teachers.

**Part 4 – Budget and Resource Alignment**

<b>Part 4a.</b> Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.
<p>Personnel:</p> <ul style="list-style-type: none"> <li>- Classroom teachers</li> <li>- Itinerant Math Coach (\$15,000)</li> </ul> <p>Schedule Adjustments:</p> <p>Release time for teachers to work with instructional coaches to further their work in developing instructional best practices</p> <ul style="list-style-type: none"> <li>- Release time across the year for coverages for teacher to inter-visit, collaborate, and plan for individualized</li> </ul>
<b>Part 4b.</b> Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.

X	Tax Levy	X	Title I SWP		Title I TA		Title II, Part A		Title III, Part A		Title III, Immigrant
	C4E		21 <sup>st</sup> Century Grant		SIG/SIF		PTA Funded		In Kind		Other

**Part 5 – Progress Monitoring**

<p><b>Part 5a.</b> Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.</p>
<p>A review of lesson plans, exit tickets and program assessments and the use of Danielson Framework in classroom observations.</p>
<p><b>Part 5b.</b> In <b>February 2016</b>, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.</p>

## Section 5: Needs Assessment, Annual Goals, and Action Plans

**Section 5B – Framework for Great Schools Element – Supportive Environment:** The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

### **Part 1 – Needs Assessment**

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Supportive Environment. This assessment should be informed by an analysis of student performance trends, attendance, suspension, school survey results and any major findings from your Quality Review (QR) or Alternate Quality Review (AQR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Based on our school’s 2014-15 Learning Environment Survey, families continue to rate us highly on items related to “Safety and Respect,” and we are confident that this is due to the attention and care we take to emphasize the importance of students’ social and emotional well-being not just in the service of learning, but for the overall well-being of the child.

This year our school faces an increased number of inclusion classes, and a larger overall student enrollment. Additionally, we have 10 teachers new to our school, including new teacher pairings among our ICT teams. For these reasons, we feel it is critical to continue to develop and strengthen teacher practices around supporting the social and emotional well-being of all students.

### **Part 2 – Annual Goal**

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Supportive Environment. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By June, 2016, 100% of teachers will have reported increased success in incorporating social and emotional responsive practice into their classrooms, which will result in a 5% increase in teachers “Feeling equipped to meet individual student needs” in their end of year reflections.

### **Part 3 – Action Plan**

## Section 5: Needs Assessment, Annual Goals, and Action Plans

**Section 5C – Framework for Great Schools Element – Collaborative Teachers:** Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

### Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Collaborative Teachers. This assessment should be informed by an analysis of student performance trends, teacher performance and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

While shared planning in grade groups is strong, we have just started inter-visitation within our school. Our teachers have collaborated in network wide math lesson studies, however we would like to have school based lesson studies around math. Our participation in the Showcase Schools program around **Early Childhood Education in the 2014-15 school year was well received by the over 100 participants in four Showcase sessions. Our early childhood team met bi-weekly to support this work.**

### Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Collaborative Teachers. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

100 % of the classroom teachers, Pre-K – 6, will be involved in cycles of study and inter-visitation that will impact instruction in literacy, math and worktime.

### Part 3 – Action Plan

<b>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</b>	<b>Target Group(s) <i>Who will be targeted?</i></b>	<b>Timeline <i>What is the start and end date?</i></b>	<b>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></b>

**Section 6: Academic Intervention Services (AIS)**

**(Required for All Schools)**

**Directions:** Schools need to maintain accurate records of students who are receiving Academic Intervention Services (AIS) to ensure that students who are not achieving proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

<b>Type of Academic Intervention Service (AIS)</b>	<b>Criteria for determining AIS services</b>	<b>Type of Program or strategy (e.g. repeated readings, interactive writings, etc.)</b>	<b>Method for delivery of service (e.g. small group, one-to-one, tutoring, etc.)</b>	<b>When the service is provided (e.g. during the school day, before or after school, etc.)</b>

## Section 7: Title I Program Information

### Directions:

- All Schools must indicate their Title I status in Part 1.
- All elements of the *All Title I Schools* section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the *TA Schools Only* section in Part 3.
- All Schoolwide Program (SWP) Schools must also complete the *SWP Schools Only* section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section where the response can be found [for example, Section 5A-Part 4].
- For additional information, visit the [Title I Intranet webpage](#).

### Part 1: Title I Status

Indicate with an "X" your school's Title I Status.			
X	Schoolwide Program (SWP)		Targeted Assistance (TA) Schools

### Part 2: All Title I Schools

#### 2a. Highly Qualified Teachers (HQT)

Describe the strategies and activities including strategies for recruitment, retention, assignments, and support including high quality professional development that ensures staff is highly qualified.
School hiring committee works to collect resumes and interview for best qualified candidates

#### 2b. High Quality and Ongoing Professional Development

Describe the activities and strategies for high quality professional development for teachers, principals, paraprofessionals, and staff that enable all students to meet Common Core State Standards (CCSS).
Much of our Title I money is used to provide quality Professional Development. We work with a math network to provide math support throughout the year. We partner with ERP (Bank Street)(student support), LitLife (literacy) PerDev (literacy and whole child support) and The Wildlife Conservation Society (Science), Waterfront Stewardship Program (Science) and the Museum of the City of New York (Social Studies)

### Part 3: TA Schools Only

#### 3a. Use of Program Resources

Describe how the TA program resources will assist participating children to meet proficiency.

#### 3b. TA Coordination with the Regular Program

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).

**Part 4: SWP Schools Only**

**4a. Transition Plans to Assist Preschool Children (Elementary Schools Only)**

Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/info, early intervention services, etc.).

We have regular parent workshops, we have early childhood meetings that span all early childhood grades, parent interviews are done with each family entering pre K and then again in Kindergarten.

**4b. Measures to Include Teachers in Decisions Regarding Assessments**

Describe the decision making process that teachers participate in regarding the use and selection of appropriate multiple assessment measures and the professional development provided regarding the use of assessment results to improve instruction.

Staff regularly reflects on curriculum and assessment.

**4c. "Conceptual" Consolidation of Funds in SWP Schools**

**Directions:** All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes<sup>1</sup>. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated<sup>2</sup>. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for FY '16 school allocation amounts)	Place an (X) in <u>Column A</u> below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in <u>Column B</u> , section references where a related program activity has been described in this plan.	
			Column A Verify with an (X)	Column B Section Reference(s)
Title I Part A (Basic)	Federal	144,066.00	x	11,121,13,15,21
Title II, Part A	Federal	39,836.00	x	11,121,13,15,21
Title III, Part A	Federal	0		
Title III, Immigrant	Federal	0		
Tax Levy (FSF)	Local	2,310,176.00		

**<sup>1</sup>Explanation/Background:**

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and

advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the **intent and purposes of the Federal programs** included in the consolidation so that the needs of the intended beneficiaries are met.

<sup>2</sup>The **intent and purposes** of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I Priority and Focus School Improvement Funding:** Support implementation of school improvement plans that aims to improve instruction and address the identified needs
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant:** Supplementary and enhanced services to LEP/ELL immigrant students, in the areas of English language acquisition and content area achievement.

**Important Note:** The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor’s Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent Involvement Policy and aligned with student achievement goals in the school comprehensive educational plan.

- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

**Section 9: Parent Involvement Policy (PIP) and School-Parent Compact (SPC)**  
***(Required for All Title I Schools)***

**Directions:** All Title I schools are required to have a Title I Parent Advisory Council (PAC) that develops a **Parent Involvement Policy (PIP)** in collaboration with the School Leadership Team that meets the parental involvement requirements of Title I. The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The **School-Parent Compact (SPC)** is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's PIP should align with current CEP goals for improving student achievement. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if the school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

Your school's Title I Parent Advisory Council (PAC) is encouraged to use the sample PIP and SPC templates below (which meet federal Title I parental involvement requirements) as guidance for updating the school's current policy.

**Parent Involvement Policy (PIP) Template**

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in the school. **Central Park East II**, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of the school community. Central Park East II will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math, and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;

- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

The school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. The school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to the school to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in the school's Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability, grade-level curriculum, and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1<sup>st</sup> of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;

- schedule additional parent meetings, e.g., quarterly meetings with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

The school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

### **School-Parent Compact (SPC) Template**

Central Park East II , in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

#### **I. School Responsibilities:**

Provide high quality curriculum and instruction consistent with Common Core State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;

- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting prior to December 1<sup>st</sup> of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;

- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

## **II. Parent/Guardian Responsibilities:**

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;

- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

### **III. Student Responsibilities:**

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

**DEPARTMENT OF ENGLISH LANGUAGE LEARNERS AND STUDENT SUPPORT**  
**GRADES K-12 LANGUAGE ALLOCATION POLICY**  
**SUBMISSION FORM**

**2015-16 AND 2016-17 SCHOOL YEAR**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for English language learners (ELL). This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's Comprehensive Educational Plan (CEP). Note: this is a living document; any schoolwide changes involving serving ELLs, such as the addition or expansion of a transitional bilingual education (TBE) or dual language (DL) program should be updated in this form. Note new terminology based on CR Part 154.2 and 154.3. Agendas and minutes of LAP meetings should be kept readily available on file in the school. When preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, refer to the *English Language Learner Policy & Reference Guide*.

**After reviewing and analyzing the assessment data, answer the following:**

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., EL SOL, Estrellita, Fountas and Pinnell, DRA, TCRWP, teacher-created assessments). What insights does the data provide about your ELLs? How will this data help inform your school's instructional plan? Provide any quantitative data available to support your response.  
*We use the Fountas and Pinnell to assess our ELLs. This provides us with information on decoding, comprehension, fluency, as well as phrasing*
- What is revealed by the data patterns across performance levels (on the NYSITELL and NYSESLAT) and grades?  
*In general any students identified as ELLs test out after one year of instruction due to our language rich classrooms. However, students with significant learning disabilities who are struggling in reading, cannot test out.*
- How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAo tool](#))  
*Our data is too small to reveal a pattern*
- For each program, answer the following:
  - What are the patterns across performance levels and grades? How are ELLs faring in tests taken in English as compared to the home language?
  - Describe how the school leadership and teachers are using the results of the ELL periodic assessments.
  - What is the school learning about ELLs from the periodic assessments? How is the home language used?*We are finding that our ELLs and bilingual students, with the exception of those with severe learning problems, are able to meet grade level benchmarks.*
- Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). [Refer to [ELL Policy and Reference Guide](#), Support Services for ELLs (RTI and AIS) section and [RtI Guide for Teachers of ELLs](#).]  
*We use data from our F & P assessments, Words Their Way Assessments and the descriptive feedback from the reading teacher that sees each of the ELLs and monitor closely their speaking and listening proficiency and based on this our reading specialist provides extra one on one support.*
- How do you make sure that a student's new language development is considered in instructional decisions?

All classroom teachers teach in a way that build's students' English language skills. Students are given multiple opportunities to use oral language.

7. For dual language programs, answer the following:
  - a. How are the English-proficient students (EPs) assessed in the target language?
  - b. What is the level of language proficiency in the target language for EPs?
  - c. How are EPs performing on State and other assessments?

Paste response to questions here:

8. Describe how you evaluate the success of your programs for ELLs (e.g., meeting AYP for ELLs).

Using NYSESLAT we have monitored the progress of our ELLs: Most of the students who come into school with limited English are able to test out within a short period. The current ELLs are students with significant learning disabilities. They have made limited progress on the NYSESLAT

## Part IV: ELL Identification Process

Describe how you identify English language learners (ELLs) in your school.

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the K–12 Home Language Identification Survey (HLIS) which includes the student and parent interviews in English and/or the parent’s preferred language of communication, and the formal initial assessments (i.e., NYSITELL, Spanish LAB, and LENS). Identify the person(s) responsible, including their qualifications. Refer to [ELL Policy and Reference Guide, ELL Identification](#) section.  
Theresa Luongo, our AP and literacy coach, oversees the completion of the Home Language Identification Survey and conducts the initial oral interview. She is supported by our bi-lingual Parent Coordinator. She then administers the Lab-R to all students whose HLIS and oral interview indicates it is necessary, as well as the formal initial assessment.
2. Describe how assessments are used to identify SIFE (Students with Interrupted/Inconsistent Formal Education) within 30 days of enrollment (e.g., LENS, SIFE questionnaire, student work).  
Each family is interviewed by the principal during their registration process. Families are informed of the three programs available to ELLs in the NYCDOE and the Freestanding ESL program at CPE II. If a parent wants a bilingual class, or a dual language program, they are supported in finding such a program.
3. Describe the identification for newly enrolled students with IEPs. Include titles of the Language Proficiency Team (LPT) members (refer to [ELL Policy and Reference Guide, ELL Identification](#) section).  
Entitlement letters are handed to families at registration. The Parent Survey and Program Selection forms are distributed at registration as well. Families are contacted if forms are not returned, to insure that they are returned. We maintain a secure location in our APA office for the forms.
4. Describe how your school ensures that entitlement and non-entitlement parent notification letters are distributed within five school days after the NYSITELL is scanned and score is determined.  
After parent interviews and program selection forms are completed, parents that agree to select freestanding ESL, the principal and AP determine class placement and the parents are notified.
5. Describe how parents are informed that they have the right to appeal ELL status within 45 days of enrollment (refer to [ELL Policy and Reference Guide, Re-Identification of ELL Status](#) section).  
ATS reports are used to determine NYSESLAT eligibility. We then make a schedule to administer the four components of NYSESLAT. The components are administered as required.
6. What structures are in place at your school to ensure that parents understand all three program choices (transitional bilingual education, dual language, and freestanding ENL) through the mandated parent orientation within the specified timeframe? Describe the process, outreach plan, and timelines.  
It has been our experience, based on parent choice, that all parents request that their child be instructed in English and receive ESL services. Therefore, we always plan for our small ESL population.
7. Include how your school reaches out to parents to ensure Parent Surveys and Program Selection forms are returned in a timely manner and how your school monitors parent program choice. As per CR Part154.2, if a form is not returned, the default program for ELLs is bilingual education.  
We have the forms filled out at registration.
8. Describe how your school monitors the *Parent Survey and Program Selection* forms that have not been completed and returned.  
We have the forms filled out at registration
9. Describe how your school ensures that placement parent notification letters are distributed.  
We inform parents at registration.
10. Describe how your school retains all ELL documentation for each child (i.e., HLIS, non-entitlement, and entitlement letters).

**Our AP maintains these records in a special file.**

11. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.

**Our AP monitors ELLs and the students who require testing.**

12. Describe how your school ensures that continued entitlement and transitional support parent notification letters are distributed.

**Our AP provides support for this, along with our bi-lingual school aid.**

13. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? Provide numbers. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings as per Aspira Consent Decree? Describe specific steps underway. (Refer to question six).

**Parents are supported in the choices they make, but we have not had any parents in the last 13 years who have requested any program but stand alone ESL.**

## Part V: ELL Programming

### A. Programming and Scheduling Information

1. How is instruction for ELLs delivered in the following programs? Include how integrated and standalone ENL are implemented as per CR Part 154.2 as well as how students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class]).
  - a. Freestanding ENL program.  
**Every student is supported through a combination of pull out and push in services.**
  - b. TBE program. *If applicable.*  
**Paste response to questions here:**
  - c. DL program. *If applicable.*  
**Paste response to questions here:**
2. How does the school ensure the mandated number of instructional minutes is provided according to proficiency levels in each program model?
  - a. How are explicit ENL, ELA, and HLA instructional minutes delivered in each program model (see charts 5.1 and 5.2 below)?  
**We create a program for each child that meets their particular mandate.**
3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.  
**All content area instruction is scaffolded to support ELLs.**
4. How do you ensure that ELLs are appropriately evaluated in their home languages throughout the year?  
**We do not have home language instruction or assessment.**
5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?  
**One on one support in literacy includes assessment.**
6. How do you differentiate instruction for each of the following ELL subgroups?
  - a. SIFE
  - b. Newcomer
  - c. Developing
  - d. Long Term
  - e. Former ELLs up to two years after exiting ELL status**Because our ELL population is so small, we can individualize instruction.**
7. For students re-identified as ELL or non-ELL, based on an approved re-identification appeal within 45 days of student enrollment, describe how the school ensures the student's academic progress has not been adversely affected by the re-identification (within 6–12 months after the re-identification has been established). Refer to [\*ELL Policy and Reference Guide, Re-Identification of ELL Status\*](#) section.  
**We program our ELL support carefully so that content area instruction is not interrupted.**

Chart What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?

Our current ELLs are ELL-SWDs. They have all been enrolled in the Northside Center afterschool through which regular technology instruction is used.

9. How does your school use curricular, instructional, and scheduling flexibility to enable ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?

Students receive instruction in Intergrated Co-Teaching classrooms, with two teachers available during all academic instruction.

**Our reading support personnel provide direct instruction for ELLs as needed. Guided Reading groups are created to meet student need. Smaller math instructional groups run parallel to whole class instructional groups to provide more support in math. All services are in English.**
11. Describe the effectiveness of your current program and how it is meeting the needs of your ELLs in both content and language development.  
**Our program is very effective for all students, except those with severe learning disabilities.**
12. What new programs or improvements will be considered for the upcoming school year?  
**None at this time**
13. What programs/services for ELLs will be discontinued and why?  
**None at this time**
14. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.  
**We offer small group support before, during and afterschool as needed.**
15. What instructional materials, including technology, are used to support ELLs? Include core content area as well as language materials; list ELL subgroups if necessary.  
**We provide use of One More Story, Storia and ST Math for our ELLs.**
16. How is home language support delivered in each program model (DL, TBE, and ENL)?  
**Materials are translated into Spanish. Our school web-site can be translated by parents.**
17. Explain how the school ensures all required services/resources support and correspond to ELLs' ages and grade levels.  
**Our small ELL population makes it possible to individualize instruction. Support is provided by age and grade levels, using appropriate materials that correspond to developmentally appropriate content. "Yardsticks" is used as a resource to insure that services are grade and age appropriate.**
18. Describe activities in your school that assist newly enrolled ELLs before the beginning of the school year. Include activities for new ELLs who enroll throughout the school year. Include titles of school staff involved in such activities (e.g., school counselor, parent coordinator).  
**Our bilingual school counselor and our bilingual Parent Coordinator work with ELLs and their families.**
19. What language electives are offered to ELLs?  
**No language electives are offered to anyone at our school.**
20. For schools with dual language programs:
  - a. What dual language model is used (e.g., side-by-side, self-contained)? Explain how much of the instructional day (percentage) EPs and ELLs are integrated.
  - b. In which language(s) is each core content area taught?
  - c. How is each language separated for instruction?
  - d. Is emergent literacy taught in the child's home language first (sequential), or are both languages taught at the same time (simultaneous)?

## B. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Include all teachers of ELLs.)  
The staff engages in Professional Development throughout the school year. We work closely with PerDev (Perceptual Development Learning Center) on understanding the learning needs of each child.
2. What professional development is offered to teachers of ELLs (including ENL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?  
A consultant from PerDev works with teachers during the school day to support literacy development for our ELL population. The teachers working with our ELL population are all part of a Common Core Study Group which meets once per month. Teachers of our ELL population get regular PD from our Literacy Coach. The school Principal and Guidance Counselor target ELL students and reach out to families to provide information about schools that provide ELL services.
3. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?  
Our school guidance counselor supports ELLs and their families directly.
4. Describe how your school meets the professional development requirements as per CR Part 154.2: 15% of total hours for all teachers and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development. Include how records are kept for professional development activities (e.g. agendas, attendance). Refer to [ELL Policy and Reference Guide, Professional Development](#) section.  
Our school has regular Professional Development sessions on Monday afternoons and six half days throughout the school year where ELL training is embedded in the work. :

## C. Parental Involvement

1. How does the school provide annual individual meetings with parents of ELLs to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas? Include provisions for interpretation and translation as needed. Note these meetings do not include mandated parent orientation meetings and DOE-scheduled parent-teacher conferences?  
Our AP reaches out to the parents of ELLs to set up meetings as needed.
2. Include how records are kept for annual individual meetings with ELL parents as well as outreach to ensure parent needs are accommodated (e.g., in person meetings, phone calls, letters). Refer to [ELL Policy Reference Guide, Parent Selection and Program Placement](#) section.  
Our AP maintains records with the support of our bi-lingual school aid that works in the office.
3. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.  
Parents have multiple opportunities to join activities based on parent requests
4. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?  
We partner with the District Office of Family engagement, as well as Northside Center to provide workshops and services.
5. How do you evaluate the needs of the parents?  
Parent surveys and annual Hopes and Dreams sessions are held to solicit parent input. We use the DOE parent survey to evaluate how we are meeting our goals for parent participation.
6. How do your parental involvement activities address the needs of the parents?  
Parents have multiple opportunities to join activities based on parent requests. A weekly newsletter is published in English and Spanish.

## D. Additional Information

Include any additional information that would be relevant to your LAP and would further explain and highlight your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

**2015-2016 LANGUAGE TRANSLATION AND INTERPRETATION PLAN**

*Requirement under Chancellor's Regulations – for all schools*

DBN: **04M964** School Name: **Central Park East II**  
Superintendent: **A. E**

**Before you begin, please check the following:**

- Principal has designated a Language Access Coordinator (LAC) in Galaxy**
- The LAC has attended an in-person or online training ([www.learnndoe.org/tiu/lac](http://www.learnndoe.org/tiu/lac)) by the Translation and Interpretation Unit**
- The LAC is involved in the development of this Translation and Interpretation Plan**

**School Goal:** To ensure that parents whose preferred language is other than English are provided with meaningful opportunities to participate in and have access to programs and services critical to their child's education ([Chancellor's Regulation A-663](#)).

By developing each of the following components, your school will have a comprehensive plan to provide translation and interpretation services for all parents who require such services.

**Part A: Identification and Assessment of Limited-English-Proficient Parents**

---

1. Describe the data and methodologies used to assess language preferences of the parent community for both written and oral communication. Include pertinent information culled from Part III of the Home Language Identification Survey (HLIS), ATS reports, Student Emergency Contact cards, and any surveys conducted by your school.

Personal Interviews are given to every new family. We also look at Part III of the Home Language Survey and other ATS reports.

2. List parents' preferred languages for both written and oral communication. Include all languages, even if only a limited number of parents indicate a language.

Spanish, Manderin

**Part B: Creating a Communications Calendar**

---

1. List the documents your school typically disseminates every year that require translation and when they will be distributed to families. (The following contain critical information about educational programs and

services and must be translated – annual handbooks, newsletters, calendars, parent-teacher conference announcements, after-school program information, New York State testing dates, general overview of student curriculum, letters from the school leadership.)

Newsletter and announcements.

2. List the formal face-to-face meetings your school will typically have with parents throughout the school year, such as parent-teacher conferences or curriculum nights, and when they will occur. As much as possible, also indicate any anticipated informal interactions, such as attendance teacher or guidance counselor calls to parents.

Family Conferences and Open houses

### **Part C: Providing Language Assistance Services**

---

1. Describe how your school will meet identified translation needs indicated in Part B. Include procedures to ensure timely provision of translated documents to parents. Indicate whether written translation services will be provided by the Translation & Interpretation Unit, an outside vendor or in-house by school staff.

We have several bi-lingual staff memberw who provide in house translation. For written materials we have bilingual parent who translates for a living and volutarily does this for the school.

2. Describe how your school will meet identified interpretation needs indicated in Part B. Indicate whether interpretation services will be provided by over-the-phone interpreters via the Translation and Interpretation Unit, on-site interpreters provided by an outside vendor or in-house by school staff.

We use on site staff

### **Part D: Training Staff on Policies and Procedures**

---

Describe how your school will ensure that all staff members are aware of how to use translation services and the over-the-phone interpretation service. (e.g., T&I Brochure, Language ID Guide, Language Palm Card distributed at staff meetings, via email, etc.)

An email is sent to all staff detailing how translations can be attained.

### **Part E: Providing Notice of Language Assistance Services**

---

Describe how your school will fulfill parental notification requirements for translation and interpretation services, as per Section VII of Chancellor’s Regulation A-663. Note: The full text of Chancellor’s Regulations A-663 (Translations) is available at <http://schools.nyc.gov/RulesPolicies/ChancellorsRegulations>

Checklist of Notification Requirements

- Welcome Poster
- Parents’ Bill of Rights
- Parents’ Guide to Language Access
- Language ID Guide at security desk and main office

**Part F: Monitoring and Quality Control**

---

Describe mechanisms your school will use to gather feedback from parents on the quality and availability of services. (e.g., parent survey)

Survey to parents who need this service.
