Section 2: School Leadership Team (SLT) Signature Page

All SLT members are expected to sign this page to confirm their participation in the development of this Comprehensive Educational Plan (CEP) and that they have been consulted with regarding the alignment of funding to support this school’s educational program, which includes annual goals and action plans, Academic Intervention Services (AIS), Parent Involvement Policy (PIP) and School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with [Chancellor’s Regulation A-655](#), available on the [New York City Department of Education \(NYCDOE\)](#) website.

Directions:

1. List the names of each SLT member in the first column on the chart below.
2. Specify the constituent group represented, e.g., parent, staff, student, Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*.
3. SLT members should review this document and sign in the right-hand column in **blue ink**. If an SLT member does not wish to sign this plan, the member may attach a written explanation in lieu of his/her signature, which must be maintained on file at the school with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
4. The original signed copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

Section 3: Directions and Guidance for Developing the Comprehensive Educational Plan

The Comprehensive Educational Plan is meant as a tool to facilitate continuous improvement planning – to support schools in engaging their staff, parents, students, and community partners in assessing and prioritizing school needs, setting measurable improvement goals, selecting appropriate strategies to improve student outcomes, monitoring progress toward meeting annual goals, and communicating these efforts to the broader school community. This section will provide School Leadership Teams (SLTs) with guidance regarding CEP development informed by the new [Strong Schools, Strong Communities](#) initiative and [Framework for Great Schools](#).

Strong Schools, Strong Communities

The New York City Department of Education (NYCDOE) is committed to working collaboratively with parents, families, educators, and communities to improve student achievement and ensure that every child graduates from high school prepared for college, a career, and a future as a productive, critically-thinking adult.

The Department is establishing programs to strengthen ties between schools and communities, and is giving teachers and students the support they need to reach higher standards. These programs and supports are building a system of schools centered on student learning. Along with strengthened partnerships between parents, teachers, students, school leaders, and communities, these initiatives will ensure Strong Schools, Strong Communities, so that all students succeed. Additional information is available in a [report](#), entitled *Strong Schools, Strong Communities: A New Approach to Supporting New York City's Public Schools and All of Our Students*.

The Framework for Great Schools and CEP Development

The [Framework for Great Schools](#) encourages parents, educators, school communities, and external stakeholders to work together to improve student achievement and increase learning opportunities. This collaborative focus will ensure that every child is consistently ready for the next grade, level, and set of challenges. The Comprehensive Educational Plan (CEP) will reflect this focus and should serve as the blueprint that engages a school community in a systematic, ongoing review and analysis of student needs to identify and address root causes and implement activities and strategies that improve outcomes for students.

Based on robust research, the six elements of the Framework identify the areas that we must improve to accomplish high student achievement. By focusing attention and resources on what it takes for schools to function well, the Framework for Great Schools identifies the underlying strengths and weaknesses of a school and shows community members concrete ways to improve.

In accordance with the requirements of [Chancellor's Regulations A-655](#), all SLTs are to develop an educational plan in consultation with parents, school staff, and students, to provide a meaningful opportunity for stakeholders to participate in shared decision making and school improvement. The expectation is that SLTs will engage in a comprehensive educational planning process to inform the development of two (2) to five (5) goals and action plans that align with the first five elements of the Framework for Great Schools (listed below). The sixth element, *Trust*, is foundational to all the other elements. A goal that reflects a holistic approach will often address more than one element, as the elements work together to support student achievement. Place your goal in the section of the template where it fits best, knowing that it likely addresses other elements as well.

The Six Elements of the Framework for Great Schools
Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.
Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

Effective School Leadership: Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.

Strong Family-Community Ties: School leadership brings resources from the community into the school building by welcoming, encouraging, and developing partnerships with families, businesses, and community-based organizations.

Trust: Everyone works toward the shared goal of improving student outcomes, preparing students for success in school and beyond. Across the school community, there is respect. School staff, parents, students and administrators value each other.

The Quality Review and the Framework for Great Schools

In order to address the six elements of the Framework for Great Schools, school communities should engage in improvement planning that is also informed by the NYCDOE’s Quality Review Indicators and other quantitative and qualitative data.

NYCDOE’s Quality Review (QR)

The Office of School Quality (OSQ) supports school improvement across the NYC Department of Education (DOE) by coordinating qualitative assessments of principals and school communities. All of the qualitative assessments are rooted in the Quality Review rubric and drive improvements to principal and school practice, with the ultimate goal of impacting student achievement. The 2015-16 Quality Review (QR) Rubric has ten indicators within three categories as outlined below:

- I. Instructional Core Across Classrooms: Curriculum (1.1), Pedagogy (1.2), Assessment (2.2)
- II. School Culture: Positive Learning Environment (1.4), High Expectations (3.4)
- III. Structures for Improvement: Leveraging Resources (1.3), Goals and Action Plans (3.1), Teacher Support and Supervision (4.1), Teacher Teams and Leadership Development (4.2), Monitoring and Revising Systems (5.1)

Title I Requirements and Strengthening Title I Parent Involvement

Title I schools are subject to ESEA/NCLB requirements regarding school accountability, highly qualified teachers, professional development, and parent involvement.

To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students’ academic outcomes, all Title I schools will be expected to form a Title I Parent Advisory Council (PAC) during the 2015-16 school year. Each Title I PAC will have a minimum of three members, including a Chairperson and an alternate representative. The Title I PAC Chairperson (or alternate representative) shall be required to attend all regular meetings of the School Leadership Team (SLT). Guidance to support schools in forming their Title I PACs will be provided in September 2015.

Next Steps for CEP Development

School Leadership Teams should engage in the following steps:

- **Step 1:** Ensure that a fully formed and functional School Leadership Team (SLT) exists and meets all the requirements of [Chancellor’s Regulations A-655](#).
- **Step 2:** Conduct a comprehensive needs assessment informed by the school’s updated NYSED accountability status and most current quantitative and qualitative data. Prioritize areas of focus for this school year.
- **Step 3:** Revisit your school’s current goals, modify existing goals, and/or strategically create new goals informed by the needs assessment and aligned with the Framework for Great Schools. Ensure the annual goals are SMART—Specific, Measurable, Achievable, Relevant, and Time-bound. Writing your goals as SMART will help you monitor progress against the qualitative or quantitative measures you’ve identified, and will help your school community know when you’ve reached your goal.

- **Step 4:** Build consensus around strategies, activities, and programs to address students' needs in each action plan. Create action plans that translate into observable, effective strategies to improve student achievement.
- **Step 5:** Update your school's AIS section. Title I schools must also update the Parent Involvement Policy (PIP) and School-Parent Compact (SPC).
- **Step 6:** Establish a process for engaging in progress monitoring throughout the school year as part of an overall cycle of continuous improvement planning to assess whether activities and strategies outlined in the action plans are resulting in improved student performance. Adjust practices, when necessary.

Treat the plan as a living document. Adjust the plan along the way as your experiences and the evidence justify. Careful implementation of your ideas, follow-through, and continuous evidence-based monitoring of progress are the keys to accomplishing desired results.

Section 4: CEP Overview

Develop a narrative summary that includes:

1. Contextual information about your school's community and its unique/important characteristics, including your school's mission statement and a description of strategic collaborations/partnerships and/or special initiatives being implemented.
2. Any special student populations and what their specific needs are.
3. The elements of the Framework for Great Schools in which your school made the most progress over the past year, and your key areas of focus for this school year.

1. Our school is unique because we offer arts within the school day and the entire school is departmentalized. Teachers of grades PreK through grade 8 teach one to two contents per day. This strategy allows for teacher mastery, tiered instruction, teacher collaboration, and student exposure to the best teachers throughout the day.

The school is also unique because we are a PROSE school, in which our schedule has been reconfigured to a longer school day. This allows for students to be exposed to the Arts throughout the day and to AIS services that are embedded within the school day daily.

Our mission is to prepare students to become inquisitive problem-solvers, who are invested in their academic success and take ownership of their personal educational goals. Our instructional program and nurturing environment will excite children to learn as evidenced by high student engagement and achievement. We are strategically engaging in Professional Learning Communities where teachers meet on a 3-4 week rotation to discuss, plan, and analyze teaching strategies so that student engagement is maximized and student learning is progressive.

2. We do not have a significant number of special student populations. Currently, we have two English Language Learners and 4 students within a self-contained class. Thus, our identified needs relate to the school's mission. We believe that by making students aware of schedules and data, our students will be able to take ownership of their personal academic goals. Supervisors regularly monitor lesson plans to ensure that the instructional focus is aligning to the CCLS. To further build the instructional program, supervisors will monitor school-wide systems for data analysis, scheduling, and professional development. Students will be actively involved in developing and achieving their goals so that we will maintain a nurturing learning environment and high student engagement.

3. In the past year, the school did excellent in developing a supportive environment. For this school year, we will focus on developing rigorous instructional practices and providing opportunities for teachers to work collaboratively. We will make these improvements by providing teachers with an efficient master schedule that allows for tiered instruction for all student subgroups and collaboration between teachers. Teachers will engage in professional development provided by administration so that clear expectations and trust are fostered and by consultants who will provide support in the areas of questioning and discussion, engaging students in learning, and assessing learning. We will align funding for meaningful and relevant professional development to support CEP goals.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5A – Framework for Great Schools Element – Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Rigorous Instruction. This assessment should be informed by an analysis of student performance trends and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Based on the 2014-2015 School Quality Snapshot, the Goldie Maple Academy made fair gains in ELA for the school's lowest performing Students on their State English test. Also, gains were evaluated as good for all students in how well they improved on their State math tests. According to the 2014-2015 school quality review, "Clear expectations for classroom practice, as outlined in the Danielson Framework (DFT), reinforce school-wide beliefs about engaging all students." Also, based on the Goldie Maple Academy Quality Review, there is need for increase of rigor of Mathematics and ELA instruction and the increased use of differentiation as a strategy to progress students to the next level on Mathematics and ELA standardized tests is needed.

Our strengths are setting clear expectations for teachers and students, providing quality instruction in math and providing a supportive learning environment as noted by the Excellent rating on the 2014-2015 School Quality Snapshot. Our needs include developing a more collaborative teaching format and improving rigorous instruction. Thus, both points will be addressed within our CEP goals so that student achievement in ELA is afforded to all students and we continue to make gains in math.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Rigorous Instruction. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2016, staff will improve on Danielson components 3B, 3C, and 3D by moving from developing to effective by engaging in collaborative teacher teams, professional development designed for developing student discussion skills, and Professional Learning Communities that expose teachers to research and strategies necessary to improving practices in higher order questioning, discussion techniques, engaging students in learning, and using assessments in instruction.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Engaging families and supporting their understanding of Rigorous Instruction and the Common Core in order to support their children at home. 	<p>Target Group(s) Who will be targeted?</p>	<p>Timeline What is the start and end date?</p>	<p>Key Personnel Who is responsible for implementing and overseeing the activity/strategy?</p>
<p>To increase the percentage of students who score at mastery or above on the Common Core ELA & Math subject areas and subgroups annually while reducing the achievement gap for the special education and low Supplemental Educational Services (SES) populations through use of our early identification process (Data Team 4 Learning,) results to indicate increases in student engagement indicators as well as diminished gap between the perceptions of teachers and learners</p> <ul style="list-style-type: none"> • Use of data notebooks to organize and analyze data during collaborations. Use of student portfolio to assess learning of students. • Teacher collaboration, through professional learning communities (PLC), in order to develop the Problem/Project Based Learning (PBLs) and learn about differentiated instruction strategies. 	<p>Pre-K to 8th</p>	<p>September 2015-June 2016</p>	<p>Principal, Teachers, designated staff, data team, grade leaders</p>
<p>The school will embed AIS into the school day for every class. Each day, teachers will provide Tier I instruction to students by assessing, grouping students, and providing targeted instruction to help students improve immediately in skills and strategies.</p>	<p>Pre-K to 8th grade students in need of assistance, students will vary according to assessments</p>	<p>September 2015 to June 2016</p>	<p>Teachers will implement, Principals will observe implementation and make recommendations as needed.</p>
<p>The Parent Coordinator, teachers, and school administrators will conduct workshops for parents to expose and develop their understanding of the Common Core standards and the school's rigorous instructional practices.</p>	<p>Parents of students of Goldie Maple Academy</p>	<p>September 2015 to June 2016</p>	<p>Parent Coordinator will develop a yearly plan; the PC, teachers, and administrators will implement; administrators will oversee.</p>

Part 4 – Budget and Resource Alignment

Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.

We will leverage the school budget, district office personnel and school-based personnel to achieve this annual goal and to implement this action plan. Money in the budget will be aligned to provide for consultants and to pay for subs to afford teachers the ability to do inter-school visitations. District office staff will be utilized to support the school, in-school personnel will take a pro-active approach to developing their teaching practices by hosting and leading weekly professional learning meetings, and administrators will initiate and participate in the PLC meetings on an ongoing basis.

Part 4b. Indicate using an "X" the fund source(s) that will be utilized to support achievement of the specified goal.

X	Tax Levy	X	Title I SWP		Title I TA		Title II, Part A		Title III, Part A		Title III, Immigrant
	C4E		21 st Century Grant		SIG/SIF		PTA Funded		In Kind		Other

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.

In November 2015, February 2016, and June 2016 (Quarterly), administrators will review the Danielson ratings of teachers and will track growth in specified areas (3b, 3c, and 3d). Professional development will be adjusted accordingly and teacher plans will be modified as needed.

Part 5b. In **February 2016**, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5B – Framework for Great Schools Element – Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Supportive Environment. This assessment should be informed by an analysis of student performance trends, attendance, suspension, school survey results and any major findings from your Quality Review (QR) or Alternate Quality Review (AQR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Based on the Goldie Maple Academy 2014-2015 Framework for Great Schools Report, 27.9% of the students scored at levels 3 or 4 on mathematics standardized tests and 29.9% of the students scored at levels 3 or 4 on ELA standardized tests. Yet, 87% of survey participants responded positively to questions about Supportive Environment. A strength is noted as 92% of students saying that the school provides useful information about the HS application and enrollment process. A priority need is noted as 66% of students said that teachers notice when they are upset or having emotional difficulty. The city average was 76%.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Supportive Environment. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2016, 75% or more of students will say that teachers notice when they are upset or having emotional difficulty.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Engaging families and supporting their understanding of Supportive Environment in order to support their children at home. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>

All students from all sub-groups will be included. However, students who were recommended to the Dean for any reason during the 2014-2015 school year will meet with the counselor one-on-one at the start of the school year to set behavior goals that will encourage the student.	Students of K - 8	September 2015 to June 2016	The guidance counselor will initiate, the Dean will assist and Administration will oversee.
Families will be notified of the push-in counseling sessions and of the student goals. Students will conduct Student-Led conferences and will inform their parents of their goals.	Parents of students of the Goldie Maple Academy	September 2015- December 2015	Guidance Counselor and Dean will initiate and lead, classroom teachers will support by preparing students for the Student-Led Conferences, Administration will oversee and provide support.

Part 4 – Budget and Resource Alignment

Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.										
We will leverage the school budget and school personnel to achieve this annual goal and to implement this action plan. Money will be allocated to provide for subs, so that teachers may observe Student-Led Conferences at other schools, and school personnel will support the plan by meeting with the Guidance Counselor and providing support as needed.										
Part 4b. Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
The administration will assess the progress mid-November, 2015 by meeting with the Guidance Counselor to assess the progress, meeting with teachers to identify areas in need of support. The administration will meet in December, 2015 to review the completion of the goal and will make extensions as necessary.
Part 5b. In February 2016 , review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5C – Framework for Great Schools Element – Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Collaborative Teachers. This assessment should be informed by an analysis of student performance trends, teacher performance and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Based on the School Quality Snapshot for the 2014-2015 school year, 87% responded positively to questions about Collaborative Teachers. Also, our Framework for Great Schools Report 2015 indicates that there is a need for increased reflective dialogue and peer collaboration. Additionally, according to Quality Review (2014-2015), "Teachers stated that they look forward to their time together for the opportunity to share success and best practices." Thus, we will build on this practice by engaging in PLCs.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Collaborative Teachers. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By December 2015, all teachers will participate in the Professional Learning Communities process and will have led a meeting with their colleagues for the purpose of improving teacher practices and student achievement.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Strategies to promote teacher-parent collaborations to improve student achievement. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>

Teachers will indicate strategies for low performing students in their reports.	Teachers of all grades	November 2015 - June 2016	Teachers will implement, administrators will give feedback
Teachers will develop a strategy per round that they could recommend for parents.	Lead teacher	November 2015-2016	Lead teachers will implement and administrators will oversee.

Part 4 – Budget and Resource Alignment

Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.											
The resources that will be leveraged will be the school budget, district personnel and in-school personnel. The budget will be used to purchase teacher resources libraries. District office staff and in-school administrators will support the process and in-school personnel will be used to implement the strategies, develop new ones, and make recommendations.											
Part 4b. Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.											
X	Tax Levy	X	Title I SWP		Title I TA		Title II, Part A		Title III, Part A		Title III, Immigrant

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
Although the school's Administrators will join in on the process in the beginning, there will also be a mid-point check/evaluation of the process by the end of January 2016 to ensure that all teachers are actively participating and contributing.
Part 5b. In February 2016, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5D – Framework for Great Schools Element – Effective School Leadership: Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Effective School Leadership. This assessment should be informed by an analysis of student performance trends, teacher performance, school survey results and any major findings from your Quality Review (QR), and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Based on the Goldie Maple Academy 2015 framework for Great Schools report the principal has developed and a coherent strategy and plan for implementing the school vision, which includes clear measurement goals, aligned strategies, and a plan for monitoring progress and driving continuous improvement. However, according to the 2014-15 School Quality Snapshot, 79% of teachers say that the principal communicates a clear vision for this school. The city average is 88%.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Effective School Leadership. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

Administrators will communicate a clear vision and will have teachers set sub-class vision in the area of mathematics resulting in 35% of students performing at levels 3 or 4 on the State math exam by the end of the 2015-2016 school year.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Strategies to promote parent leadership and engagement as a key lever for school improvement. 	<p>Target Group(s) Who will be targeted?</p>	<p>Timeline What is the start and end date?</p>	<p>Key Personnel Who is responsible for implementing and overseeing the activity/strategy?</p>

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.

By the end of December 2015, the Principal, teachers and students will have their visions posted throughout the school and by the end of February 2016 administrators will review Middle of Year MOSL and school-based data to determine growth, progression, and areas in need of improvement.

Part 5b. In **February 2016**, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5E – Framework for Great Schools Element – Strong Family and Community Ties: The school creates a welcoming environment for families and takes advantage of community resources to enrich the civic life of the school.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Strong Family and Community Ties. This assessment should be informed by an analysis of student performance trends, student attendance, suspension, school survey results, parent attendance and any major findings from your Quality Review (QR), and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Based on the Goldie Maple Academy Framework for Great Schools Report 2015, an analysis of parent involvement data revealed a slight decrease in parent involvement at workshops and meetings. The inconsistency in parent involvement varied depending on the time and topic of the meeting and or workshop. As a result, an increase in parent involvement for the 2015-2016 school year as they are a needed group within our school community.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Strong Family and Community Ties. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2016, school will increase parent involvement by 10% from the 2014-15 school according to sign-in sheets.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Strategies to promote stronger family and community ties and to increase parent involvement in support of improved student outcomes. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>

Section 6: Academic Intervention Services (AIS)

(Required for All Schools)

Directions: Schools need to maintain accurate records of students who are receiving Academic Intervention Services (AIS) to ensure that students who are not achieving proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

Type of Academic Intervention Service (AIS)	Criteria for determining AIS services	Type of Program or strategy (e.g. repeated readings, interactive writings, etc.)	Method for delivery of service (e.g. small group, one-to-one, tutoring, etc.)	When the service is provided (e.g. during the school day, before or after school, etc.)

Section 7: Title I Program Information

Directions:

- All Schools must indicate their Title I status in Part 1.
- All elements of the *All Title I Schools* section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the *TA Schools Only* section in Part 3.
- All Schoolwide Program (SWP) Schools must also complete the *SWP Schools Only* section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section where the response can be found [for example, Section 5A-Part 4].
- For additional information, visit the [Title I Intranet webpage](#).

Part 2: All Title I Schools

2a. Highly Qualified Teachers (HQT)

Describe the strategies and activities including strategies for recruitment, retention, assignments, and support including high quality professional development that ensures staff is highly qualified.
Teachers participate in various professional developments at last once a week based on data analysis, academic interventions, essential questions, and effective learning.
Teachers will be provided one-on-one professional development with the administrators/instructional leaders; with opportunities for inter-school visitations; engage in PLCs; and weekly team/data meetings with colleagues.

2b. High Quality and Ongoing Professional Development

Describe the activities and strategies for high quality professional development for teachers, principals, paraprofessionals, and staff that enable all students to meet Common Core State Standards (CCSS).
To ensure that high quality teaching practices we will provide ongoing professional development that includes providing: One-on-one professional development with the administrators/instructional leaders; Opportunities for inter-school visitations; Engaging in PLCs; and Conducting weekly team/data meetings with colleagues. We believe in improving the teaching of academic subjects by contributing to an increase in teachers' knowledge of the academic subjects they teach, consistent with the state's content standards, to enable children to meet these standards. <ul style="list-style-type: none"> • Provide training in the use of effective, scientifically based instructional strategies for a diverse range of students, helping to close the achievement gap. • Support the district and school needs assessments and district and school plans, including Program/Activity Plans and Title I Unified Plans, if applicable. • Draw on resources available under other programs such as NCLB Title IIA, and from other sources. • Include strategies for developing curricula and teaching methods that integrate academic and vocational instruction (including applied learning and team teaching) if an LEA determines such strategies are appropriate. • Include strategies for identifying and eliminating gender and racial bias in instructional materials, methods, and practices.

Part 3: TA Schools Only

3a. Use of Program Resources

Describe how the TA program resources will assist participating children to meet proficiency.

3b. TA Coordination with the Regular Program

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).

Part 4: SWP Schools Only

4a. Transition Plans to Assist Preschool Children (Elementary Schools Only)

Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/info, early intervention services, etc.).

Aligned and spiraling Core Knowledge Curriculum

4b. Measures to Include Teachers in Decisions Regarding Assessments

Describe the decision making process that teachers participate in regarding the use and selection of appropriate multiple assessment measures and the professional development provided regarding the use of assessment results to improve instruction.

Teachers collaborate among their grade levels and content areas weekly to determine the appropriate assessments to use during instruction and how to use the data to drive instruction. Various professional developments are offered to help drive the data (data analysis team) and proper use and administration of assessments.

4c. "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes¹. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated². **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount Indicate the amount contributed to	Place an (X) in <u>Column A</u> below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in <u>Column B</u> , section

Title II, Part A	Federal	74,980.00	X	
Title III, Part A	Federal	0		
Title III, Immigrant	Federal	0		
Tax Levy (FSF)	Local	2,405,235.00	X	

¹Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the **intent and purposes of the Federal programs** included in the consolidation so that the needs of the intended beneficiaries are met.

²The **intent and purposes** of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I Priority and Focus School Improvement Funding:** Support implementation of school improvement plans that aims to improve instruction and address the identified needs
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant:** Supplementary and enhanced services to LEP/ELL immigrant students, in the areas of English language acquisition and content area achievement.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor’s Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent Involvement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school’s approved grant application.

Section 9: Parent Involvement Policy (PIP) and School-Parent Compact (SPC)
(Required for All Title I Schools)

Directions: All Title I schools are required to have a Title I Parent Advisory Council (PAC) that develops a **Parent Involvement Policy (PIP)** in collaboration with the School Leadership Team that meets the parental involvement requirements of Title I. The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The **School-Parent Compact (SPC)** is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school’s PIP should align with current CEP goals for improving student achievement. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if the school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school’s policy.

Your school’s Title I Parent Advisory Council (PAC) is encouraged to use the sample PIP and SPC templates below (which meet federal Title I parental involvement requirements) as guidance for updating the school’s current policy.

Parent Involvement Policy (PIP)

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in the school. Goldie Maple Academy, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between the school and the families. The school’s policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of the school community. Goldie Maple Academy will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math, and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

The school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. The school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to the school to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in the school's Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability, grade-level curriculum, and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;

- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

The school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

Goldie Maple, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities:

Provide high quality curriculum and instruction consistent with Common Core State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;

- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child’s teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child’s class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child’s progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department’s General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child’s attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child’s school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child’s education;
- communicate with my child’s teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school’s Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;

- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

DEPARTMENT OF ENGLISH LANGUAGE LEARNERS AND STUDENT SUPPORT

**GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM
2015-16 AND 2016-17 SCHOOL YEAR**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for English language learners (ELL). This is a two-year plan on how schools will support ELLs’ linguistic and academic needs. This LAP form is a part of the school’s Comprehensive Educational Plan (CEP). Note: this is a living document; any schoolwide changes involving serving ELLs, such as the addition or expansion of a transitional bilingual education (TBE) or dual language (DL) program should be updated in this form. Note new terminology based on CR Part 154.2 and 154.3. Agendas and minutes of LAP meetings should be kept readily available on file in the school. When preparing your school’s submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, refer to the *English Language Learner Policy & Reference Guide*.

After reviewing and analyzing the assessment data, answer the following:

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., EL SOL, Estrellita, Fountas and Pinnell, DRA, TCRWP, teacher-created assessments)? What insights does the data provide about your ELLs? How will this data help inform your school's instructional plan? Provide any quantitative data available to support your response.
There are no ELLs currently in our school.
- What is revealed by the data patterns across performance levels (on the NYSITELL and NYSESLAT) and grades?
Not applicable
- How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAO tool](#))
Not applicable
- For each program, answer the following:
 - What are the patterns across performance levels and grades? How are ELLs faring in tests taken in English as compared to the home language?
 - Describe how the school leadership and teachers are using the results of the ELL periodic assessments.
 - What is the school learning about ELLs from the periodic assessments? How is the home language used?
Not applicable
- Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). [Refer to [ELL Policy and Reference Guide](#), Support Services for ELLs (RTI and AIS) section and [RtI Guide for Teachers of ELLs](#).]
Not applicable
- How do you make sure that a child's second language development is considered in instructional decisions?
Not applicable
- For dual language programs, answer the following:
 - How are the English-proficient students (EPs) assessed in the target language?
 - What is the level of language proficiency in the target language for EPs?
 - How are EPs performing on State and other assessments?
Not applicable
- Describe how you evaluate the success of your programs for ELLs (e.g., meeting AYP for ELLs).
Not applicable

Part IV: ELL Identification Process

Describe how you identify English language learners (ELLs) in your school.

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the K–12 Home Language Identification Survey (HLIS) which includes the student and parent interviews in English and/or the parent’s preferred language of communication, and the formal initial assessments (i.e., NYSITELL, Spanish LAB, and LENS). Identify the person(s) responsible, including their qualifications. Refer to [ELL Policy and Reference Guide, ELL Identification](#) section.
Goldie Maple Academy will identify ELL students using the following steps. First, when the students register, they will be given the Home Language Identification Survey. When the student is registered and has completed the Home Language Identification Survey, the student will be given an informal oral interview within 10 days. The survey will be reviewed by personnel to determine who is eligible to receive Lab-R testing. Next, a licensed pedagogue will administer the Lab-R to any student who has a home language other than English. Spanish speaking ELL students will be administered the Spanish LAB-R. The cut scores will determine eligibility for testing in Spanish and ELL services.
2. Describe how assessments are used to identify SIFE (Students with Interrupted/Inconsistent Formal Education) within 30 days of enrollment (e.g., LENS, SIFE questionnaire, student work).
Not applicable
3. Describe the identification for newly enrolled students with IEPs. Include titles of the Language Proficiency Team (LPT) members (refer to [ELL Policy and Reference Guide, ELL Identification](#) section).
Not applicable
4. Describe how your school ensures that entitlement and non-entitlement parent notification letters are distributed within five school days after the NYSITELL is scanned and score is determined.
Not applicable
5. Describe how parents are informed that they have the right to appeal ELL status within 45 days of enrollment (refer to [ELL Policy and Reference Guide, Re-Identification of ELL Status](#) section).
Not applicable
6. What structures are in place at your school to ensure that parents understand all three program choices (transitional bilingual education, dual language, and freestanding ENL) through the mandated parent orientation within the specified timeframe? Describe the process, outreach plan, and timelines.
Not applicable
7. Include how your school reaches out to parents to ensure Parent Surveys and Program Selection forms are returned in a timely manner and how your school monitors parent program choice. As per CR Part154.2, if a form is not returned, the default program for ELLs is bilingual education.
Not applicable
8. Describe how your school monitors the *Parent Survey and Program Selection* forms that have not been completed and returned.
Not applicable
9. Describe how your school ensures that placement parent notification letters are distributed.
Not applicable
10. Describe how your school retains all ELL documentation for each child (i.e., HLIS, non-entitlement, and entitlement letters).
Not applicable
11. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.
Not applicable
12. Describe how your school ensures that continued entitlement and transitional support parent notification letters are distributed.
Not applicable.
13. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? Provide numbers. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings as per Aspira Consent Decree? Describe specific steps underway. (Refer to question six).
We have not had any Ell population for the last four years.

Part V: ELL Programming

A. Programming and Scheduling Information

1. How is instruction for ELLs delivered in the following programs? Include how integrated and standalone ENL are implemented as per CR Part 154.2 as well as how students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class]).
 - a. Freestanding ENL program.
There are currently no ELL students in our school.
 - b. TBE program. *If applicable.*
Paste response to questions here:
 - c. DL program. *If applicable.*
Paste response to questions here:
2. How does the school ensure the mandated number of instructional minutes is provided according to proficiency levels in each program model?
 - a. How are explicit ENL, ELA, and HLA instructional minutes delivered in each program model (see charts 5.1 and 5.2 below)?
Not applicable
3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.
Not applicable
4. How do you ensure that ELLs are appropriately evaluated in their home languages throughout the year?
Not applicable
5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?
Not applicable
6. How do you differentiate instruction for each of the following ELL subgroups?
 - a. SIFE
 - b. Newcomer
 - c. Developing
 - d. Long Term
 - e. Former ELLs up to two years after exiting ELL status**Not applicable**
7. For students re-identified as ELL or non-ELL, based on an approved re-identification appeal within 45 days of student enrollment, describe how the school ensures the student's academic progress has not been adversely affected by the re-identification (within 6–12 months after the re-identification has been established). Refer to [*ELL Policy and Reference Guide, Re-Identification of ELL Status*](#) section.
Not applicable
8. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
Not applicable
9. How does your school use curricular, instructional, and scheduling flexibility to enable ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?
Not applicable

The maximum allowable grade span for grouping instruction in grades K-12 English as a New Language or Bilingual Education classes is two contiguous grades, except for English Language Learners in a special class, as defined by section 200.1(uu) of this Title. All programs must be provided during the school day.					

*Other services that are approved by the NYS Commissioner, that monitor and support the student's language development and academic progress. Core Content Area shall mean ELA, Math, Science, and Social Studies.

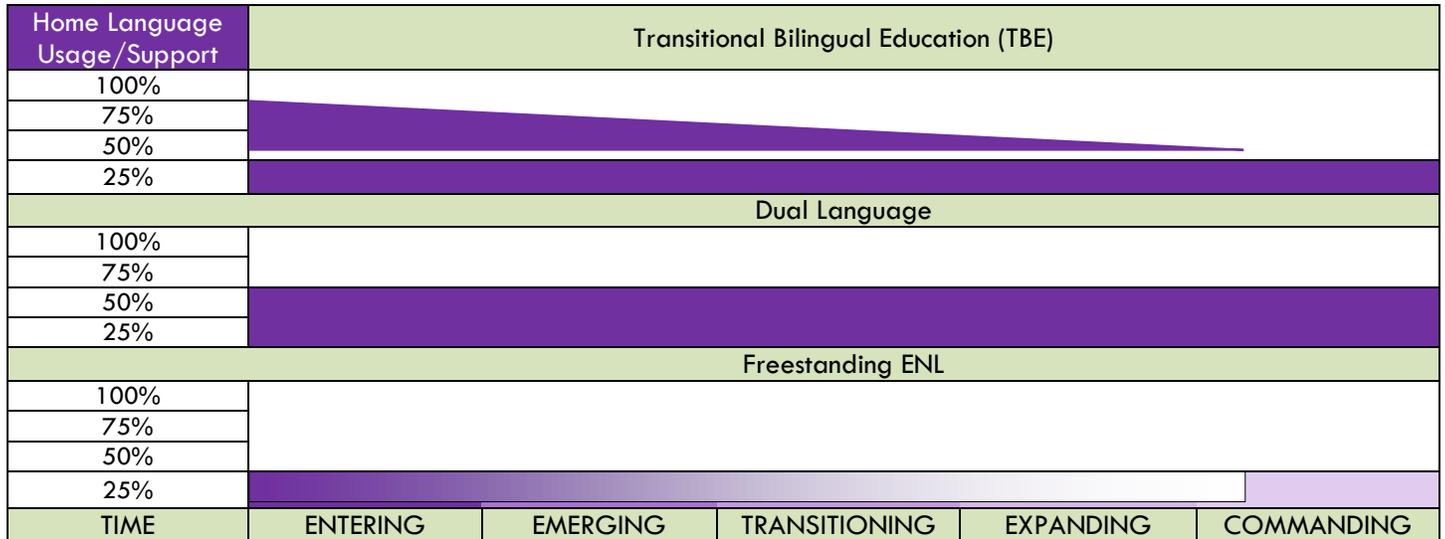

*Note "other approved services" does not apply to New York City at this time.

Chart 5.3

Home Language Usage and Supports

The chart below is a visual representation designed to show the variation of home language usage and supports across the program models. Note that home language support is never zero. TBE and dual language programs have both home language arts and subject areas taught in the home language; ENL has home language supports.

A. Programming and Scheduling Information--Continued

10. Describe your targeted intervention programs for ELLs in ELA, math, and other core content areas (specify ELL subgroups targeted). List the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
Not applicable
11. Describe the effectiveness of your current program and how it is meeting the needs of your ELLs in both content and language development.
Not applicable
12. What new programs or improvements will be considered for the upcoming school year?
Once new students are administered the HLIS and eligibility is determined for ELL services, every effort will be made to ensure that parents understand the three program choices (Transitional Bilingual Education, Dual Language, Freestanding ENL) that are available. A parent orientation will be provided to all eligible students where the parent video is shown and the various options are explained by both administration and the parent coordinator. During the parent orientation, parents will be given the parent survey and the selection forms. The Foreign Language teacher will be utilized to translate forms and to provide interpretation services during the parent orientation. Parents can select the program of their choice. The Spanish Foreign Language teacher in the building will be utilized whenever possible and as her schedule permits to provide orientation to the students. The Foreign Language teacher, Ms. Rose, and the Special Education teacher, Ms. Powell are responsible for administering the HLIS, LAB-R, and informal interview. Ms. Rose is a certified foreign language teacher and Ms. Powell is a certified special educator and Testing Coordinator.
13. What programs/services for ELLs will be discontinued and why?
Not applicable
14. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
Not applicable
15. What instructional materials, including technology, are used to support ELLs? Include core content area as well as language materials; list ELL subgroups if necessary.
Not applicable
16. How is home language support delivered in each program model (DL, TBE, and ENL)?
Not applicable
17. Explain how the school ensures all required services/resources support and correspond to ELLs' ages and grade levels.
Not applicable
18. Describe activities in your school that assist newly enrolled ELLs before the beginning of the school year. Include activities for new ELLs who enroll throughout the school year. Include titles of school staff involved in such activities (e.g., school counselor, parent coordinator).
ATS reports will be reviewed periodically to ensure that newly enrolled ELLs will receive the services they require. The Parent Coordinator will also conduct outreach to new parents via phone calls and parent meetings/workshops to ensure that the HLIS is completed upon admission.
19. What language electives are offered to ELLs?
Not applicable
20. For schools with dual language programs:
- What dual language model is used (e.g., side-by-side, self-contained)? Explain how much of the instructional day (percentage) EPs and ELLs are integrated.
 - In which language(s) is each core content area taught?
 - How is each language separated for instruction?
 - Is emergent literacy taught in the child's home language first (sequential), or are both languages taught at the same time (simultaneous)?
- Not applicable**

B. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Include all teachers of ELLs.)
Not applicable
2. What professional development is offered to teachers of ELLs (including ENL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?
Not applicable
3. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
Not applicable
4. Describe how your school meets the professional development requirements as per CR Part 154.2: 15% of total hours for all teachers and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development. Include how records are kept for professional development activities (e.g. agendas, attendance). Refer to [ELL Policy and Reference Guide, Professional Development](#) section.
Not applicable

C. Parental Involvement

1. How does the school provide annual individual meetings with parents of ELLs to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas? Include provisions for interpretation and translation as needed. Note these meetings do not include mandated parent orientation meetings and DOE-scheduled parent-teacher conferences?
Not applicable
2. Include how records are kept for annual individual meetings with ELL parents as well as outreach to ensure parent needs are accommodated (e.g., in person meetings, phone calls, letters). Refer to [ELL Policy Reference Guide, Parent Selection and Program Placement](#) section.
3. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.
Not applicable
4. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
Not applicable
5. How do you evaluate the needs of the parents?
During parent orientation, parents are given a survey to complete to indicate areas in which they would like assistance and or workshops .
6. How do your parental involvement activities address the needs of the parents?
The Parent coordinator works closely with the PTA to collaborate on various activities within the school community.

D. Additional Information

Include any additional information that would be relevant to your LAP and would further explain and highlight your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

DEPARTMENT OF ENGLISH LANGUAGE LEARNERS AND STUDENT SUPPORT
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM

2015-16 AND 2016-17 SCHOOL YEAR

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for English language learners (ELL). This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's Comprehensive Educational Plan (CEP). Note: this is a living document; any schoolwide changes involving serving ELLs, such as the addition or expansion of a transitional bilingual education (TBE) or dual language (DL) program should be updated in this form. Note new terminology based on CR Part 154.2 and 154.3. Agendas and minutes of LAP meetings should be kept readily available on file in the school. When preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, refer to the *English Language Learner Policy & Reference Guide*.

After reviewing and analyzing the assessment data, answer the following:

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., EL SOL, Estrellita, Fountas and Pinnell, DRA, TCRWP, teacher-created assessments). What insights does the data provide about your ELLs? How will this data help inform your school's instructional plan? Provide any quantitative data available to support your response.
There are no ELLs currently in our school. However, if there were to be an ELL we would first administer the HLIS. If the student requires further testing for placement based on the results of the HLIS, then we would use the Fountas and Pinnell and /or teacher - created assessments. to determine placement levels.+
- What is revealed by the data patterns across performance levels (on the NYSITELL and NYSESLAT) and grades?
We would assess students on the NYSITELL and use the results to identify placement levels.
- How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAO tool](#))
Not applicable
- For each program, answer the following:
 - What are the patterns across performance levels and grades? How are ELLs faring in tests taken in English as compared to the home language?
 - Describe how the school leadership and teachers are using the results of the ELL periodic assessments.
 - What is the school learning about ELLs from the periodic assessments? How is the home language used?
Not applicable
- Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). [Refer to [ELL Policy and Reference Guide](#), Support Services for ELLs (RTI and AIS) section and [RtI Guide for Teachers of ELLs](#).]
Students will be screened initially and then based on their levels of proficiency they will receive ESL support services such as Tier 1 Core Instruction to support language development. Periodically the efficiency of these instructional strategy will be assessed to determine if they meet the students language development needs. If they do not, then Tier 2 strategies such as intensive targeted intervention strategies will be implemented for those students who are not making sufficient progress on the competencies being measured.
- How do you make sure that a student's new language development is considered in instructional decisions?

There will be an effort to ensure that second language development is facilitated in all instructional decisions by providing academically rigorous instructional goals and the necessary supports to achieve them.

15. For dual language programs, answer the following:
 - d. How are the English-proficient students (EPs) assessed in the target language?
 - e. What is the level of language proficiency in the target language for EPs?
 - f. How are EPs performing on State and other assessments?

Not applicable

16. Describe how you evaluate the success of your programs for ELLs (e.g., meeting AYP for ELLs).

The students' progress will be continuously monitored to determine whether or not goals and or services need to be changed or adjusted to reflect students' current needs. Every effort will be made to ensure that strategies are culturally and linguistically responsive.

Part IV: ELL Identification Process

Describe how you identify English language learners (ELLs) in your school.

14. Describe the steps followed for the initial identification of ELLs. These steps must include administering the K–12 Home Language Identification Survey (HLIS) which includes the student and parent interviews in English and/or the parent's preferred language of communication, and the formal initial assessments (i.e., NYSITELL, Spanish LAB, and LENS). Identify the person(s) responsible, including their qualifications. Refer to [ELL Policy and Reference Guide, ELL Identification](#) section.
Goldie Maple Academy will identify ELL students using the following steps. First, when the students register, they will be given the Home Language Identification Survey. When the student is registered and has completed the Home Language Identification Survey, the student will be given an informal oral interview within 10 days. The survey will be reviewed by personnel to determine who is eligible to receive Lab-R testing. Next, a licensed pedagogue will administer the Lab-R to any student who has a home language other than English. Spanish speaking ELL students will be administered the Spanish LAB-R. The cut scores will determine eligibility for testing in Spanish and ELL services.
15. Describe how assessments are used to identify SIFE (Students with Interrupted/Inconsistent Formal Education) within 30 days of enrollment (e.g., LENS, SIFE questionnaire, student work).
Based on the initial HLIS and teacher created assessments students will be identified.
16. Describe the identification for newly enrolled students with IEPs. Include titles of the Language Proficiency Team (LPT) members (refer to [ELL Policy and Reference Guide, ELL Identification](#) section).
Newly enrolled students will be administered the HLIS and if it is determined that they need further testing to verify placement levels, then that will be done. Every effort will be made to ensure that students with IEPs receive their mandated services, even if new staff will have to be hired.
17. Describe how your school ensures that entitlement and non-entitlement parent notification letters are distributed within five school days after the NYSITELL is scanned and score is determined.
The pupil personnel secretary will distribute the entitlement and non-entitlement parent notification letters by hand to parents and an additional copy will be sent by certified mail.
18. Describe how parents are informed that they have the right to appeal ELL status within 45 days of enrollment (refer to [ELL Policy and Reference Guide, Re-Identification of ELL Status](#) section).
The pupil personnel secretary will inform parents of their right to appeal within 45 days of enrollment.
19. What structures are in place at your school to ensure that parents understand all three program choices (transitional bilingual education, dual language, and freestanding ENL) through the mandated parent orientation within the specified timeframe? Describe the process, outreach plan, and timelines.
The parents will be notified of all three program choices through a parent orientation workshop in which they will watch the Parent Orientation video in their native language. They will then be asked to complete the Parent Survey & Program Selection Form, on which they will indicate their program choice.
20. Include how your school reaches out to parents to ensure Parent Surveys and Program Selection forms are returned in a timely manner and how your school monitors parent program choice. As per CR Part154.2, if a form is not returned, the default program for ELLs is bilingual education.
The Parent Coordinator will reach out to parents via telephone if the survey is not completed and returned at the Parent Orientation Workshop. A follow-up letter will also be sent reminding parents that the default program of bilingual education will be provided if the surveys are not returned.
21. Describe how your school monitors the *Parent Survey and Program Selection* forms that have not been completed and returned.

When the surveys are distributed the parents' signature is required on a sign off sheet. Once the survey is collected then it is checked to indicate the return.

22. Describe how your school ensures that placement parent notification letters are distributed.
Parents are asked to complete a tear off letter and return to school to indicate that they have received parent notification letters.
23. Describe how your school retains all ELL documentation for each child (i.e., HLIS, non-entitlement, and entitlement letters).
The pupil personnel secretary maintains the records and relevant information is documented in the ATS system.
24. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.
If students are identified as ELLs throughout the year then they will be required to take the NYSESLAT test when it is administered.
25. Describe how your school ensures that continued entitlement and transitional support parent notification letters are distributed.
Continued entitlement and transitional support letters will be sent home via certified mail.
26. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? Provide numbers. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings as per Aspira Consent Decree? Describe specific steps underway. (Refer to question six).
We have not had any Ell population for the last four years.

Part V: ELL Programming

B. Programming and Scheduling Information

21. How is instruction for ELLs delivered in the following programs? Include how integrated and standalone ENL are implemented as per CR Part 154.2 as well as how students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class]).
 - d. Freestanding ENL program.
N/A
 - e. TBE program. *If applicable.*
There are currently no ELL students in our school. However if there were, since we are a small school we would use a push in model with homogenous grouping.
 - f. DL program. *If applicable.*
N/A
22. How does the school ensure the mandated number of instructional minutes is provided according to proficiency levels in each program model?
 - b. How are explicit ENL, ELA, and HLA instructional minutes delivered in each program model (see charts 5.1 and 5.2 below)?
We would have .5 unit of study in Integrated ENL/ Content area or ENL/ELA class for a 90 minute block for emerging and transitioning proficiency level students. We would also have 1 unit of study in ENL/ ELA or other content area for expanding levels of proficiency as per Part 154.2 CR. Students would be programmed based on their NYSESLAT or LAB-R proficiency levels reflecting the mandated ESL/ELA instructional hours. The ELL teacher and the guidance counselor would ensure that all mandated instructional minutes are provided.
23. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.
To meet the demands of the Common Core Learning Standards, we would hire a highly qualified ESL teacher to provide rigorous instruction to our students. The teacher would need to use instructional strategies that support language development such as : language and vocabulary development strategies including graphic organizers; think, pair , share; It says I say; tiered vocabulary instruction; text analysis; using cognates; mind movies; word walls and triple entry journals.
24. How do you ensure that ELLs are appropriately evaluated in their home languages throughout the year?
The ENL teacher would periodically assess students in their native language. Depending on their ESL classification, students would also be encouraged to take NYS exams in their native language.

- Chart 7** do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?
 Depending upon the ESL classification , students would be programmed as per PArt 154.2. Assessments would be done by the ESL/ENL teacher throughtout the year.
26. How do you differentiate instruction for each of the following ELL subgroups?
 f. SIFE
 g. Newcomer
 h. Developing
 i. Long Term
 j. Former ELLs up to two years after exiting ELL status
 Based on their levels of proficiency, instructional strategies would be implemented that best support these levels and periodically monitored to target needs of specific population. For example, targeted intervention strategies like small group focused instruction would be used for areas like vocabulary development and building oral language capacity. If they are also students with IEPs there mandates wwould be addressed to ensure compliance.
27. For students re-identified as ELL or non-ELL, based on an approved re-identification appeal within 45 days of student enrollment, describe how the school ensures the student’s academic progress has not been adversely affected by the re-identification (within 6–12 months after the re-identification has been established). Refer to ELL Policy and Reference Guide, Re-Identification of ELL Status section.
 Students would receive the necessary support and or services required.
28. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
 Teachers would use a variety of strategies to differentiate and target instruction with additional support given where necessary.
29. How does your school use curricular, instructional, and scheduling flexibility to enable ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?
 ESL/ENI instruction would be integrated. Additional support would be provided via our school-wide AIS program to provide additional scaffolding and targeted instruction.

Chart 5.3

Home Language Usage and Supports

The chart below is a visual representation designed to show the variation of home language usage and supports across the program models. Note that home language support is never zero. TBE and dual language programs have both home language arts and subject areas taught in the home language; ENL has home language supports.

E. Programming and Scheduling Information--Continued

30. Describe your targeted intervention programs for ELLs in ELA, math, and other core content areas (specify ELL subgroups targeted). List the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
See 9 above
31. Describe the effectiveness of your current program and how it is meeting the needs of your ELLs in both content and language development.
Not applicable
32. What new programs or improvements will be considered for the upcoming school year?
Once new students are administered the HLIS and eligibility is determined for ELL services, every effort will be made to ensure that parents understand the three program choices (Transitional Bilingual Education, Dual Language, Freestanding ENL) that are available. A parent orientation will be provided to all eligible students where the parent video is shown and the various options are explained by both administration and the parent coordinator. During the parent orientation, parents will be given the parent survey and the selection forms. The Foreign Language teacher will be utilized to translate forms and to provide interpretation services during the parent orientation. Parents can select the program of their choice. The Spanish Foreign Language teacher in the building will be utilized whenever possible and as her schedule permits to provide orientation to the students. The Foreign Language teacher, Ms. Rose, and the Special Education teacher, Ms. Powell are responsible for administering the HLIS, LAB-R, and informal interview. Ms. Rose is a certified foreign language teacher and Ms. Powell is a certified special educator and Testing Coordinator.
33. What programs/services for ELLs will be discontinued and why?
Not applicable
34. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
School-wide AIS program and instructional support as per CR 154.2.
35. What instructional materials, including technology, are used to support ELLs? Include core content area as well as language materials; list ELL subgroups if necessary.
Instructional materials to support ELL instruction would include audio and video, as well as current textbooks and the simultaneous use of English and alternative language editions on the NYS Exams. Native language /English language dictionaries as well as picture dictionaries would also be utilized. Technology would be utilized to support ELL including the use of SmartBoard Technology, laptops and desktop computers, I-pads with native language translation and listening capabilities.
36. How is home language support delivered in each program model (DL, TBE, and ENL)?
Home language support would be provided through the use of bi-lingual word and picture dictionaries, bi-lingual glossaries and native language translation on laptop and desktop computers, I-pads, as well as teachers and peers that speak the native language that native language support is provided.
37. Explain how the school ensures all required services/resources support and correspond to ELLs' ages and grade levels.
We would ensure that support services and resources correspond to student need (based on assessment) and/or IEP. Additionally, AIS would be assigned per grade level to ensure success in meeting instructional goals. Tutoring services would also be considered based on grade and or proficiency levels.
38. Describe activities in your school that assist newly enrolled ELLs before the beginning of the school year. Include activities for new ELLs who enroll throughout the school year. Include titles of school staff involved in such activities (e.g., school counselor, parent coordinator).
ATS reports will be reviewed periodically to ensure that newly enrolled ELLs will receive the services they require. The Parent Coordinator will also conduct outreach to new parents via phone calls and parent meetings/workshops to ensure that the HLIS is completed upon admission.
39. What language electives are offered to ELLs?
The language elective for ELLs would be the same offered to the general education population: i.e. Spanish
40. For schools with dual language programs:
- What dual language model is used (e.g., side-by-side, self-contained)? Explain how much of the instructional day (percentage) EPs and ELLs are integrated.
 - In which language(s) is each core content area taught?
 - How is each language separated for instruction?
 - Is emergent literacy taught in the child's home language first (sequential), or are both languages taught at the same time (simultaneous)?

Not applicable

F. Professional Development and Support for School Staff

5. Describe the professional development plan for all ELL personnel at the school. (Include all teachers of ELLs.)
Not applicable
6. What professional development is offered to teachers of ELLs (including ENL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?
Not applicable
7. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
Not applicable
8. Describe how your school meets the professional development requirements as per CR Part 154.2: 15% of total hours for all teachers and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development. Include how records are kept for professional development activities (e.g. agendas, attendance). Refer to [ELL Policy and Reference Guide, Professional Development](#) section.
Not applicable

G. Parental Involvement

7. How does the school provide annual individual meetings with parents of ELLs to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas? Include provisions for interpretation and translation as needed. Note these meetings do not include mandated parent orientation meetings and DOE-scheduled parent-teacher conferences?
Not applicable
8. Include how records are kept for annual individual meetings with ELL parents as well as outreach to ensure parent needs are accommodated (e.g., in person meetings, phone calls, letters). Refer to [ELL Policy Reference Guide, Parent Selection and Program Placement](#) section.
Paste response here:
9. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.
Not applicable
10. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
Not applicable
11. How do you evaluate the needs of the parents?
During parent orientation, parents are given a survey to complete to indicate areas in which they would like assistance and or workshops .
12. How do your parental involvement activities address the needs of the parents?
The Parent coordinator works closely with the PTA to collaborate on various activities within the school community.

H. Additional Information

Include any additional information that would be relevant to your LAP and would further explain and highlight your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.
We do not currently have an ELL population and we have not had one for the past four years.

2015-2016 LANGUAGE TRANSLATION AND INTERPRETATION PLAN

Requirement under Chancellor's Regulations – for all schools

DBN: **27Q33** School Name: **Goldie Maple Academy**
Superintendent: **Mary Barton**

Before you begin, please check the following:

- Principal has designated a Language Access Coordinator (LAC) in Galaxy
- The LAC has attended an in-person or online training (www.learnndoe.org/tiu/lac) by the Translation and Interpretation Unit
- The LAC is involved in the development of this Translation and Interpretation Plan

School Goal: To ensure that parents whose preferred language is other than English are provided with meaningful opportunities to participate in and have access to programs and services critical to their child's education ([Chancellor's Regulation A-663](#)).

By developing each of the following components, your school will have a comprehensive plan to provide translation and interpretation services for all parents who require such services.

Part A: Identification and Assessment of Limited-English-Proficient Parents

1. Describe the data and methodologies used to assess language preferences of the parent community for both written and oral communication. Include pertinent information culled from Part III of the Home Language Identification Survey (HLIS), ATS reports, Student Emergency Contact cards, and any surveys conducted by your school.

At the beginning of the school year the school used various tools including parent language needs surveys, the ATS system, as well as updated blue emergency cards to determine the language needs of the parents and students. The Parent Association will also conduct informal interviews about home language to determine translation and or interpretation services parents might need. The School Leadership Team in conjunction with the Parent Association members will determine the documents that need to be translated throughout the year and instances where interpretation services are required, for example Parent teacher Conferences and Parent Meetings.

2. List parents' preferred languages for both written and oral communication. Include all languages, even if only a limited number of parents indicate a language.

The school has approximately twenty parents that require translation and interpretation services. For these non-English speaking parents, Spanish is the predominant language spoken. Although of this number the majority are fluent in both Spanish and English.

Part B: Creating a Communications Calendar

1. List the documents your school typically disseminates every year that require translation and when they will be distributed to families. (The following contain critical information about educational programs and services and must be translated – annual handbooks, newsletters, calendars, parent-teacher conference announcements, after-school program information, New York State testing dates, general overview of student curriculum, letters from the school leadership.)

The documents that will be translated during the year include progress reports, school calendars for each month, Parent handbook, parent-teacher conference announcements, monthly curriculum topics, New York State test dates and parent memos. The progress reports will be distributed mid marking period three times per year and handbooks will be made available throughout the year. Parent-teacher conference announcements will be made three times per year and NYS test dates will be announced twice per year but also will be available in the Parent Handbook.

2. List the formal face-to-face meetings your school will typically have with parents throughout the school year, such as parent-teacher conferences or curriculum nights, and when they will occur. As much as possible, also indicate any anticipated informal interactions, such as attendance teacher or guidance counselor calls to parents.

Meet the Teacher Night will be on September 10, 2015. Parent Teacher Conferences will be on November 17, 2015 and March 17, 2016. Individual pedagogues, the Guidance Counselor and /or the Dean may schedule additional Parent Meetings as necessary. The Parent coordinator will also facilitate Parent workshops throughout the year.

Part C: Providing Language Assistance Services

1. Describe how your school will meet identified translation needs indicated in Part B. Include procedures to ensure timely provision of translated documents to parents. Indicate whether written translation services will be provided by the Translation & Interpretation Unit, an outside vendor or in-house by school staff.

Translation and interpretation services will be provided by a member of the pedagogic staff or student support personnel. If neither of these options is available then the T&I services will be sought. Efforts will be made to have translated document available on the schools website and or Wikispaces account as well as via Engrade. Flyers will be sent home in a timely fashion before the dates of events.

2. Describe how your school will meet identified interpretation needs indicated in Part B. Indicate whether interpretation services will be provided by over-the-phone interpreters via the Translation and Interpretation Unit, on-site interpreters provided by an outside vendor or in-house by school staff.

Interpretation services will generally be provided by a member of the pedagogic staff and or student support personnel. However, in the event that neither is available then the over-the-phone support form the T&I unit will be sought. Parents will also be notified of their right to bring an adult interpreter to meetings.

Part D: Training Staff on Policies and Procedures

Describe how your school will ensure that all staff members are aware of how to use translation services and the over-the-phone interpretation service. (e.g., T&I Brochure, Language ID Guide, Language Palm Card distributed at staff meetings, via email, etc.)

All staff members will receive training on how to use the translation services and over-the phone interpretation service via T & I brochure as well as staff Pd in which the relevant section of the Language Access Handbook video will be shared.

Part E: Providing Notice of Language Assistance Services

Describe how your school will fulfill parental notification requirements for translation and interpretation services, as per Section VII of Chancellor's Regulation A-663. Note: The full text of Chancellor's Regulations A-663 (Translations) is available at <http://schools.nyc.gov/RulesPolicies/ChancellorsRegulations>

Checklist of Notification Requirements

- Welcome Poster
- Parents' Bill of Rights
- Parents' Guide to Language Access
- Language ID Guide at security desk and main office

The Welcome Poster is available in the Main Lobby and the Language ID Guide will be available at the security desk and the Main Office.

Part F: Monitoring and Quality Control

Describe mechanisms your school will use to gather feedback from parents on the quality and availability of services. (e.g., parent survey)

Parent surveys will be conducted at least 3 times during the year to gather feedback on the quality and availability of language access. the Parent Coordinator and the PTA President will also conduct surveys during their meetings with parents.
