Section 2: School Leadership Team (SLT) Signature Page

All SLT members are expected to sign this page to confirm their participation in the development of this School Comprehensive Educational Plan (SCEP) and that they have been consulted with regarding the alignment of funding to support this school’s educational program, which includes annual goals and action plans, Academic Intervention Services (AIS), Parent Involvement Policy (PIP) and School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with [Chancellor’s Regulation A-655](#), available on the [New York City Department of Education \(NYCDOE\)](#) website.

Directions:

1. List the names of each SLT member in the first column on the chart below.
2. Specify the constituent group represented, e.g., parent, staff, student, Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*.
3. SLT members should review this document and sign in the right-hand column in **blue ink**. If an SLT member does not wish to sign this plan, the member may attach a written explanation in lieu of his/her signature, which must be maintained on file at the school with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
4. The original signed copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

Section 3: Directions and Guidance for Developing the School Comprehensive Educational Plan

The School Comprehensive Educational Plan (SCEP) is meant as a tool to facilitate continuous improvement planning – to support schools in engaging their staff, parents, students, and community partners in assessing and prioritizing school needs, setting measurable improvement goals, selecting appropriate strategies to improve student outcomes, monitoring progress toward meeting annual goals, and communicating these efforts to the broader school community. This section will provide School Leadership Teams (SLTs) with guidance regarding SCEP development informed by the new [Strong Schools, Strong Communities](#) initiative and [Framework for Great Schools](#).

Strong Schools, Strong Communities

The New York City Department of Education (NYCDOE) is committed to working collaboratively with parents, families, educators, and communities to improve student achievement and ensure that every child graduates from high school prepared for college, a career, and a future as a productive, critically-thinking adult.

The Department is establishing programs to strengthen ties between schools and communities, and is giving teachers and students the support they need to reach higher standards. These programs and supports are building a system of schools centered on student learning. Along with strengthened partnerships between parents, teachers, students, school leaders, and communities, these initiatives will ensure Strong Schools, Strong Communities, so that all students succeed. Additional information is available in a [report](#), entitled *Strong Schools, Strong Communities: A New Approach to Supporting New York City’s Public Schools and All of Our Students*.

The Framework for Great Schools and SCEP Development

The [Framework for Great Schools](#) encourages parents, educators, school communities, and external stakeholders to work together to improve student achievement and increase learning opportunities. This collaborative focus will ensure that every child is consistently ready for the next grade, level, and set of challenges. The School Comprehensive Educational Plan (SCEP) will reflect this focus and should serve as the blueprint that engages a school community in a systematic, ongoing review and analysis of student needs to identify and address root causes and implement activities and strategies that improve outcomes for students.

Based on robust research, the six elements of the Framework identify the areas that we must improve to accomplish high student achievement. By focusing attention and resources on what it takes for schools to function well, the Framework for Great Schools identifies the underlying strengths and weaknesses of a school and shows community members concrete ways to improve.

In accordance with the requirements of [Chancellor’s Regulations A-655](#), all SLTs are to develop an educational plan in consultation with parents, school staff, and students, to provide a meaningful opportunity for stakeholders to participate in shared decision making and school improvement. The expectation is that SLTs will engage in a comprehensive educational planning process to inform the development of five (5) goals and action plans that align with the first five elements of the Framework for Great Schools (listed below). The sixth element, *Trust*, is foundational to all the other elements. A goal that reflects a holistic approach will often address more than one element, as the elements work together to support student achievement.

The Six Elements of the Framework for Great Schools

Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.

Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

Effective School Leadership: Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.

Strong Family-Community Ties: School leadership brings resources from the community into the school building by welcoming, encouraging, and developing partnerships with families, businesses, and community-based organizations.

Trust: Everyone works toward the shared goal of improving student outcomes, preparing students for success in school and beyond. Across the school community, there is respect. School staff, parents, students and administrators value each other.

Accountability Tools and the Framework for Great Schools

In order to address the six elements of the Framework for Great Schools, school communities should engage in improvement planning that is informed by the New York State Education Department’s (NYSED) Diagnostic Tool for School and District Effectiveness (DTSDE) Tenets, the NYCDOE’s Quality Review Indicators and other quantitative and qualitative data.

NYSED’s Six DTSDE Tenets

To strengthen the existing system, the NYSED has developed a tool that captures the best practices from each of the current tools – they call it a Diagnostic Tool for School and District Effectiveness. This new tool encompasses multiple instruments such as interviews, classroom observations and surveys. The protocol will begin with a clear and cogent statement of the optimal conditions of an effective school and the instruments comprising the protocol will measure how close or far away a particular school is to the optimal conditions identified. Once reviewed, the school and district will create a strategic plan to address the areas in need of improvement. All Priority and Focus Schools and Focus Districts must use the new tool; and districts that are required to submit District Comprehensive Improvement Plans and Comprehensive Educational Plans also will use the tool.

The DTSDE protocol includes a rubric, which identifies clear and coherent expectations of the optimal conditions of an effective school and school district across the following six tenets:

- Tenet 1: District Leadership and Capacity
- Tenet 2: School Leader Practices and Decisions
- Tenet 3: Curriculum Development and Support
- Tenet 4: Teacher Practices and Decisions
- Tenet 5: Student Social and Emotional Developmental Health, and
- Tenet 6: Family and Community Engagement

NYCDOE’s Quality Review (QR)

The Office of School Quality (OSQ) supports school improvement across the NYC Department of Education (DOE) by coordinating qualitative assessments of principals and school communities. All of the qualitative assessments are rooted in the Quality Review rubric and drive improvements to principal and school practice, with the ultimate goal of impacting student achievement. The 2015-16 Quality Review (QR) Rubric has ten indicators within three categories as outlined below:

- I. Instructional Core Across Classrooms: Curriculum (1.1), Pedagogy (1.2), Assessment (2.2)
- II. School Culture: Positive Learning Environment (1.4), High Expectations (3.4)
- III. Structures for Improvement: Leveraging Resources (1.3), Goals and Action Plans (3.1), Teacher Support and Supervision (4.1), Teacher Teams and Leadership Development (4.2), Monitoring and Revising Systems (5.1)

Title I Requirements and Strengthening Title I Parent Involvement

Title I schools are subject to ESEA/NCLB requirements regarding school accountability, highly qualified teachers, professional development, and parent involvement.

To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools will be expected to form a Title I Parent Advisory Council (PAC) during the 2015-16 school year. Each Title I PAC will have a minimum of three members, including a Chairperson and an alternate representative. The Title I PAC Chairperson (or alternate representative) shall be required to attend all regular meetings of the School Leadership Team (SLT). Guidance to support schools in forming their Title I PACs will be provided in September 2015.

Next Steps for SCEP Development

School Leadership Teams should engage in the following steps:

- **Step 1:** Ensure that a fully formed and functional School Leadership Team (SLT) exists and meets all the requirements of [Chancellor's Regulations A-655](#).
- **Step 2:** Conduct a comprehensive needs assessment informed by the school's updated NYSED accountability status and most current quantitative and qualitative data. Prioritize areas of focus for this school year.
- **Step 3:** For schools that received an Integrated Intervention Team (IIT) School Review Report, enter the HEDI rating for each assessed Statement of Practice (SOP) in Part 1A of the needs assessment. For schools that did not undergo an IIT review, refer to the major findings/recommendations from your most recent Quality Review (QR) or Alternative QR (AQR), and other qualitative and quantitative data.
- **Step 4:** Revisit your school's current goals, modify existing goals, and/or strategically create new goals informed by the needs assessment and aligned with the Framework for Great Schools. Ensure the annual goals are SMART – Specific, Measurable, Achievable, Relevant, and Time-bound. Writing your goals as SMART will help you monitor progress against the qualitative or quantitative measures you've identified, and will help your school community know when you've reached your goal.
- **Step 5:** Build consensus around activities, strategies and programs to address students' needs in each action plan. Create action plans that translate into observable, effective strategies to improve student achievement.
- **Step 6:** Update your school's AIS section. Title I schools must also update the Parent Involvement Policy (PIP) and School-Parent Compact (SPC).
- **Step 7:** Establish a process for engaging in progress monitoring throughout the school year as part of an overall cycle of continuous improvement planning to assess whether activities and strategies outlined in the action plans are resulting in improved student performance. Adjust practices, when necessary.

Treat the plan as a living document. Adjust the plan along the way as your experiences and the evidence justify. Careful implementation of your ideas, follow-through, and continuous evidence-based monitoring of progress are the keys to accomplishing desired results.

Section 4: SCEP Overview

Develop a narrative summary that includes:

1. Contextual information about your school's community and its unique/important characteristics, including your school's mission statement and a description of strategic collaborations/partnerships and/or special initiatives being implemented.
2. Any special student populations and what their specific needs are.
3. The elements of the Framework for Great Schools in which your school made the most progress over the past year, and your key areas of focus for this school year.

Wings Academy is a small, student-centered high school. Our ultimate mission is to prepare students to meet the challenges of the 21st century by creating a safe and nurturing environment where all students can achieve their full potential. We recognize that education is the wind beneath our students' Wings, and the greatest tool of empowerment for our society. We are committed to the development of coherent instruction with viable curricula that are aligned with common core state standards (CCSS) and which will enable our students to become critical thinkers and effective problem solvers.

To achieve this mission, the school has dedicated educators and staff members whose work ethic and philosophy represent the core values of the school community: an unwavering commitment to rigor and high academic standards; experiential and varied instruction; working to improve the community; democratic values; inquiry-based learning, and effective lesson planning focusing on the CCLS and differentiation.

The key elements of our SCEP are the continued work from our previous SCEP, the use of the Danielson Framework for Teacher Effectiveness aligned to our CCLS curriculum to drive our professional development and provide actionable and meaningful feedback to our teachers to improve their instruction. The meaningful conversations held between administration and teachers clearly impact instruction and the expectations of teachers. Ultimately, we want to enhance improved attendance, credit accumulation, and graduation through engaging and rigorous curricula.

The theory of action at Wings High School is that students must be actively involved as individuals and in groups to grapple with real-world problems and how to express their thoughts and ideas while at the same time be prepared to challenge other people's thoughts and ideas. Central to this is that students must actively read and practice their writing to develop college and career skills. To develop our theory of action, our school has actively sought to implement the Common Core Learning Standards into our curricula and produce performance tasks and rubrics that allow students to demonstrate their understanding. Then as a school, we have focused on developing specific CCLS skills such as stating claims and determining appropriate evidence to support these claims.

Strengths, Accomplishments, and Challenges

One of your major accomplishments for last year was working with our students with disabilities and English Language Learners. In the 14-15 SCEP, we specifically selected the two most difficult target groups (students with disabilities and English language learners) in order to provide instruction that met the needs of all of our students. In addition, we selected the Regents examination (global and integrated algebra) with the lowest passing and weighted passing percentage so we could focus on building student skills to ensure their success on all high-stakes assessments. In addition, we worked hard to develop successful ICT collaborations is a long process that requires extensive professional development and feedback to the teacher teams.

Another of our accomplishments was to recruit parents to become actively involved in the school community. So we worked extremely hard with parents and families to provide need much more timely and targeted information/progress reports to assist their children they are missing several credits and other graduation requirements. We identified a transitional counselor to support the ISS department, which has become a positive addition to the ISS department. In addition, even though the reduction of self-contained classes with the ISS department has been successful we increased the ICT classes and support the ISS departments, so we are were better able to cater to the needs of all students. While we did make significant gains in providing more avenues of communication with our parents and communities, we still understand that we must continue in improving our parent involvement and engagement data. We still have more work

to do in terms of enhancing the tone and climate of our school so that both students and their families will be more willing to become involved in parent and community activities, trainings, and meetings.

Our greatest challenge was working with teachers to understand the components of the Danielson Framework and how that translated into the work they did in their classrooms. Curriculum and instruction needs to be more engaging, rigorous, and address the needs of all students. In addition, we need to make certain that our students can demonstrate that students have an understanding of their learning and teachers are continuously checking their understanding to adjust their instruction as well as the curricula.

Greatest Growth SOP

Our School's greatest growth came in Tenet 6: Strong Family and Community Ties and specifically in SOP 6.5: *The entire school shares data in a way that empowers and encourages families to use and understand data to promote dialogue between parents, students and school constituents centered on student learning and success in which our school was rated Highly Effective.* In order to ensure we could effectively improve student performance and outcomes we needed the full support of all the school's partners. Thus, we benefited from significant increase in our PAR attendance and decrease in our ORRS reports. In addition, there was an increase in our parent/family engagement in which parents more frequently communicated with teachers in terms of their child's progress and performance.

Key Areas of Focus for this Year

This year our focus is to continue to develop Rigorous Instruction so that curricula and instruction is coherent and rigorous and aligned to the CCLS (3.2) which includes more complex materials and stimulates higher order thinking (3.3), and that teacher's assess student understanding and capture data that informs instruction and improves student outcomes (3.5)

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5A – Framework for Great Schools Element – Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills. *(Aligned to DTSDE Tenet 3: Curriculum Development and Support)*

Part 1 – Needs Assessment

<p>Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 3:</p> <ul style="list-style-type: none"> For schools that received an Integrated Intervention Team (IIT) School Review Report, consider the HEDI rating for each assessed Statement of Practice (SOP) and indicate on the chart below. For schools that did not receive an IIT School Review, or did not receive a HEDI rating for one or more SOPs: Self-rate your school for that SOP, informed by an analysis of student performance trends and any major findings/recommendations from your Quality Review (QR), or Alternative QR (AQR), and other relevant qualitative and quantitative data. Enter your HEDI self-rating(s) on the chart below. 		
Tenet 3 Statement of Practice (SOP) Addressed		HEDI Rating
3.2	The school leader ensures and supports the quality implementation of a systematic plan of rigorous and coherent curricula appropriately aligned to the Common Core Learning Standards (CCLS) that is monitored and adapted to meet the needs of students.	D
3.3	Teachers develop and ensure that unit and lesson plans used include data-driven instruction (DDI) protocols that are appropriately aligned to the CCLS and NYS content standards and address student achievement needs.	D
3.4	The school leader and teachers have developed a comprehensive plan for teachers to partner within and across all grades and subjects to create interdisciplinary curricula targeting the arts, technology, and other enrichment opportunities.	D
3.5	Teachers implement a comprehensive system for using formative and summative assessments for strategic short and long-range curriculum planning that involves student reflection, tracking of, and ownership of learning.	D
<p>Part 1b. Needs/Areas for Improvement:</p> <ul style="list-style-type: none"> Reflect on your school’s HEDI ratings (or self-ratings) in Part 1a, particularly any ratings of <u>D</u>eveloping and <u>I</u>neffective. Summarize your school’s strengths and needs relative to this element of the Framework for Great Schools and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources. 		
<p>Strengths</p> <ul style="list-style-type: none"> A culture of high expectations is beginning to emerge using the Danielson Framework for Teaching and systems are being developed to promote better feedback to students and families regarding student progress. School leaders support the development of teachers with actionable feedback and next steps using the Danielson Framework in order to improve pedagogical skills across the school. 		
<p>Areas of Improvement</p> <ul style="list-style-type: none"> Create units of study that are derived from the curriculum which incorporate tasks that lead to higher-order thinking skills in order to meet the needs of all students across content areas and improve college readiness. Use of the RESI report and scholarship report to determine growth. Strengthen teachers’ pedagogical skills and practices in order to build a student centered environment across subjects that are aimed at increasing rigor and student engagement. Use RESI report and scholarship reports to determine growth. 		

Priority Need

(3.3) Develop CCLS aligned Curriculum Caps, Unit Plans, and Lessons that allow multiple points of entry for all students and support higher order thinking skills

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Rigorous Instruction. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

During the 2015-16 school year, teacher teams will work together to produce unit plans that are CCLS-aligned, utilize DOK level 3 activities and performance tasks, and engage students in higher order thinking and discussion that will result in 5% increase in first year students earning 10+ credits by June 2016.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Engaging families and supporting their understanding of Rigorous Instruction and the Common Core in order to support their children at home. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy? Implement Principal's Academy (PM School, Saturday School) and Achieve Now (over-age/under-credited) to increase credit accumulation and improve student learning	Teachers	Sept - Ongoing	APs, Principal

Part 4 – Budget and Resource Alignment

Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.											
1. No costs associated with this activity.											
2. No costs associated with this activity.											
3. No costs associated with this activity.											
4. Per session for teachers and per session for Assistant Principals for after school sessions for IEP work (5 teachers/2x a month; 2 administrators/2x a month)											
Part 4b. Indicate using an "X" the fund source(s) that will be utilized to support achievement of the specified goal.

	Title I 1003(a)		Title III	X	PTA Funded		SIG or SIF Grant		School Success Grant		Other

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
By February 2016, 5% of first-year freshmen will be on track with credit accumulation as per the January scholarship report
Part 5b. In February 2016, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5B – Framework for Great Schools Element – Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers. *(Aligned to DTSDE Tenet 5: Student Social and Emotional Developmental Health)*

Part 1 – Needs Assessment

- Support staff with data interpretation
- Increase assessment of learning process across classrooms and expand the use of common assessments in content areas so that results are used to adjust curriculum, unit plans and lesson plans to meet the needs of all students.

Priority Need

(5.3) Develop and implement a system for socio-emotional development that is embraced by the entire school community and is reflected in our students learning community/experiences.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools –Supportive Environment. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

During the 2015-16 school year, the school leaders will develop and implement a plan to collect data related to student socio-emotional needs so as to reduce the level 4 and 5 incidents on ORRs by 15%.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Engaging families and supporting their understanding of supportive environment and the Common Core in order to support their children at home. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy? By February 2016, there will be a 10% increase in the ELA and math passing rate across grade levels as per the fall semester scholarship reports.											
Part 5b. In February 2016 , review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.											

Section 6: Academic Intervention Services (AIS)
(Required for All Schools)

Directions: Schools need to maintain accurate records of students who are receiving Academic Intervention Services (AIS) to ensure that students who are not achieving at proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

Type of Academic Intervention Service (AIS)	Criteria for determining AIS services	Type of Program or strategy (e.g. repeated readings, interactive writings, etc.)	Method for delivery of service (e.g. small group, one-to-one, tutoring, etc.)	When the service is provided (e.g. during the school day, before or after school, etc.)
English Language Arts (ELA)	Teacher Team meetings, student inquiry teams, guidance academic data	Tutoring, Homework Help, Test Prep, Targeted Assistance	Whole Group, Peer, Small Group, One-to-One	During the day, After-school, Saturday
Mathematics	Teacher Team meetings, student inquiry teams, guidance academic data	Tutoring, Homework Help, Test Prep, Targeted Assistance	Whole Group, Peer, Small Group, One-to-One	During the day, After-school, Saturday
Science	Teacher Team meetings, student inquiry teams, guidance academic data	Tutoring, Homework Help, Test Prep, Targeted Assistance	Whole Group, Peer, Small Group, One-to-One	During the day, After-school, Saturday
Social Studies	Teacher Team meetings, student inquiry teams, guidance academic data	Tutoring, Homework Help, Test Prep, Targeted Assistance	Whole Group, Peer, Small Group, One-to-One	During the day, After-school, Saturday
At-risk services (e.g. provided by the Guidance Counselor, School Psychologist, Social Worker, etc.)	Teacher Team meetings, student inquiry teams, guidance academic data	Tutoring, Homework Help, Test Prep, Targeted Assistance	One-on-One, Family Group, Individuals	Provided as needed

Section 7: Title I Program Information

Directions:

- All schools must indicate their Title I status in Part 1
- All elements of the *All Title I Schools* section must be completed in Part 2
- All Targeted Assistance (TA) Schools must also complete the *TA Schools Only* section in Part 3
- All Schoolwide Program (SWP) schools must also complete the *SWP Schools Only* section in Part 4
- If a required component is addressed elsewhere in this plan, you may refer to the section where the response can be found [for example, Section 5A-Part 4]
- For additional information, visit the [Title I Intranet webpage](#)

Part 1: Title I Status

Indicate with an “X” your school’s Title I Status.			
X	Schoolwide Program (SWP)	Targeted Assistance (TA) Schools	Non-Title I

Part 2: All Title I Schools

2a. Highly Qualified Teachers (HQT)

Describe the strategies and activities including strategies for recruitment, retention, assignments, and support including high quality professional development that ensures staff is highly qualified.
Administrators attend job and teaching fairs for new and experienced teachers; we review resumes submitted on the DOE online Open Market system to find highly qualified teachers; Interview Team meets with the candidates to answer a series of questions and perform instructional tasks

2b. High Quality and Ongoing Professional Development

Describe the strategies and activities for high quality professional development for teachers, principals, staff, and paraprofessionals that enable all students to meet Common Core State Standards (CCSS).
We support our new and untenured teachers by providing them mentors and offering workshops that not only improve their pedagogy, but also satisfy the requirements for state licensing. We also have affiliations with local colleges and universities so that new teachers can earn required credits for certification. Veteran teachers are offered leadership opportunities and programs to support their continued growth within the school, and have a voice in school leadership through school-wide positions on the SLT team. All staff will participate in ongoing professional development activities both within and outside of the school building. Some of these professional development activities will be facilitated by our talent coaches

Part 3: TA Schools Only

3a. Use of Program Resources

Describe how the TA program resources will assist participating children to meet proficiency.
n/a

3b. TA Coordination with the Regular Program

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).
n/a

Part 4: SWP Schools Only

4a. Transition Plans to Assist Preschool Children (Elementary Schools Only)

Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

n/a

4b. Measures to Include Teachers in Decisions Regarding Assessments

Describe the decision making process that teachers participate in regarding the use and selection of appropriate multiple assessment measures and the professional development provided regarding the use of assessment results to improve instruction.

Teacher teams with designated leaders review educational research to determine appropriate assessment measures for each content area as well as the Common Core Learning Standards. Rubrics from CCLS-rich sites such as Engage NY are adapted and utilized to meet the needs of our mostly ELL population. Formative assessment measures are reviewed, adapted, and tested in the classrooms, and teacher teams analyze the outcomes for their next steps. Professional development is an outgrowth of the teacher surveys; observations based on the *Danielson Framework for Teacher Effectiveness*, and identified student needs. Instruction and assessment go hand-in-hand, and we spend considerable time in our professional development to ensure that our assessments are measuring what we are teaching in the classrooms, content, skills, and process.

4c. “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes¹. To be eligible for the flexibility consolidation of Federal funds enables, a Schoolwide Program school must identify in its Schoolwide plan (SCEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated². **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for FY '16 school allocation amounts)	Place an (X) in <u>Column A</u> below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in <u>Column B</u> , section references where a related program activity has been described in this plan.	
			Column A Verify with an (X)	Column B Section Reference(s)

¹Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the **intent and purposes of the Federal programs** included in the consolidation so that the needs of the intended beneficiaries are met.

²The **intent and purposes** of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I School Improvement 1003(a):** To support implementation of school improvement activities identified through the Diagnostic Tool for School and District Effectiveness (DTSDE) reviews or a school review with district oversight and included in the DCIP/SCEP.
- **Title I Priority and Focus School Improvement Funding:** To support implementation of school improvement plans that aims to improve instruction and address the identified needs.
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant:** Supplementary and enhanced services to LEP/ELL immigrant students, in the areas of English language acquisition and content area achievement.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor’s Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent Involvement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **Title I Priority and Focus School Parent Engagement Set-aside:** Additional set-aside is to enable greater and more meaningful parent participation in the education of their children.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process, including Title I 1003(g) SIG or SIF funds:** These funds must be used for the purposes specified by the Grantor, as described in the school’s approved grant application.

Section 8: Parent Involvement Policy (PIP) and School-Parent Compact (SPC)
(Required for All Title I Schools)

Directions: All Title I schools are required to have a Title I Parent Advisory Council (PAC) that develops a **Parent Involvement Policy (PIP)** in collaboration with the School Leadership Team that meets the parental involvement requirements of Title I. The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The **School-Parent Compact (SPC)** is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's PIP should align with current SCEP goals for improving student achievement. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if the school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

Your school's Title I Parent Advisory Council (PAC) is encouraged to use the sample PIP and SPC templates below (which meet federal Title I parental involvement requirements) as guidance for updating the school's current policy.

Parent Involvement Policy (PIP) Template

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in the school. **WINGS Academy**, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of the school community. **WINGS Academy** will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

The school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. The

school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to the school to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in the school's Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

The school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC) Template

WINGS Academy , in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering will all members of the school community;
- supporting parental involvement activities as requested by parents;

- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department’s General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child’s attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child’s school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child’s education;
- communicate with my child’s teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school’s Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;

- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

DEPARTMENT OF ENGLISH LANGUAGE LEARNERS AND STUDENT SUPPORT
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM
2015-16 AND 2016-17 SCHOOL YEAR

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for English language learners (ELL). This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's Comprehensive Educational Plan (CEP). Note: this is a living document; any schoolwide changes involving serving ELLs, such as the addition or expansion of a transitional bilingual education (TBE) or dual language (DL) program should be updated in this form. Note new terminology based on CR Part 154.2 and 154.3. Agendas and minutes of LAP meetings should be kept readily available on file in the school. When preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, refer to the *English Language Learner Policy & Reference Guide*.

After reviewing and analyzing the assessment data, answer the following:

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., EL SOL, Estrellita, Fountas and Pinnell, DRA, TCRWP, teacher-created assessments). What insights does the data provide about your ELLs? How will this data help inform your school's instructional plan? Provide any quantitative data available to support your response.

Paste response to questions here:
- What is revealed by the data patterns across performance levels (on the NYSITELL and NYSESLAT) and grades?
Paste response to question here:
- How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAO tool](#))
Paste response to question here:
- For each program, answer the following:
 - What are the patterns across performance levels and grades? How are ELLs faring in tests taken in English as compared to the home language?
 - Describe how the school leadership and teachers are using the results of the ELL periodic assessments.
 - What is the school learning about ELLs from the periodic assessments? How is the home language used?**Paste response to questions here:**
- Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). [Refer to [ELL Policy and Reference Guide, Support Services for ELLs \(RTI and AIS\)](#) section and [RtI Guide for Teachers of ELLs](#).]
Paste response to question here:
- How do you make sure that a student's new language development is considered in instructional decisions?
Paste response to question here:
- For dual language programs, answer the following:
 - How are the English-proficient students (EPs) assessed in the target language?
 - What is the level of language proficiency in the target language for EPs?
 - How are EPs performing on State and other assessments?

Paste response to questions here:

8. Describe how you evaluate the success of your programs for ELLs (e.g., meeting AYP for ELLs).

Part IV: ELL Identification Process

Describe how you identify English language learners (ELLs) in your school.

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the K–12 Home Language Identification Survey (HLIS) which includes the student and parent interviews in English and/or the parent’s preferred language of communication, and the formal initial assessments (i.e., NYSITELL, Spanish LAB, and LENS). Identify the person(s) responsible, including their qualifications. Refer to [ELL Policy and Reference Guide, ELL Identification](#) section.

Paste response to question here:

2. Describe how assessments are used to identify SIFE (Students with Interrupted/Inconsistent Formal Education) within 30 days of enrollment (e.g., LENS, SIFE questionnaire, student work).

Paste response to question here:

3. Describe the identification for newly enrolled students with IEPs. Include titles of the Language Proficiency Team (LPT) members (refer to [ELL Policy and Reference Guide, ELL Identification](#) section).

Paste response to question here:

4. Describe how your school ensures that entitlement and non-entitlement parent notification letters are distributed within five school days after the NYSITELL is scanned and score is determined.

Paste response to question here:

5. Describe how parents are informed that they have the right to appeal ELL status within 45 days of enrollment (refer to [ELL Policy and Reference Guide, Re-Identification of ELL Status](#) section).

Paste response to question here:

6. What structures are in place at your school to ensure that parents understand all three program choices (transitional bilingual education, dual language, and freestanding ENL) through the mandated parent orientation within the specified timeframe? Describe the process, outreach plan, and timelines.

Paste response to question here:

7. Include how your school reaches out to parents to ensure Parent Surveys and Program Selection forms are returned in a timely manner and how your school monitors parent program choice. As per CR Part154.2, if a form is not returned, the default program for ELLs is bilingual education.

Paste response to question here:

8. Describe how your school monitors the *Parent Survey and Program Selection* forms that have not been completed and returned.

Paste response to question here:

9. Describe how your school ensures that placement parent notification letters are distributed.

Paste response to question here:

10. Describe how your school retains all ELL documentation for each child (i.e., HLIS, non-entitlement, and entitlement letters).

Paste response to question here:

11. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.

Paste response to question here:

12. Describe how your school ensures that continued entitlement and transitional support parent notification letters are distributed.

Paste response to question here:

13. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? Provide numbers. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings as per *Aspira Consent Decree*? Describe specific steps underway. (Refer to question six).

 - c. DL program. *If applicable.*
Paste response to questions here:
2. How does the school ensure the mandated number of instructional minutes is provided according to proficiency levels in each program model?
 - a. How are explicit ENL, ELA, and HLA instructional minutes delivered in each program model (see charts 5.1 and 5.2 below)?
Paste response to questions here:
3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.
Paste response here:
4. How do you ensure that ELLs are appropriately evaluated in their home languages throughout the year?
Paste response to question here:
5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?
Paste response to question here:
6. How do you differentiate instruction for each of the following ELL subgroups?
 - a. SIFE
 - b. Newcomer
 - c. Developing
 - d. Long Term
 - e. Former ELLs up to two years after exiting ELL status**Paste response to questions here:**
7. For students re-identified as ELL or non-ELL, based on an approved re-identification appeal within 45 days of student enrollment, describe how the school ensures the student's academic progress has not been adversely affected by the re-identification (within 6–12 months after the re-identification has been established). Refer to [*ELL Policy and Reference Guide, Re-Identification of ELL Status*](#) section.
Paste response to questions here:
8. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
Paste response to question here:
9. How does your school use curricular, instructional, and scheduling flexibility to enable ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?

Chart 5.3

Home Language Usage and Supports

The chart below is a visual representation designed to show the variation of home language usage and supports across the program models. Note that home language support is never zero. TBE and dual language programs have both home language arts and subject areas taught in the home language; ENL has home language supports.

A. Programming and Scheduling Information--Continued

10. Describe your targeted intervention programs for ELLs in ELA, math, and other core content areas (specify ELL subgroups targeted). List the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
Paste response to question here:
11. Describe the effectiveness of your current program and how it is meeting the needs of your ELLs in both content and language development.
Paste response to question here:
12. What new programs or improvements will be considered for the upcoming school year?
Paste response to question here:
13. What programs/services for ELLs will be discontinued and why?
Paste response to question here:
14. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
Paste response to question here:
15. What instructional materials, including technology, are used to support ELLs? Include core content area as well as language materials; list ELL subgroups if necessary.
Paste response to question here:
16. How is home language support delivered in each program model (DL, TBE, and ENL)?
Paste response to question here:
17. Explain how the school ensures all required services/resources support and correspond to ELLs' ages and grade levels.
Paste response to question here:
18. Describe activities in your school that assist newly enrolled ELLs before the beginning of the school year. Include activities for new ELLs who enroll throughout the school year. Include titles of school staff involved in such activities (e.g., school counselor, parent coordinator).
Paste response to question here:
19. What language electives are offered to ELLs?
Paste response to question here:
20. For schools with dual language programs:
 - a. What dual language model is used (e.g., side-by-side, self-contained)? Explain how much of the instructional day (percentage) EPs and ELLs are integrated.
 - b. In which language(s) is each core content area taught?
 - c. How is each language separated for instruction?
 - d. Is emergent literacy taught in the child's home language first (sequential), or are both languages taught at the same time (simultaneous)?

Paste response to question here:

B. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Include all teachers of ELLs.)
Paste response to question here:
2. What professional development is offered to teachers of ELLs (including ENL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?
Paste response to question here:
3. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
Paste response to question here:
4. Describe how your school meets the professional development requirements as per CR Part 154.2: 15% of total hours for all teachers and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development. Include how records are kept for professional development activities (e.g. agendas, attendance). Refer to [*ELL Policy and Reference Guide, Professional Development*](#) section.

Paste response to question here:

C. Parental Involvement

1. How does the school provide annual individual meetings with parents of ELLs to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas? Include provisions for interpretation and translation as needed. Note these meetings do not include mandated parent orientation meetings and DOE-scheduled parent-teacher conferences?

Paste response to question here:

2. Include how records are kept for annual individual meetings with ELL parents as well as outreach to ensure parent needs are accommodated (e.g., in person meetings, phone calls, letters). Refer to [ELL Policy Reference Guide, Parent Selection and Program Placement](#) section.

Paste response to question here:

3. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.

Paste response to question here:

4. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?

Paste response to question here:

5. How do you evaluate the needs of the parents?

Paste response to question here:

6. How do your parental involvement activities address the needs of the parents?

2015-2016 LANGUAGE TRANSLATION AND INTERPRETATION PLAN

Requirement under Chancellor's Regulations – for all schools

DBN: 12X684 School Name: WINGS Academy HS
Superintendent: Elaine Lindsey

Before you begin, please check the following:

- Principal has designated a Language Access Coordinator (LAC) in Galaxy
- The LAC has attended an in-person or online training (www.learnndoe.org/tiu/lac) by the Translation and Interpretation Unit
- The LAC is involved in the development of this Translation and Interpretation Plan

School Goal: To ensure that parents whose preferred language is other than English are provided with meaningful opportunities to participate in and have access to programs and services critical to their child's education ([Chancellor's Regulation A-663](#)).

By developing each of the following components, your school will have a comprehensive plan to provide translation and interpretation services for all parents who require such services.

Part A: Identification and Assessment of Limited-English-Proficient Parents

1. Describe the data and methodologies used to assess language preferences of the parent community for both written and oral communication. Include pertinent information culled from Part III of the Home Language Identification Survey (HLIS), ATS reports, Student Emergency Contact cards, and any surveys conducted by your school.

PTA survey used for home language identification
Student Survey used for home language identification
Blue card information
Freshman Orientation Profile card includes: language spoke at home.

2. List parents' preferred languages for both written and oral communication. Include all languages, even if only a limited number of parents indicate a language.

The preferred languages for both oral and written are english and spanish.

Part B: Creating a Communications Calendar

1. List the documents your school typically disseminates every year that require translation and when they will be distributed to families. (The following contain critical information about educational programs and services and must be translated – annual handbooks, newsletters, calendars, parent-teacher conference announcements, after-school program information, New York State testing dates, general overview of student curriculum, letters from the school leadership.)

Parent newsletters; backpack of all student letters requested by DOE; parent teacher conferences phone messaging; letters from SLT; letters from parent coordinator; freshman orientation information.

2. List the formal face-to-face meetings your school will typically have with parents throughout the school year, such as parent-teacher conferences or curriculum nights, and when they will occur. As much as possible, also indicate any anticipated informal interactions, such as attendance teacher or guidance counselor calls to parents.

PTC - regular scheduled conferences noted by DOE; Transitional Coordinators parent Mtgs; IEP parent meeting
College Fair Night/Day
Student Awards Night - 2 per semester

Part C: Providing Language Assistance Services

1. Describe how your school will meet identified translation needs indicated in Part B. Include procedures to ensure timely provision of translated documents to parents. Indicate whether written translation services will be provided by the Translation & Interpretation Unit, an outside vendor or in-house by school staff.

Translation is done by in-house school staff member, Lourdes Diaz or Rosio Gonzalez. They are the guidance counselors.

2. Describe how your school will meet identified interpretation needs indicated in Part B. Indicate whether interpretation services will be provided by over-the-phone interpreters via the Translation and Interpretation Unit, on-site interpreters provided by an outside vendor or in-house by school staff.

Interpretation Service is done by in-house school staff member, Lourdes Diaz or Rosio Gonzalez. They are the guidance counselors.
The parent coordinator and additional staff members are part of the interpretation service unit.

Part D: Training Staff on Policies and Procedures

Describe how your school will ensure that all staff members are aware of how to use translation services and the over-the-phone interpretation service. (e.g., T&I Brochure, Language ID Guide, Language Palm Card distributed at staff meetings, via email, etc.)

The Staff handbook provides this information as an addendum.

Part E: Providing Notice of Language Assistance Services

Describe how your school will fulfill parental notification requirements for translation and interpretation services, as per Section VII of Chancellor's Regulation A-663. Note: The full text of Chancellor's Regulations A-663 (Translations) is available at <http://schools.nyc.gov/RulesPolicies/ChancellorsRegulations>

Checklist of Notification Requirements

- Welcome Poster
- Parents' Bill of Rights
- Parents' Guide to Language Access
- Language ID Guide at security desk and main office

Part F: Monitoring and Quality Control

Describe mechanisms your school will use to gather feedback from parents on the quality and availability of services. (e.g., parent survey)

Parent Survey provided at the PTA meetings.
