Section 2: School Leadership Team (SLT) Signature Page

All SLT members are expected to sign this page to confirm their participation in the development of this Comprehensive Educational Plan (CEP) and that they have been consulted with regarding the alignment of funding to support this school’s educational program, which includes annual goals and action plans, Academic Intervention Services (AIS), Parent Involvement Policy (PIP) and School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with [Chancellor’s Regulation A-655](#), available on the [New York City Department of Education \(NYCDOE\)](#) website.

Directions:

1. List the names of each SLT member in the first column on the chart below.
2. Specify the constituent group represented, e.g., parent, staff, student, Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*.
3. SLT members should review this document and sign in the right-hand column in **blue ink**. If an SLT member does not wish to sign this plan, the member may attach a written explanation in lieu of his/her signature, which must be maintained on file at the school with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
4. The original signed copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

Section 3: Directions and Guidance for Developing the Comprehensive Educational Plan

The Comprehensive Educational Plan is meant as a tool to facilitate continuous improvement planning – to support schools in engaging their staff, parents, students, and community partners in assessing and prioritizing school needs, setting measurable improvement goals, selecting appropriate strategies to improve student outcomes, monitoring progress toward meeting annual goals, and communicating these efforts to the broader school community. This section will provide School Leadership Teams (SLTs) with guidance regarding CEP development informed by the new [Strong Schools, Strong Communities](#) initiative and [Framework for Great Schools](#).

Strong Schools, Strong Communities

The New York City Department of Education (NYCDOE) is committed to working collaboratively with parents, families, educators, and communities to improve student achievement and ensure that every child graduates from high school prepared for college, a career, and a future as a productive, critically-thinking adult.

The Department is establishing programs to strengthen ties between schools and communities, and is giving teachers and students the support they need to reach higher standards. These programs and supports are building a system of schools centered on student learning. Along with strengthened partnerships between parents, teachers, students, school leaders, and communities, these initiatives will ensure Strong Schools, Strong Communities, so that all students succeed. Additional information is available in a [report](#), entitled *Strong Schools, Strong Communities: A New Approach to Supporting New York City's Public Schools and All of Our Students*.

The Framework for Great Schools and CEP Development

The [Framework for Great Schools](#) encourages parents, educators, school communities, and external stakeholders to work together to improve student achievement and increase learning opportunities. This collaborative focus will ensure that every child is consistently ready for the next grade, level, and set of challenges. The Comprehensive Educational Plan (CEP) will reflect this focus and should serve as the blueprint that engages a school community in a systematic, ongoing review and analysis of student needs to identify and address root causes and implement activities and strategies that improve outcomes for students.

Based on robust research, the six elements of the Framework identify the areas that we must improve to accomplish high student achievement. By focusing attention and resources on what it takes for schools to function well, the Framework for Great Schools identifies the underlying strengths and weaknesses of a school and shows community members concrete ways to improve.

In accordance with the requirements of [Chancellor's Regulations A-655](#), all SLTs are to develop an educational plan in consultation with parents, school staff, and students, to provide a meaningful opportunity for stakeholders to participate in shared decision making and school improvement. The expectation is that SLTs will engage in a comprehensive educational planning process to inform the development of two (2) to five (5) goals and action plans that align with the first five elements of the Framework for Great Schools (listed below). The sixth element, *Trust*, is foundational to all the other elements. A goal that reflects a holistic approach will often address more than one element, as the elements work together to support student achievement. Place your goal in the section of the template where it fits best, knowing that it likely addresses other elements as well.

The Six Elements of the Framework for Great Schools
Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.
Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

Effective School Leadership: Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.

Strong Family-Community Ties: School leadership brings resources from the community into the school building by welcoming, encouraging, and developing partnerships with families, businesses, and community-based organizations.

Trust: Everyone works toward the shared goal of improving student outcomes, preparing students for success in school and beyond. Across the school community, there is respect. School staff, parents, students and administrators value each other.

The Quality Review and the Framework for Great Schools

In order to address the six elements of the Framework for Great Schools, school communities should engage in improvement planning that is also informed by the NYCDOE’s Quality Review Indicators and other quantitative and qualitative data.

NYCDOE’s Quality Review (QR)

The Office of School Quality (OSQ) supports school improvement across the NYC Department of Education (DOE) by coordinating qualitative assessments of principals and school communities. All of the qualitative assessments are rooted in the Quality Review rubric and drive improvements to principal and school practice, with the ultimate goal of impacting student achievement. The 2015-16 Quality Review (QR) Rubric has ten indicators within three categories as outlined below:

- I. Instructional Core Across Classrooms: Curriculum (1.1), Pedagogy (1.2), Assessment (2.2)
- II. School Culture: Positive Learning Environment (1.4), High Expectations (3.4)
- III. Structures for Improvement: Leveraging Resources (1.3), Goals and Action Plans (3.1), Teacher Support and Supervision (4.1), Teacher Teams and Leadership Development (4.2), Monitoring and Revising Systems (5.1)

Title I Requirements and Strengthening Title I Parent Involvement

Title I schools are subject to ESEA/NCLB requirements regarding school accountability, highly qualified teachers, professional development, and parent involvement.

To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students’ academic outcomes, all Title I schools will be expected to form a Title I Parent Advisory Council (PAC) during the 2015-16 school year. Each Title I PAC will have a minimum of three members, including a Chairperson and an alternate representative. The Title I PAC Chairperson (or alternate representative) shall be required to attend all regular meetings of the School Leadership Team (SLT). Guidance to support schools in forming their Title I PACs will be provided in September 2015.

Next Steps for CEP Development

School Leadership Teams should engage in the following steps:

- **Step 1:** Ensure that a fully formed and functional School Leadership Team (SLT) exists and meets all the requirements of [Chancellor’s Regulations A-655](#).
- **Step 2:** Conduct a comprehensive needs assessment informed by the school’s updated NYSED accountability status and most current quantitative and qualitative data. Prioritize areas of focus for this school year.
- **Step 3:** Revisit your school’s current goals, modify existing goals, and/or strategically create new goals informed by the needs assessment and aligned with the Framework for Great Schools. Ensure the annual goals are SMART—Specific, Measurable, Achievable, Relevant, and Time-bound. Writing your goals as SMART will help you monitor progress against the qualitative or quantitative measures you’ve identified, and will help your school community know when you’ve reached your goal.

- **Step 4:** Build consensus around strategies, activities, and programs to address students' needs in each action plan. Create action plans that translate into observable, effective strategies to improve student achievement.
- **Step 5:** Update your school's AIS section. Title I schools must also update the Parent Involvement Policy (PIP) and School-Parent Compact (SPC).
- **Step 6:** Establish a process for engaging in progress monitoring throughout the school year as part of an overall cycle of continuous improvement planning to assess whether activities and strategies outlined in the action plans are resulting in improved student performance. Adjust practices, when necessary.

Treat the plan as a living document. Adjust the plan along the way as your experiences and the evidence justify. Careful implementation of your ideas, follow-through, and continuous evidence-based monitoring of progress are the keys to accomplishing desired results.

Section 4: CEP Overview

Develop a narrative summary that includes:

1. Contextual information about your school's community and its unique/important characteristics, including your school's mission statement and a description of strategic collaborations/partnerships and/or special initiatives being implemented.
2. Any special student populations and what their specific needs are.
3. The elements of the Framework for Great Schools in which your school made the most progress over the past year, and your key areas of focus for this school year.

Our school emphasizes the study of American history and offers students an academic program that is both well-rounded and challenging. Our goal is to prepare students for admission to highly competitive colleges and for a wide range of careers in politics, law, journalism, business, science, mathematics, and the arts.

All students engage in a three-year chronological study of American History. Our aim is to make history come alive through the use of primary source documents, films, biographies, literature, and creative teaching techniques.

Supported by the Gilder-Lehrman Institute, students gain first-hand knowledge of the key events in American history through trips to sites and cities of historic importance and through participation in special seminars with guest speakers. We also offer honors-level, Advanced Placement, and elective courses in mathematics, science, constitutional and criminal law, literature, film, foreign languages, history, and the arts. A special component of our program focuses on the development of college-level research skills and methodologies, and students are therefore supported by school and college faculty in the process of pursuing individualized research projects. Through our collaboration with Lehman College, students have access to its campus library and athletic facilities, and take credit-bearing college classes and seminars in their junior and senior years. After school, students may participate in a wide variety of extra-curricular activities and PSAL sports.

In all of our endeavors, we seek to encourage in our students a love for learning and an inquisitive spirit.

The High School of American Studies was designed to teach academically advanced students. In the thirteen years since it was founded, American Studies has made the greatest progress in ensuring that students receive rigorous instruction and in developing a warm, supportive sense of community in which stakeholders trust one another and feel comfortable sharing ideas. In 2014 and 2015, American Studies was ranked by US News and World Report as the highest performing school in New York State and New York City. It was ranked eleventh in the entire nation. Additionally, HSAS was one of only fourteen schools in the nation at which 100% of seniors had passed at least one Advanced Placement Examination. Survey data indicate that members of the community feel the school environment is supportive and that a strong sense of trust exists in all sectors of the school. The school does not have any English Language Learners. 3% of students have an IEP and receive mandated services through external provider contracts. Data indicate that the performance of such students is commensurate with that of the general education population.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5A – Framework for Great Schools Element – Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Rigorous Instruction. This assessment should be informed by an analysis of student performance trends and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

The Advanced Regents Diploma is the most demanding among the certificates granted by the State of New York. Students should therefore aspire and be supported instructionally to graduate with advanced designation. In its most recent Quality Review, the school was commended for the academically rigorous instruction it provides, along with the academic and emotional support services available to students and their parents. Despite strong results in the past (as noted below), we have decided to focus on this goal because, through doing so, we ensure that we continue to support our students to achieve at the highest level and engage in rigorous preparation for college.

Data from previous years indicate the following:

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Rigorous Instruction. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By August 2016, at least 85% of graduates will earn an Advanced Regents Diploma.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Engaging families and supporting their understanding of Rigorous Instruction and the Common Core in order to support their children at home. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>

Part 4 – Budget and Resource Alignment

<p>Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.</p>
<p>The administration and teachers will schedule after-school tutorials. The guidance department will schedule guidance sessions for students and parents. The administration will secure funding from the PTA or other external sources for the tutorial sessions and the use of Jupiter Grades.</p>

Part 4b. Indicate using an "X" the fund source(s) that will be utilized to support achievement of the specified goal.

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.

The school will monitor progress at the mid-way point of each of our four marking periods. Diagnostic testing results will be analyzed over the summer and in September. Regents Exam results will be analyzed each January and June to identify students in need of additional assistance.

Part 5b. In **February 2016**, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5D – Framework for Great Schools Element – Effective School Leadership: Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.

Part 1 – Needs Assessment

<ul style="list-style-type: none"> Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Effective School Leadership. This assessment should be informed by an analysis of student performance trends, teacher performance, school survey results and any major findings from your Quality Review (QR), and/or other relevant data. Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5E – Framework for Great Schools Element – Strong Family and Community Ties: The school creates a welcoming environment for families and takes advantage of community resources to enrich the civic life of the school.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Strong Family and Community Ties. This assessment should be informed by an analysis of student performance trends, student attendance, suspension, school survey results, parent attendance and any major findings from your Quality Review (QR), and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Our school’s ultimate responsibility is to help students apply to and be accepted at one of the colleges of their choice.

In each and every year of our operation, 100% of students have been admitted to college or an approved post-secondary institution. However, we continue to list this as a goal each year on our CEP because we place such great value on continuing to achieve this result.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Strong Family and Community Ties. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2016, 100% of the school’s graduates will continue to be accepted to college or an approved post-secondary institution.

Part 3 – Action Plan

Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including: <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Strategies to promote stronger family and community ties and to increase parent involvement in support of improved student outcomes. 	Target Group(s) Who will be targeted?	Timeline What is the start and end date?	Key Personnel Who is responsible for implementing and overseeing the activity/strategy?
Convene individualized college counseling sessions with juniors and seniors	Students in Grade 11 and 12	Grade 12 in early fall and Grade 11 in early spring	Guidance counselors

Plan and conduct workshops for parents on the application process	Parents of students in Grade 11 and 12	Grades 11 and 12 in early spring and early fall	Guidance counselors
Secure funding for Naviance, update the school profile, and use Naviance to track applications and letters of recommendation, and analyze acceptance results	Staff	Ongoing from September	Guidance counselors, all teachers, administration, and parents
Schedule at least fifty college visits and have students serve as ambassadors and schedule at least one essay-writing seminar for students	Students in Grade 11 and 12	Ongoing from July until late fall	Guidance counselors, teachers, administration, and student ambassadors

Part 4 – Budget and Resource Alignment

Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.											
Achieving a 100% acceptance rate is the result of a continuous community effort on the part of students, counselors, teachers, parents, and the administration. Each sector of the community plays its part in this process. Counselors will develop individualized application plans with each student. Parents will help ensure that students work on their applications. Faculty will write letters of recommendation and help pupils to edit their personal statements. The administration will secure funding from the PTA or other sources for Naviance and for after-school workshops and other college-related activities.											
Part 4b. Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
The school will use Naviance in order to calculate this statistic at the end of each marking period, beginning at the end of the fall semester. Since not all colleges inform students of acceptance at the same time, this statistic is difficult to measure on an interim basis. The school will work intensively with all students who, by the end of April, have not been admitted to college.
Part 5b. In February 2016 , review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 6: Academic Intervention Services (AIS)

(Required for All Schools)

Directions: Schools need to maintain accurate records of students who are receiving Academic Intervention Services (AIS) to ensure that students who are not achieving proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

Type of Academic Intervention Service (AIS)	Criteria for determining AIS services	Type of Program or strategy (e.g. repeated readings, interactive writings, etc.)	Method for delivery of service (e.g. small group, one-to-one, tutoring, etc.)	When the service is provided (e.g. during the school day, before or after school, etc.)
English Language Arts (ELA)	Students with an average of 80 or below in ELA	Writing Workshop	Small group and one-on-one	Tutorials are provided on an as-needed basis during the tutorial period. Selected ninth-grade students attend a mandatory writing workshop. Tutoring is also available during lunch.
Mathematics	Students with an average of 80 or below in math	Skills reinforcement and conceptual review	Small group and one-on-one	Tutorials are provided on an as-need basis during the tutorial period. Tutoring is also available during lunch.
Science	Students with an average of 80 or below in science	Skills reinforcement and conceptual review	Small group and one-on-one	Tutorials are provided on an as-need basis during the tutorial period. Tutoring is also available during lunch.
Social Studies	Students with an average of 80 or below in history	Skills reinforcement and conceptual review	Small group and one-on-one	Tutorials are provided on an as-need basis during the tutorial period. Tutoring is also available during lunch.
At-risk services (e.g. provided by the Guidance Counselor, School Psychologist, Social Worker, etc.)	At-risk students in need of social or emotional support	Emotional, social, and academic development	Small group and one-on-one	Before school, during class, during lunch, and after school. Group counseling is available during lunch.

Section 7: Title I Program Information

Directions:

- All Schools must indicate their Title I status in Part 1.
- All elements of the *All Title I Schools* section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the *TA Schools Only* section in Part 3.
- All Schoolwide Program (SWP) Schools must also complete the *SWP Schools Only* section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section where the response can be found [for example, Section 5A-Part 4].
- For additional information, visit the [Title I Intranet webpage](#).

4c. "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes¹. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated². **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for FY '16 school allocation amounts)	Place an (X) in <u>Column A</u> below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in <u>Column B</u> , section references where a related program activity has been described in this plan.	
			Column A Verify with an (X)	Column B Section Reference(s)
Title I Part A (Basic)	Federal			
Title II, Part A	Federal			
Title III, Part A	Federal			
Title III, Immigrant	Federal			
Tax Levy (FSF)	Local			

¹Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the **intent and purposes of the Federal programs** included in the consolidation so that the needs of the intended beneficiaries are met.

²The **intent and purposes** of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I Priority and Focus School Improvement Funding:** Support implementation of school improvement plans that aims to improve instruction and address the identified needs
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant:** Supplementary and enhanced services to LEP/ELL immigrant students, in the areas of English language acquisition and content area achievement.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor’s Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent Involvement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school’s approved grant application.

Section 9: Parent Involvement Policy (PIP) and School-Parent Compact (SPC)
(Required for All Title I Schools)

Directions: All Title I schools are required to have a Title I Parent Advisory Council (PAC) that develops a **Parent Involvement Policy (PIP)** in collaboration with the School Leadership Team that meets the parental involvement requirements of Title I. The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The **School-Parent Compact (SPC)** is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's PIP should align with current CEP goals for improving student achievement. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if the school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

Your school's Title I Parent Advisory Council (PAC) is encouraged to use the sample PIP and SPC templates below (which meet federal Title I parental involvement requirements) as guidance for updating the school's current policy.

Parent Involvement Policy (PIP) Template

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in the school. **[School name]**, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of the school community. **[School name]** will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math, and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

The school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. The school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to the school to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in the school's Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability, grade-level curriculum, and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

The school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC) Template

[School name] , in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for

improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities:

Provide high quality curriculum and instruction consistent with Common Core State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

DEPARTMENT OF ENGLISH LANGUAGE LEARNERS AND STUDENT SUPPORT
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM

2015-16 AND 2016-17 SCHOOL YEAR

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for English language learners (ELL). This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's Comprehensive Educational Plan (CEP). Note: this is a living document; any schoolwide changes involving serving ELLs, such as the addition or expansion of a transitional bilingual education (TBE) or dual language (DL) program should be updated in this form. Note new terminology based on CR Part 154.2 and 154.3. Agendas and minutes of LAP meetings should be kept readily available on file in the school. When preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, refer to the *English Language Learner Policy & Reference Guide*.

After reviewing and analyzing the assessment data, answer the following:

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., EL SOL, Estrellita, Fountas and Pinnell, DRA, TCRWP, teacher-created assessments). What insights does the data provide about your ELLs? How will this data help inform your school's instructional plan? Provide any quantitative data available to support your response.
We do not have any ELLs on register and have not had any for the past ten years. Were we to have an ELL, we would administer the NYSITELL assessment to first-time entrants whose home language was determined to be other than English. Our school would also use class exams and standardized measures (such as AP, Regents, NYSESLAT, etc.) to assess the progress of our ELLs, under the direction of our AP. The data would allow us to monitor the progress of our ELLs, and would help us ensure that they are making adequate progress.
- What is revealed by the data patterns across performance levels (on the NYSITELL and NYSESLAT) and grades?
We do not have any ELLs on register and have not had any for the past ten years.
- How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAO tool](#))
We do not have any ELLs on register and have not had any for the past ten years.
- For each program, answer the following:
 - What are the patterns across performance levels and grades? How are ELLs faring in tests taken in English as compared to the home language?
 - Describe how the school leadership and teachers are using the results of the ELL periodic assessments.
 - What is the school learning about ELLs from the periodic assessments? How is the home language used?
 - We do not have any ELLs on register and have not had any for the past ten years. Were we to have ELLs, we would compare overall scores and subscores on standardized exams (such as AP, Regents, etc.).
 - and c. We do not have any ELLs on register and have not had any for the past ten years.
- Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). [Refer to [ELL Policy and Reference Guide](#), Support Services for ELLs (RTI and AIS) section and [RtI Guide for Teachers of ELLs](#).]
N/A
- How do you make sure that a student's new language development is considered in instructional decisions?

Our AP will ensure this through individual conversations with the child, her or her parent, and relevant teachers, along with a concerted review of available formative and summative assessment data.

7. For dual language programs, answer the following:
 - a. How are the English-proficient students (EPs) assessed in the target language?
 - b. What is the level of language proficiency in the target language for EPs?
 - c. How are EPs performing on State and other assessments?

N/A

8. Describe how you evaluate the success of your programs for ELLs (e.g., meeting AYP for ELLs).

We do not have any ELLs on register and have not had any for the past ten years. We would evaluate the success of our programs for ELLs using formative and summative assessment data, including Periodic Assessments, Classroom Assessments, and Regents Exam and AP scores, as appropriate.

Part IV: ELL Identification Process

Describe how you identify English language learners (ELLs) in your school.

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the K–12 Home Language Identification Survey (HLIS) which includes the student and parent interviews in English and/or the parent’s preferred language of communication, and the formal initial assessments (i.e., NYSITELL, Spanish LAB, and LENS). Identify the person(s) responsible, including their qualifications. Refer to [ELL Policy and Reference Guide, ELL Identification](#) section.

Initial assessment of students who might possibly be ELLs begins with administration of the home language questionnaire. Students who indicate that they speak another language or that their home language is not English are given the informal interview in English and in the second language. Students who do in fact speak a second language are then given the NYSITELL, and appropriately placed based on those results. Our AP conducts this initial assessment with assistance from one of our Spanish teachers, who also has a master's degree in TESOL.

2. Describe how assessments are used to identify SIFE (Students with Interrupted/Inconsistent Formal Education) within 30 days of enrollment (e.g., LENS, SIFE questionnaire, student work).

Initial assessment of students who might possibly be SIFE begins with an informal interview conducted by the AP or other qualified staff with the student and his or her parent. The purpose of the interview is to determine prior educational experiences. The school also reviews formal and summative assessment data, along with anecdotal feedback from teachers. Identification is completed and entered prior to the expiration of the thirty day period.

3. Describe the identification for newly enrolled students with IEPs. Include titles of the Language Proficiency Team (LPT) members (refer to [ELL Policy and Reference Guide, ELL Identification](#) section).

Identification is accomplished by carefully following the guidelines and regulations established by the city in its reference guide. LPT members include the AP, guidance counselor, the bilingual school psychologist, and a Spanish teachers who is also certified in TESOL.

4. Describe how your school ensures that entitlement and non-entitlement parent notification letters are distributed within five school days after the NYSITELL is scanned and score is determined.

The AP ensures that letters are distributed prior to the deadline and phones each parent in order to ensure receipt.

5. Describe how parents are informed that they have the right to appeal ELL status within 45 days of enrollment (refer to [ELL Policy and Reference Guide, Re-Identification of ELL Status](#) section).

Parents are informed in writing and verbally by the AP.

6. What structures are in place at your school to ensure that parents understand all three program choices (transitional bilingual education, dual language, and freestanding ENL) through the mandated parent orientation within the specified timeframe? Describe the process, outreach plan, and timelines.

All information regarding program choices is provided in the parents' native language. Outreach to parents is handled by our AP, in conjunction with the student's guidance counselor. Meetings with parents to discuss program choices are held during the school day, and are scheduled as soon as an ELL student is identified.

7. Include how your school reaches out to parents to ensure Parent Surveys and Program Selection forms are returned in a timely manner and how your school monitors parent program choice. As per CR Part154.2, if a form is not returned, the default program for ELLs is bilingual education.

Distribution of Entitlement Letters, and collection of Parent Survey and Program Selection forms are handled by our AP in consultation with the student's guidance counselor. All students who enter the NYC school system for the first time are given the HLIS. A student whose home language is determined to be other than English is then given the NYSITELL to measure his or her proficiency level. As per the CR Part154.2, if a form is not returned, the default option is bilingual education.

8. Describe how your school monitors the *Parent Survey and Program Selection* forms that have not been completed and returned.

- The school monitors completion and contacts parents by phone if the form has not been returned.
9. Describe how your school ensures that placement parent notification letters are distributed.
Letters are distributed in person where possible. Receipt is confirmed by phone.
 10. Describe how your school retains all ELL documentation for each child (i.e., HLIS, non-entitlement, and entitlement letters).
Records are stored in each student's folder in the guidance office and are maintained for their entire period of enrollment.
 11. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.
We do not have any ELLs on register and have not had any for the past ten years. Were we to have any ELLs on register, we would administer the NYSESLAT as per state and city guidelines at the earliest possible date.
 12. Describe how your school ensures that continued entitlement and transitional support parent notification letters are distributed.
Letters are distributed in person where possible and receipt is confirmed by phone.
 13. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? Provide numbers. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings as per Aspira Consent Decree? Describe specific steps underway. (Refer to question six).
We do not have any ELLs on register and have not had any for the past ten years.

Part V: ELL Programming

A. Programming and Scheduling Information

1. How is instruction for ELLs delivered in the following programs? Include how integrated and standalone ENL are implemented as per CR Part 154.2 as well as how students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class]).
 - a. Freestanding ENL program.
We do not have any ELLs on register and have not had any for the past ten years. Were we to have ELLs on register, instruction would be delivered using a pull-out model and heterogenous grouping.
 - b. TBE program. *If applicable.*
N/A
 - c. DL program. *If applicable.*
N/A
2. How does the school ensure the mandated number of instructional minutes is provided according to proficiency levels in each program model?
 - a. How are explicit ENL, ELA, and HLA instructional minutes delivered in each program model (see charts 5.1 and 5.2 below)?
We do not have any ELLs on register and have not had any for the past ten years. Students would be programmed based on their level of proficiency performance as indicated on the RLAT Report as measured by the NYSESLAT and NYSITELL. Students who are at the Beginners level would have 540 minutes of weekly instruction; Intermediate level would have 360 minutes of weekly instruction; Advanced level would have 180 minutes of ESL and 180 minutes of ELA, as mandated by CR-Part 154. Students who have transitioned out of ESL within the past two years receive supportive services as mandated (i.e. 0.5 credit in Integrated ENL in ELA or a content area).
3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.
We do not have any ELLs on register and have not had any for the past ten years. Content areas would deliver instruction following the standard instructional framework that includes explicit instruction, careful modeling, coaching, scaffolding, group discussion, problem solving, cooperative learning groups, flexible grouping, practice opportunities and expectations for independent applications to help students meet and/or exceed New York State and City Standards. We would also utilize leveled reading materials, manipulatives, graphic organizers, non-verbal and context clues.
4. How do you ensure that ELLs are appropriately evaluated in their home languages throughout the year?
We do not have any ELLs on register and have not had any for the past ten years. We would integrate technology to support writing instruction and motivate students to use written language to communicate. We would draw on their background

Chart Experiences and encourage connections between academic concepts and students' own lives. We would connect with students' families and culture. We would use effective strategies such as project-based learning, thematic instruction, and cooperative grouping to engage learners. Lastly, we would vary assessment strategies.

5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?

We do not have any ELLs on register and have not had any for the past ten years. We would evaluate our ELLs in ELA alongside their peers and by the same standards. Curricula in all English classes include formative and summative assessment in all four language modalities.
6. How do you differentiate instruction for each of the following ELL subgroups?
 - a. SIFE
 - b. Newcomer
 - c. Developing
 - d. Long Term
 - e. Former ELLs up to two years after exiting ELL status

We do not have any ELLs on register and have not had any for the past ten years. We do not have different subgroups.
7. For students re-identified as ELL or non-ELL, based on an approved re-identification appeal within 45 days of student enrollment, describe how the school ensures the student's academic progress has not been adversely affected by the re-identification (within 6–12 months after the re-identification has been established). Refer to ELL Policy and Reference Guide, Re-Identification of ELL Status section.

We do not have any ELLs on register and have not had any for the past ten years. The school constantly review relevant formative and summative assessment data.
8. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?

We have no ELL-SWDs.
9. How does your school use curricular, instructional, and scheduling flexibility to enable ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?

We have no ELL-SWDs.

A. Programming and Scheduling Information--Continued

10. Describe your targeted intervention programs for ELLs in ELA, math, and other core content areas (specify ELL subgroups targeted). List the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
We do not have any ELLs on register and have not had any for the past ten years. Were we to have ELLs, we would conduct targeted intervention programs for ELLs in the Content Areas as student needs dictate. We would also offer ESL support during our Small Group Instruction period.
11. Describe the effectiveness of your current program and how it is meeting the needs of your ELLs in both content and language development.
We do not have any ELLs on register and have not had any for the past ten years.
12. What new programs or improvements will be considered for the upcoming school year?
None
13. What programs/services for ELLs will be discontinued and why?
None
14. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
We do not have any ELLs on register and have not had any for the past ten years. Were we to have ELLs, we would ensure that ELLs are offered equal access to all school programs. Supplemental services would be offered through programs funded under Title III.
15. What instructional materials, including technology, are used to support ELLs? Include core content area as well as language materials; list ELL subgroups if necessary.
We do not have any ELLs on register and have not had any for the past ten years. Were we to have ELLs on register, we would utilize materials from the regular instructional program along with modified materials as necessary. Appropriate support would be offered by the AP or the ESL teacher as necessary.
16. How is home language support delivered in each program model (DL, TBE, and ENL)?
We do not have any ELLs on register and have not had any for the past ten years. Native language support would be provided on a pull-out basis by an ESL teacher certified in the Native Language.
17. Explain how the school ensures all required services/resources support and correspond to ELLs' ages and grade levels.
We do not have any ELLs on register and have not had any for the past ten years. Required support services and resources would be developmentally appropriate for the grade level ELL population. We would seek to use the most advanced level of materials possible in order to challenge students to succeed at the highest levels.
18. Describe activities in your school that assist newly enrolled ELLs before the beginning of the school year. Include activities for new ELLs who enroll throughout the school year. Include titles of school staff involved in such activities (e.g., school counselor, parent coordinator).
We do not have any ELLs on register and have not had any for the past ten years. Experienced ELLs would offer an orientation session for incoming ELLs. As a Specialized High School, we do not have over-the-counter enrollment, and so there is no possibility that an ELL will enroll throughout the year.
19. What language electives are offered to ELLs?
Spanish, along with access to Greek, Italian, Hebrew, French, Japanese, Russian, Mandarin, Latin, and German at Lehman College.
20. For schools with dual language programs:
 - a. What dual language model is used (e.g., side-by-side, self-contained)? Explain how much of the instructional day (percentage) EPs and ELLs are integrated.
 - b. In which language(s) is each core content area taught?
 - c. How is each language separated for instruction?
 - d. Is emergent literacy taught in the child's home language first (sequential), or are both languages taught at the same time (simultaneous)?

N/A

B. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Include all teachers of ELLs.)
We do not have any ELLs on register and have not had any for the past ten years. We would use Title III monies to support our ESL and content teachers in the use of best practices for ELL students. We also discuss strategies in ELA and the content areas to support pupils who are former ELLs.
2. What professional development is offered to teachers of ELLs (including ENL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?
We do not have any ELLs on register and have not had any for the past ten years. We would provide support through faculty and department conferences. Teachers of ELLs could also request common planning time with the AP or an ESL or native language teacher as appropriate. All students take a minimum of two AP courses (World History and US History). All courses are taught at the honors, AP, or post-AP level. Students may also take courses at Lehman College.
3. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
We do not have any ELLs on register and have not had any for the past ten years. We would provide support through faculty and department conferences. Staff meet weekly in grade teams to discuss common strategies and approaches. The faculty also runs an advisory program to develop academic skills in the freshman year.
4. Describe how your school meets the professional development requirements as per CR Part 154.2: 15% of total hours for all teachers and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development. Include how records are kept for professional development activities (e.g. agendas, attendance). Refer to ELL Policy and Reference Guide, Professional Development section.

We do not have any ELLs on register and have not had any for the past ten years. However, the school provides the mandated 7.5 hours of ELL training, as required, on school conference days and at faculty meetings throughout the year. Agendas and records of attendance are maintained on file at the school.

C. Parental Involvement

1. How does the school provide annual individual meetings with parents of ELLs to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas? Include provisions for interpretation and translation as needed. Note these meetings do not include mandated parent orientation meetings and DOE-scheduled parent-teacher conferences?
1. We do not have any ELLs on register and have not had any for the past ten years. Parent involvement at our school is generally very high. We would use Title III monies to include the parents of ELLs and will provide Translation Services.
2. Include how records are kept for annual individual meetings with ELL parents as well as outreach to ensure parent needs are accommodated (e.g., in person meetings, phone calls, letters). Refer to ELL Policy Reference Guide, Parent Selection and Program Placement section.
Documentation is kept of all meetings with parents (including hand-outs and attendance sheets) in each student's guidance file.
3. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.
We do not have any ELLs on register and have not had any for the past ten years. Parent involvement at our school is generally high. We would use Title III monies to include the parents of ELLs and will provide Translation Services.
4. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
We do not have any ELLs on register and have not had any for the past ten years. We would partner with Lehman College if necessary.
5. How do you evaluate the needs of the parents?
We do not have any ELLs on register and have not had any for the past ten years. We would evaluate the needs of the parents by contacting them for an informal interview. Our Parent Coordinator has also been trained to bring ELL issues to the attention of the appropriate administrator.
6. How do your parental involvement activities address the needs of the parents?
We do not have any ELLs on register and have not had any for the past ten years. Alignment would be assured through informal conversations between our Parent coordinator and the parents of ELLs.

D. Additional Information

Include any additional information that would be relevant to your LAP and would further explain and highlight your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

2015-2016 LANGUAGE TRANSLATION AND INTERPRETATION PLAN

Requirement under Chancellor's Regulations – for all schools

DBN: **10X696** School Name: **HS**
Superintendent: **Elaine Lindsey**

Before you begin, please check the following:

- Principal has designated a Language Access Coordinator (LAC) in Galaxy
- The LAC has attended an in-person or online training (www.learnndoe.org/tiu/lac) by the Translation and Interpretation Unit
- The LAC is involved in the development of this Translation and Interpretation Plan

School Goal: To ensure that parents whose preferred language is other than English are provided with meaningful opportunities to participate in and have access to programs and services critical to their child's education ([Chancellor's Regulation A-663](#)).

By developing each of the following components, your school will have a comprehensive plan to provide translation and interpretation services for all parents who require such services.

Part A: Identification and Assessment of Limited-English-Proficient Parents

1. Describe the data and methodologies used to assess language preferences of the parent community for both written and oral communication. Include pertinent information culled from Part III of the Home Language Identification Survey (HLIS), ATS reports, Student Emergency Contact cards, and any surveys conducted by your school.

The High School of American Studies at Lehman College (HSAS) determines through a variety of practices the languages spoken by members of our school community. First, the Pupil Personnel Secretary, Parent Coordinator, and Assistant Principal review the necessary ATS reports including the RHLA, which provides us with information on home languages. Additionally, during our new student orientation each June, the parents of all incoming ninth-graders are provided with and required to complete an emergency contact blue card, which includes an area for parents to note their preferred language of communication. Our guidance staff and parent coordinator also collect home language data on a case-by-case basis.

2. List parents' preferred languages for both written and oral communication. Include all languages, even if only a limited number of parents indicate a language.

In 2014-15, 301 of the 372 families in our school community are English-speaking according to our updated ATS records (RHLA). In addition, there are 13 families who have identified Spanish as their home language and 17 who have identified Mandarin. An additional twenty languages are spoken at home by fewer than ten families each. This information is shared with the faculty, guidance staff, and parent coordinator.

Part B: Creating a Communications Calendar

1. List the documents your school typically disseminates every year that require translation and when they will be distributed to families. (The following contain critical information about educational programs and services and must be translated – annual handbooks, newsletters, calendars, parent-teacher conference announcements, after-school program information, New York State testing dates, general overview of student curriculum, letters from the school leadership.)

Most information is communicated to parents via their preferred language with the assistance of the NYCDOE's Translation and Interpretation Unit, which provides New York City public schools and offices with an internal resource for accessing written translation and oral interpretation services. Some documents can be translated on site into Spanish and French. The school utilizes the services of parents and the Translation and Interpretation Unit to translate documents into other languages. Many of the critical communications that are sent to parents are centrally produced by the DOE in the nine most common primary languages. The school also makes use of Google Translate where possible.

2. List the formal face-to-face meetings your school will typically have with parents throughout the school year, such as parent-teacher conferences or curriculum nights, and when they will occur. As much as possible, also indicate any anticipated informal interactions, such as attendance teacher or guidance counselor calls to parents.

Orientation (June)
PTA Meetings (monthly)
Guidance Workshops (every other month)
Parent-Teacher Conferences (four times annually)
PTA Seminars (six times annually)
Academic Conferences (per teacher invitation or parent request)
Guidance Meetings (per counselor invitation or parent request)
Curriculum Night (Sept.)
Awards Night (June)
Graduation (June)

Part C: Providing Language Assistance Services

1. Describe how your school will meet identified translation needs indicated in Part B. Include procedures to ensure timely provision of translated documents to parents. Indicate whether written translation services will be provided by the Translation & Interpretation Unit, an outside vendor or in-house by school staff.

Most information is communicated to parents via their preferred language with the assistance of the NYCDOE's Translation and Interpretation Unit, which provides New York City public schools and offices with an internal resource for accessing written translation and oral interpretation services. Some

documents can be translated on site into Spanish and French. The school utilizes the services of parents and the Translation and Interpretation Unit to translate documents into other languages. Many of the critical communications that are sent to parents are centrally produced by the DOE in the nine most common primary languages.

2. Describe how your school will meet identified interpretation needs indicated in Part B. Indicate whether interpretation services will be provided by over-the-phone interpreters via the Translation and Interpretation Unit, on-site interpreters provided by an outside vendor or in-house by school staff.

Staff members complete a language survey and, whenever possible, act as translators who can be made available on an as-needed basis throughout the school year. Relevant information is communicated to the parents via their preferred language, if needed, with the assistance of the Translation and Interpretation Unit. Some parents choose to rely on an adult friend or relative for assistance; however, when student achievement and or conduct is being discussed, the companion must be an individual over eighteen and may not be enrolled at the school.

Part D: Training Staff on Policies and Procedures

Describe how your school will ensure that all staff members are aware of how to use translation services and the over-the-phone interpretation service. (e.g., T&I Brochure, Language ID Guide, Language Palm Card distributed at staff meetings, via email, etc.)

All of the above information and strategies are discussed annually at a faculty meeting at the start of the school year. The parent coordinator also conducts annual training for teachers on how to use simultaneous translation services and other methods of insuring that parents are able to communicate effectively with the school, and vice versa.

Part E: Providing Notice of Language Assistance Services

Describe how your school will fulfill parental notification requirements for translation and interpretation services, as per Section VII of Chancellor's Regulation A-663. Note: The full text of Chancellor's Regulations A-663 (Translations) is available at <http://schools.nyc.gov/RulesPolicies/ChancellorsRegulations>

Checklist of Notification Requirements

- Welcome Poster
- Parents' Bill of Rights
- Parents' Guide to Language Access
- Language ID Guide at security desk and main office

In addition to the above, the parent coordinator personally calls every parent in order to discuss their preferences for communication.

Part F: Monitoring and Quality Control

Describe mechanisms your school will use to gather feedback from parents on the quality and availability of services. (e.g., parent survey)

The parent coordinator surveys the parents. We also review data from the annual School Learning Environment Survey.
