

**MATHEMATICS REGENTS EXAMINATION REQUIREMENTS
FOR THE ADVANCED REGENTS DIPLOMA
FOR STUDENTS ENTERING NINTH GRADE IN 2006 - 2009**

Students must obtain a grade of **65** or higher on **2 or 3** Mathematics Regents Examinations to meet the Mathematics Examination Requirement for the Advanced Regents Diploma. There are four possible ways to do so, any of which may be used to fulfill this requirement. The four possible combinations are:

Math A & Math B
OR
Math A & Algebra 2/Trigonometry
OR
Math A & Geometry & Algebra 2/Trigonometry
OR
Integrated Algebra & Geometry & Algebra 2/Trigonometry
