Office of Early Childhood Education

Support Children's Authentic Learning Experiences and Developmental Milestones.

Free opportunity available to eligible Kindergarten—Grade 3 classes for the 2010-11 school year.

The [Office of Early Childhood Education](#) offers early elementary administrators, teachers and support staff the opportunity to engage in **free professional development workshops** on using [The Work Sampling System](#)® tools to help:

- monitor students' individual growth and development
- enhance and differentiate instruction
- foster active learning and collaborative classroom environments

In addition to free professional development workshops, **free classroom kits and materials** are being offered to Kindergarten, Grades 1, 2, and 3 classes.
