SCHOOL ALLOCATION MEMORANDUM NO. 7, FY05

DATE: June 23, 2004
TO: ALL SCHOOL PRINCIPALS
FROM: Bruce E. Feig
SUBJECT: ROBIN HOOD LIBRARIES

The Robin Hood Library Initiative is a partnership between the Robin Hood Foundation and the Department of Education (DOE). Thirty-one elementary schools are participating in this initiative. The goal of this collaboration is to improve literacy by revitalizing school libraries. To this effect, school libraries were remodeled. The libraries are also available for community use through after-school and weekend openings.

The Robin Hood allocation provides to each school the following:

- One library teacher position at the school's average teacher salary,
- One paraprofessional position at \$23,640,
- After-school/weekend operation at \$10,000, and
- Library books at \$6.00 per projected October 2004 pupil count.

Paraprofessional positions must be scheduled at actual salary. Should the allocated amount exceed the paraprofessional's cost, excess funds may be moved to after-school lines. Conversely, shortages may be covered from the after-school amount.

The attached table lists each school's allocation. Funds are to be scheduled in the Allocation Category, "Instructional Programs". When scheduling funds, schools should select the program name "Robin Hood" from the dropdown list. As indicated above, teachers should be scheduled at average teacher salary; paraprofessionals at actual salary; and after-school and weekends based on usage.
