BOR ALLOCATION MEMORANDUM NO. 44, FY 2001

DATE: APRIL 11, 2001

TO: ALL DISTRICT SUPERINTENDENTS

FROM: Marjorie Blum, Executive Director
 Office of Budget Operations and Review

SUBJECT: IN-SCHOOL SUSPENSIONS

In support of the Chancellor's priority of a safe and orderly school environment and to ensure compliance with the Safe Schools Against Violence in Education (SAVE) Act recently passed by the NYS legislature, superintendents were asked to design and implement pilot programs for in-school suspension center models and other alternatives to suspension initiatives. These programs are intended to provide intensive instructional support and behavioral interventions for students removed from their regular instructional program. District allocations presented at the right, represent \$5.0 Million provided by the City to support the spring implementation of this venture.

District allotments were determined by their respective Senior Superintendent. Allocations will be placed in district budgets as follows:

	Schedule From
Community School Districts - non-Galaxy	434577-053-5141
Community School Districts - Galaxy	004577-053-5141
High Schools	000800-053-5141

In-school suspension funds are to be scheduled as a separate modification numbered "SAV." Galaxy districts should create a new allocation category.
