BOR ALLOCATION MEMORANDUM NO. 45, FY 2001

DATE: April 18, 2001

TO: ALL SUPERINTENDENTS

FROM: Marjorie Blum, Executive Director
Office of Budget Operations and Review

SUBJECT: PARENTS AS PARTNERS

Resources are provided at the right in support of parent involvement programs. The allotment is intended to provide financial support to building capacity at the district level and/or enhancing the parent involvement activities as described in the 2000-2001 District Comprehensive Educational Plan. Districts may choose any of the following options:

1. Formal comprehensive needs assessment process,
2. Training for parents on current system priorities,
3. Implementing capacity-building activities for district and school staff, or
4. Exploring the viability of implementing one or more promising practices.

The Office of Parent Advocacy and Engagement (OPAE) gave districts the opportunity to apply for these funds. Submitted plans were reviewed by OPAE and those districts with plans currently approved are now receiving a \$20,000 award to implement the plan.

As indicated in the chart, the Parents As Partners allotment is supported by tax levy and Federal Goals 2000 funds. A budget modification scheduling the allocation into existing quick codes should be prepared as soon as possible. The tax levy funds originate from District 69 accruals.
