**SUBJECT: FUNDING FOR DISTRICT 75 SIE VII PUPILS: \$736,700**

The Special Needs/Academic Intervention formula methodology supports the concept of resources accompanying children. In essence, districts would receive additional funding for services to non-district students followed by an offset to the “responsible district.” Community School District 11 is being provided with a tax levy allocation of \$736,700 for the delivery of mandated services to severely disabled (District 75) pupils.

Community School District 11 is providing services for 53 SIE VII students, who are reported on the Citywide Special Education (D.75) register. A rate of \$13,900 per pupil has been established to cover costs including but not limited to: classroom teacher, paraprofessional, supervision, coverage, Project Arts, NYS Textbooks, and Teacher’s Choice.

<u>District</u>	<u>No. of Pupils</u>	<u>SIE-VII Rate</u>	<u>Allocation</u>
11	53	\$13,900	\$736,700

The allocation will be placed in quick-object-line codes: 004577-053-5141. The district should prepare a budget modification scheduling the lump sum as soon as possible.
