## **BOR ALLOCATION MEMORANDUM NO. 31, FY 2002**

**DATE:** December 18, 2001

**TO:** **ALL SUPERINTENDENTS**

**FROM:** Marjorie Blum

**SUBJECT: SUBSTITUTE VOCATIONAL ASSISTANT (SVA) PROGRAM -  
SPRING ADJUSTMENTS**

---

The Substitute Vocational Assistant (SVA) program consists of a five-year internship that provides educational training and preparation to high school seniors and recent graduates. In return, interns agree to work in the City School System as vocational teachers for a minimum of five years. BOR Allocation Memorandum No. 14, FY 2002, dated October 25, 2001, provided resources to support the fall implementation of this program. District allocations are now being adjusted to reflect fall terminations, spring additions and changes in rotational assignments. The attached table lists district adjustments and corresponding spring program actions.

The SVA allocation provides State Incentive Grant (SIG)/Improving Pupil Performance (IPP) funds to defray the salary, fringe benefits, and indirect costs associated with each SVA intern. Allotments should be scheduled in the reimbursable budget, quick code: 24512.
