**SUBJECT: PSYCHOLOGIST-IN-TRAINING (PIT) PROGRAM**

The Psychologist-in-Training (PIT) program is a recruitment program focusing on bilingual school psychologists. The program offers a one-year salaried internship. In September, the interns attended professional development workshops conducted by the Division of Human Resources (DHR). For the remaining months (October through June), interns receive school-based mentoring from a school psychologist. Upon completion of the program, interns agree to work in the city school system for a minimum of two years. Currently, there are 30 interns in the PIT program.

Allocations are provided to the Regional Operation Centers (ROC) for sub-allocation to schools via the Transfer Utility System. The attached table lists each ROC's amount by school. Allotments are based on an average PIT salary of \$38,400 and the October to August value (11/12 of \$38,400 = \$35,200). Funds should be scheduled in the Allocation Category, "TL SBST". Resources already reside in DHR's budget to cover September expenditures. Any questions regarding the PIT program should be referred to Lorna Rhone, Coordinator, Psychologist-in-Training program at 718-935-4147.
