REGIONAL OPERATION CENTER EXECUTIVE DIRECTORS, and
SCHOOL PRINCIPALS**

FROM: Susan Olds, Executive Budget Director

SUBJECT: SAFE SCHOOLS INITIATIVE

Establishing and maintaining a safe and supportive school environment is integral to students' academic achievement. The goal of the Safe Schools Initiative is to reduce discipline incidents and increase school safety. Selected schools will receive discretionary funds to provide professional development to address student behavioral issues that have a negative impact on safety and security.

Professional development is expected to build the capacity of school personnel to sustain long term improved school tone and culture beyond the time frame of this initiative. Funds should be used only for staff workshops and the educational development of classroom teachers generally in the areas of cultural sensitivity, classroom management, discipline, and utilizing creative ways of engaging students. Program designs will be developed at the respective schools in partnership with consultants determined to have the capacity to deliver effective services

Allocations are provided on the attached table. Funds will be placed in each school's budget under the "TITLE IV EXCESS CARRYOVER" or "TITLE IV EXCESS CARRYOVER CW" allocation category. Schools should schedule their allotment in accordance with their approved program proposal.
