

## **SUMMARY OF SCHOOL ALLOCATION MEMORANDUM NO. 05, FY08**

### **PARENT COORDINATOR**

#### **Summary**

This allocation provides tax-levy funds for each school to support a parent coordinator position or Community Based Organizations (CBO) pilot program. The Department funds parent coordinators separately as a Children First priority.

#### **Purpose**

Research has shown that having an actively, involved parent is a key factor in a student's academic success, and parent involvement is a core principle of the Chancellor's Children First agenda. Parent coordinators are staff members who work on site in schools making them more welcoming to parents and making it easier for parents to be involved. They do this by reaching out to parents and encouraging parental involvement in their children's education, supporting parent organizations within schools, and responding to parents' concerns and inquiries.

#### **Restrictions on Funds**

Schools will not have access to the accruals in situations where the allotted amount provided for personnel exceeds their cost.

The portion of the parent coordinators' allocations provided for Other Than Personnel Services (OTPS) may be used to cover:

- mailing costs for letters to parents;
- copying costs for parent outreach materials or for events organized by the parent coordinator;
- refreshments for parent meetings;
- transportation costs for parents (e.g., Metrocards for parents who attend meetings);
- parent training expenses (e.g., facilitators, creating/reproducing materials); and
- translation of outreach materials for parents.

#### **Allocation Formula**

- Schools with existing Parent Coordinator positions will be funded at their Parent Coordinator actual salary based on the March 2007 payroll. All vacant Parent Coordinator positions will be funded at the citywide average of \$38,138.
- All Parent coordinators are provided \$500 for OTPS to support their efforts.

OFFICE OF THE CHIEF FINANCIAL OFFICER

Revised September 20, 2007

**SCHOOL ALLOCATION MEMORANDUM NO. 05, FY08**

**DATE:** May 8, 2007  
**TO:** **COMMUNITY SUPERINTENDENTS, INTEGRATED SERVICE CENTERS AND SCHOOL PRINCIPALS**  
**FROM:** Susan Olds, Executive Budget Director  
**SUBJECT:** **PARENT COORDINATOR ALLOCATION**

Parental involvement is a core tenet of the Mayor and the Chancellor's Children First Reform Agenda. As part of Children First, each school is allocated supplemental resources to establish a parent coordinator position. The coordinator's responsibilities include outreach to parents; encouragement of parent involvement in their children's education; support of parent organizations within schools; responding to parent concerns and inquiries; and creation of a welcoming atmosphere for parents.

**Personnel**

Schools with filled Parent Coordinator positions will receive funding based on their Parent Coordinator's actual salary as reported on the March 2007 payroll. Vacancies and new positions will be funded at the citywide Parent Coordinator average salary of **\$38,138**.

Schools participating in the CBO Pilot program will receive equivalent funding at the Parent Coordinator average salary rate.

Funding support is 100% Tax Levy. In situations here expenditures are below the allotted amount, schools will not have access to those accruals.
