

SUMMARY OF SCHOOL ALLOCATION MEMORANDUM NO. 56, FY08

DESIGN YOUR OWN (DYO) PERIODIC ASSESSMENT ALLOCATIONS

Summary

The Design Your Own (DYO) assessment initiative is geared toward assisting schools in developing and using their own assessment techniques and tools to achieve the educational objectives of the Periodic Assessment Program.

Purpose

DYO allows schools to develop their own assessments or build on existing school-specific assessments, including qualitative, portfolio, and rubric-based assessments. This opportunity aligns well with the Department of Education's new accountability reforms, including the increasing principal autonomy embedded in the most recent Children First initiatives.

Restrictions on Funds

Funds are specifically targeted toward the schools' design, implementation, interpretation, and communication of assessments and results. Further, the allocation is conditioned on schools' complying, whenever applicable, with the requirements set forth in the Office of Accountability's DYO application.

SCHOOL ALLOCATION MEMORANDUM NO. 56, FY08

DATE: September 05, 2007

TO: **COMMUNITY SUPERINTENDENTS, INTEGRATED SERVICE CENTERS
and SCHOOL PRINCIPALS**

FROM: Susan Olds, Executive Budget Director

SUBJECT: **DESIGN YOUR OWN (DYO) PERIODIC ASSESSMENT ALLOCATIONS**

Through the Design Your Own assessment initiative (DYO), the Department of Education (DOE) is providing funding to schools across School Support Organizations to support innovative assessment activities. The initiative assists schools in developing and using their own assessment techniques and tools to achieve the educational objectives of the Office of Accountability's Periodic Assessment Program.

Design Your Own Assessments

The opportunity for schools to design their own assessments aligns well with the DOE's new accountability program, the selections all schools made among Periodic Assessment options and the increased autonomy for principals and schools under the Children First reforms. DYO allows schools to develop their own assessments or build on existing school-specific assessments, including qualitative, portfolio, and rubric-based assessments. All DOE schools, grades K-12, were eligible to apply to use DYO assessments for all of their periodic assessments or to use DYO assessments in combination with DOE-provided periodic assessments.

One hundred and forty-nine schools are approved to receive DYO funding either to design their own assessments or to renew their DYO authorization from the 2006-2007 school year, when the initiative was piloted with one hundred and two Empowerment Schools. Schools receiving funding went through an intensive application process.

Funds are specifically targeted toward the schools' design, implementation, interpretation, and communication of assessments and results. The allocation is conditioned on schools' complying, whenever applicable, with the requirements set forth in the Office of Accountability's DYO application.

The attached table displays the allocation for each school that was selected for the DYO initiative. Funds should be scheduled in the allocation category "**TL DYO Assessment**" and "**TL DYO Assessment CW**".
