## SCHOOL ALLOCATION MEMORANDUM NO. 83, FY08

**DATE:** March 5, 2008

**TO:** **COMMUNITY SUPERINTENDENTS, INTEGRATED SERVICE CENTERS  
AND SCHOOL PRINCIPALS**

**FROM:** Susan Olds, Executive Budget Director

**SUBJECT:** **English Language Learner (ELL) Reserve**

---

The goal of the Chancellor's Children First initiative is to ensure that all students have access to a high-quality education and graduate high school prepared for college, careers and citizenship. Many students who are not native English speakers will need additional support to achieve at high levels. This allocation is intended to allow schools to provide supplemental services to English Language Learners who were either not funded via the 2007-08 Fair Student Funding ELL allocations and/or who enrolled at the school after October 31, 2007.

Schools with positive variance in numbers of ELL students will receive funding on a per capita basis in the amounts of \$672.87 (students in grades K-5) and \$841.20 (students in grades 6-12), which equal approximately 44% of the 2007-08 FSF ELL per capitas of \$1,515 (K-5) and \$1,894 (6-12).

2007-08 ELL enrollment per school was calculated based on BESIS data as of February 27, 2008.

For schools that received Fair Student Funding for 2007-08:

- The allocation was based on the difference between the number of ELLs funded in the 2007-08 FSF formula and 2007-08 ELL enrollment.
- For schools that serve students in both K-5 and 6-12, additional ELL students were assumed to be in the same gradespan ratios as those funded in FSF (i.e., if a school received FSF funding for 2 K-5 students and 6 6-12 students, new ELL students were assumed to be split 25%/75% between the gradespans).
- For schools that did not receive funding for ELL students prior to this allocation, additional ELL students were assumed to be in the same gradespan ratios as the overall student population).

For schools and programs that did not receive Fair Student Funding for 2007-08:

- The allocation was based on the difference between 2006-07 ELL enrollment and 2007-08 ELL enrollment.
- Additional ELL students were assumed to be in the same gradespan ratios as the overall student population.

Allocations for additional ELLs enrolled in official programs and non-D79 GED programs have been rolled into the parent institutions.

All allocations will be made through the following allocation categories:

TL Fair Student Funding  
TL Fair Student Funding HS  
TL Instructional Programs HS  
TL Instructional Programs D79

A list of funded schools is attached, along with numbers of additional ELL students by gradespan.
