OFFICE OF THE CHIEF FINANCIAL OFFICER

SCHOOL ALLOCATION MEMORANDUM NO. 81, FY09

DATE: January 12, 2009

TO: **COMMUNITY SUPERINTENDENTS, INTEGRATED SERVICE CENTERS
AND SCHOOL PRINCIPALS**

FROM: Susan Olds, Executive Budget Director

SUBJECT: **English Language Learner (ELL) Reserve-Revised 2/2/09**

The goal of the Chancellor's *Children First* initiative is to ensure that all students have access to a high-quality education and graduate high school prepared for college, careers, and citizenship. Many students who are not native English speakers will need additional support to achieve at high levels. This allocation is intended to allow schools to provide supplemental services to English Language Learners (ELLs) who were either not funded via the 2008-09 Fair Student Funding ELL allocations and/or who enrolled at the school after October 31, 2008.

New small schools with a positive variance in the number of ELLs will receive funding on an ELL FSF per capita basis of \$1,974 for grades 6-12, and \$1,578 for grades K-5. All other schools that have had increases in enrollment of 30 or more ELLs are funded on a per capita basis of \$605 for each additional ELL.

2008-09 ELL enrollments per school were calculated based on BESIS data as of December 16, 2008.

For New Small Schools with a positive variance in the number of ELLs

- The allocation was based on the difference between the number of ELLs funded in the 2008-09 FSF formula and 2008-09 ELL enrollment.
- For schools that did not receive funding for ELL students prior to this allocation, additional ELL students were funded based on the ELL FSF 2008-09 formula.

For all other schools with increases in ELL enrollment of 40 or more:

- The allocation was based on the difference between 2007-08 ELL enrollments and 2008-09 ELL enrollments.
- For schools that did not receive funding for ELL students prior to this allocation, additional ELL students were funded based on a per capita basis of \$605.

A list of funded schools is attached, along with numbers of additional ELL students by grade span. All allocations will be made through the following allocation categories: [TL Fair Student Funding](#) and [TL Fair Student Funding HS](#)
