SCHOOL ALLOCATION MEMORANDUM NO. 65, FY09

DATE: October 16, 2008

TO: **COMMUNITY SUPERINTENDENTS, INTEGRATED SERVICE CENTERS
AND SCHOOL PRINCIPALS**

FROM: Susan Olds, Executive Budget Director

SUBJECT: **DESIGN YOUR OWN (DYO) PERIODIC ASSESSMENT ALLOCATIONS**

Through the Design Your Own assessment initiative (DYO), the Department of Education (DOE) is providing funding to schools across School Support Organizations to support innovative assessment activities. The initiative assists schools in developing and using their own assessment techniques and tools to achieve the educational objectives of the Office of Accountability's Periodic Assessment Program.

Design Your Own Assessments

School principals had the opportunity to choose the combination of DOE-provided periodic assessments that best meet the unique instructional needs of their school communities. The Design Your Own program allows schools that require a different approach to develop their own assessments or build on existing school-specific assessments, including qualitative, portfolio, and rubric-based assessments. All DOE schools, grades K-12, were eligible to apply to use DYO assessments for all of their periodic assessments or to use DYO assessments in combination with DOE-provided periodic assessments.

One hundred and ninety-one schools are approved to receive DYO funding either to design their own assessments or to renew their DYO authorization from the 2007-2008 school year. Schools receiving funding went through an intensive application process.

Funds are specifically targeted toward the schools' design, implementation, interpretation, and communication of assessments and results. The allocation is conditioned on schools' complying, whenever applicable, with the requirements set forth in the Office of Accountability's DYO application.

The attached table displays the allocation for each school that was selected for the DYO initiative. Funds should be scheduled in the allocation category **TL DYO Assessment** and **TL DYO Assessment CW**.

Attachment: allocation table
