OFFICE OF THE CHIEF FINANCIAL OFFICER
52 Chambers Street, New York, NY 10007

SCHOOL ALLOCATION MEMORANDUM NO. 38, FY10

DATE: July 02, 2009

TO: **COMMUNITY SUPERINTENDENTS, HIGH SCHOOL SUPERINTENDENTS, INTEGRATED SERVICE CENTERS AND SCHOOL PRINCIPALS**

FROM: George Raab - Chief Financial Officer

SUBJECT: **SPECIAL EDUCATION LEAD TEACHER ALLOCATION**

The Lead Teacher-Special Education Program's purpose is to attract and retain high quality teachers that serve students with disabilities within our schools, in particular, high-need and new middle and high schools, as a means to develop the skills of teachers in that school and to raise academic outcomes for students with disabilities.

What is a Lead Teacher-Special Education?

Lead Teachers-Special Education split their time between regular classroom teaching assignments and providing professional support to teaching staff. A Lead Teacher-Special Education will teach three regular classes per day and provide professional support to teaching staff three periods per day. They will receive a duty-free lunch period and a preparation period each day.

Lead Teachers-Special Education will work the five weekdays prior to the start of the work year for teachers and four hours per month outside of the normal workday, Lead Teachers-Special Education will receive a bonus of \$10,710 per year in addition to their regular salary. Aside from the supplemental salary, the Lead Teachers-Special Education will not receive additional compensation for the five workdays and the four hours per month.

There is an expectation that schools that establish a Lead Teacher-Special Education will see improved teacher retention and improved academic outcomes as evidenced by standardized test scores, promotion rates and for students in high schools, credit accumulation and graduation rates and gains in the number of students with disabilities moving to less restrictive environments.

The cost of the Lead Teacher-Special Education will be split equally between central and the school. This allocation covers 50% of the cost of lead teacher's salary plus bonus. Allocations have been placed in the "[TL Lead Teacher Special Ed](#)" allocation category.
