SCHOOL ALLOCATION MEMORANDUM NO. 69, FY10

DATE: November 6, 2009

TO: **COMMUNITY SUPERINTENDENTS, HIGH SCHOOL SUPERINTENDENTS, INTEGRATED SERVICE CENTERS AND SCHOOL PRINCIPALS**

FROM: Ling Tan, Executive Director

SUBJECT: **TEACHERS COLLEGE READING AND WRITING PROJECT (TCRWP) PERIODIC ASSESSMENT ALLOCATION**

As part of the Periodic Assessment program, schools across School Support Organizations were given the option to select Teachers College Reading and Writing Project Assessments as part of their Periodic Assessment selections for grades K-8 in English Language Arts. Schools that selected TCRWP will receive funding to assist them in developing and using assessment techniques and tools to achieve the educational objectives of the Division of Accountability and Achievement Resources' Periodic Assessment Program.

TCRWP 3-8 Assessments

This assessment option includes one Predictive Assessment offered by CTB/McGraw-Hill and two running record assessments designed by the Teachers College Reading and Writing Project. This blended approach provides important information that will measure student achievement according to New York State ELA standards, particularly in reading accuracy, fluency, and comprehension. Together, this set of assessments gives educators data to help them with instructional decisions throughout the school year.

One hundred and sixty-five schools will receive funding for the Predictive/TCRWP Assessment Package during the 2009-10 school year. All DOE schools, grades 3-8, were eligible to select these assessments as part of their ELA Periodic Assessment plan instead of utilizing another formative assessment (e.g. Acuity Instructionally Targeted Assessments, Performance Series) in ELA. Schools using the assessments for students in grade 3 and above will receive \$1,200 to help support their use of the TCRWP assessments.

TCRWP K-2 Assessments

The TCRWP K-2 assessments, which include abbreviated concepts-of-print assessments for emergent readers, a letter-sound identification assessment, an assessment of sight vocabulary for emergent readers, and running records with comprehension questions, allow teachers to channel children toward texts at productive instructional and independent reading levels, and to monitor students' growing abilities to read with fluency, accuracy and comprehension.

One hundred and eighty-nine schools will receive funding for the TCRWP K-2 assessments during the 2009-10 school year. All DOE schools, grades K-2, were eligible to select this package for their Periodic Assessment plan instead of ECLAS-2, Fountas and Pinnell Benchmark Assessment System, or Developmental Reading Assessment (DRA). Schools using the assessments in grades K-2 will receive \$750 to help support their use of the TCRWP assessments.

Funding Allocation

Funds are specifically targeted toward the schools' implementation, interpretation, and communication of assessment materials and results. The allocation is conditioned on schools' complying, whenever applicable, with the requirements set forth in the Division of Accountability and Achievement Resources' ***TCRWP 3-8 Assessments*** and ***TCRWP K-2 Assessments*** descriptions.

The attached table displays the allocation for each school that selected the TCRWP Assessments. A total of two hundred and twenty-nine schools will receive funding for the TCRWP K-2 assessments, the 3-8 assessments, or both. Funds should be scheduled in the allocation category **TL DY0 Assessment**.
