## SCHOOL ALLOCATION MEMORANDUM NO.90, FY10

**DATE:** April 1, 2010

**TO:** **COMMUNITY SUPERINTENDENTS, HIGH SCHOOL SUPERINTENDENTS, INTEGRATED SERVICE CENTERS AND SCHOOL PRINCIPALS**

**FROM:** Annie Finn, Director of School Budget Planning and Operations

**SUBJECT: INSTRUCTIONAL SOLUTION SHARING GRANT ALLOCATION**

---

### Instructional Solution Sharing Grant

The Office of Knowledge Sharing will award \$3000 to networks that demonstrate that a school or group of schools in their network have engaged in inquiry work to identify a solution to an instructional challenge that improves student achievement.

The purpose of the grant is to reward schools for their solution and to provide funds to the network to share the instructional solutions among the network schools.

### Funding

At least \$1800 of the grant will be awarded to the school or schools, and the remaining dollars will support the network's plan to share the instructional solution with all of their schools. Because of today's deadline to purchase equipment, Networks may purchase equipment that the school will use and therefore transfer less than \$1,800. It is acceptable then that networks transfer no money to the school. The allowable cost factors will include:

- Supervisor Per Session
- Principal Per Session
- Teacher Per Session
- Guidance Counselor Per Session
- Prep Period Coverage/Per Diem
- Unrestricted OTPS purposes to purchase supplies and materials, equipment, professional services, etc.

The attached table lists the 15 participating schools and shows each school's allocations. Funds should be scheduled in the allocation categories **TL Quality Reviews**. District 75 schools should schedule funds in **TL Instructional Programs CW**.

***Funds can only be used for the current fiscal year and can not be rolled to next fiscal year.***
