SCHOOL ALLOCATION MEMORANDUM NO.71 FY11

DATE: February 16, 2011

TO: **COMMUNITY SUPERINTENDENTS, HIGH SCHOOL SUPERINTENDENTS, CHILDREN FIRST NETWORKS, AND SCHOOL PRINCIPALS**

FROM: Annie Finn, Director of School Budget Planning and Operations

SUBJECT: **SAFE SCHOOLS INITIATIVE**

The NYC Department of Education Office of School and Youth Development (OSYD) will support a cadre of high need schools to achieve improved student behavioral outcomes so that each school provides a safe and supportive environment in which students can achieve academic success. Schools will be identified for support based on the following criteria:

- *schools identified as Persistently Dangerous;*
- *schools designated as Impact schools;*
- *schools that may be identified as potentially dangerous based on a review of 2009-2010 school incident data;*
- *schools that are high need based on a review of 2009-2010 school incident data and current 2010-2011 trends;*

Identified schools will receive services and/or funds for professional development and direct services to students. Professional development is expected to build the capacity of school personnel to sustain long term improved school tone and culture beyond the time frame of this initiative. Direct services to students may be provided by internal school staff or external community-based organization partners for social/emotional learning to build their capacity in conflict resolution skills, anger management, positive relationships with peers and adults, and respect for diversity. Program designs will be developed at the respective schools in partnership with OSYD.

Tax Levy funds directly allocated to a school's budget will be placed in the **"TL SAFE SCHOOL"** allocation category. Schools should schedule their allotment in accordance with their approved program proposal.
