SUBJECT: Success Via Apprenticeship (SVA) Program

The Success Via Apprenticeship (SVA) program, formerly known as the Substitute Vocational Assistant program is a program designed to provide a supported pathway for high school graduates to pursue a professional teaching career. The program also serves to provide skilled career and technical education (CTE) teachers to existing CTE programs throughout New York City. The program has two components: three years of occupational work experience and two years of classroom teacher training. College study leading to a Provisional Teaching Certificate is also provided. In addition, participants are required to commit to work in the NYC school system as a CTE teacher for an additional five years after completing the program.

The SVA program is supported by the Vocational and Technical Education Act (VTEA) and Tax-Levy funds. For interns funded through VTEA, the allocation includes salary and fringe. This SAM releases the list of each school's allotment, number of interns (full-time equivalents) and the funding source.

When scheduling funds, schools supported by Tax Levy funds, use allocation category **TL SVA HS** and schools supported by VTEA funds use allocation category **VATEA SVA**.
