**DATE:** March 9, 2012

**TO:** Community Superintendents

**FROM:** Michael Tragale, Chief Financial Officer

**SUBJECT:** **FY12 Title I Schools In Need of Improvement Grant (SINI)**

---

This memorandum provides information about resources for Title I Schools in Improvement Status as identified by the New York State Education Department in November 2011, based upon 2010-2011 School Year data. Each eligible school is provided with an allocation as outlined in the 2011-12 Title I School Improvement Section 1003(a) Grant, based upon the School Accountability Status it carries for the 2011 - 12 school year. The Title I allocations under this fund source will provide supplementary resources to support school improvement efforts and intervention strategies implemented under the Differentiated Accountability System of New York State, as approved by the United States Department of Education, authorized by the No Child Left Behind Act (NCLB) of 2001. The grant period of this funding is from September 1, 2011 through August 31, 2012. An eligible school is one that is in Improvement, Corrective Action, or Restructuring Status, receives Title I Part A funding, and was not designated as a Persistently Lowest Achieving School (PLA) during the 2010-11 school year, or is phasing out, closing, or has closed.

Each eligible school receives an allocation of \$20,000/school.

Under Differentiated Accountability rules, schools undergo certain required interventions at various stages along the continuum of accountability designations. Schools in Improvement Status normally undergo a School Quality Review (through NYSED administration – not to be confused with the NYC Quality Review). Corrective Action schools undergo the ESCA, and Restructuring schools receive a Joint Intervention Team Review (JIT). Costs associated with the implementation of these interventions (in selected schools only) will be covered through the Central NYCDOE, and all eligible schools will be able to use their entire allocations for school-based decision-making in support of their goals for school improvement as outlined in the school's Comprehensive Education Plan (CEP) or Restructuring Plan, consistent with any findings and recommendations reported to the school as a result of direct interventions already implemented.

In order to obtain the funds, the school will complete a *2011-2012 Title I SINI Grant School Chart* which describes the appropriate use of funds. Each school has been or will be notified through the Office of School Improvement (OSI) of its' individual accountability status; the area(s) in which the school is identified; steps that must be taken for parental notification; and information about attestations and activities that are required under NCLB. The template of the required *2011-2012 Title I School Improvement Grant* chart describing use of funds will be provided to the school by OSI through the School Improvement Liaison and/or through Principals' Weekly.

Steps for approval of the *2011-12 Title I SINI Grant School Chart* include:

- School Leadership Team meets to discuss allocation; team reviews CEP goals and objectives; reviews any findings/recommendations from previous Differentiated Accountability interventions; reviews Accountability and Overview Report; reviews all other pertinent data sources including Language Acquisition Policy (LAP); Quality Review; Progress Report; Inquiry Team findings; Learning Environment Survey; and other sources to inform the appropriate use of funds for the subgroups not making adequate-yearly-progress (AYP).
- School prepares the *2011-2012 Title I SINI Grant School Chart*, indicating activities and programs and costs used specifically to support one of the following: CCSS, DDIS or APPR activities. This funding no longer allows for the use of the grant to fund initiatives which call for additional instructional time unless specifically stated in documentation from previous intervention reports, such as the ESCA or JIT and referenced accordingly in the grant chart. In addition, computer hardware is also not allowed under this grant. Summer 2012 activities are allowable in this grant (through August 31, 2012). However, schools are reminded that summer use funds must be deobligated and reobligated in spring 2012 in order for these funds to be available.
- School submits the completed chart for review to both the CFN Network Leader and School Improvement Liaison assigned to the school. The Senior Grants Officer or CFN Grants Liaison will assist with scheduling the funds in the allowable Title I Cost factors (approved lines and object codes). The plans will be archived by the School Improvement Liaison

The School Chart was due to the SSIL and the Network Leader no later than February 14, 2012. Questions about this grant can be directed to Elizabeth Iadavaia, Senior Director of the Office of School Improvement, at [eiadava@schools.nyc.gov](mailto:eiadava@schools.nyc.gov)

This allocation will be placed in Galaxy in the following allocation categories:
