

## SCHOOL ALLOCATION MEMORANDUM NO. 70, FY 13

**DATE:** October 18, 2012

**TO:** Community Superintendents  
High School Superintendents  
Children First Networks  
School Principals

**FROM:** Michael Tragale, Chief Financial Officer

**SUBJECT:** Priority and Focus School Allocations

---

### **ESEA Flexibility Waiver**

In September 2011, the Federal government announced an ESEA regulatory initiative, inviting states to request flexibility regarding specific requirements of the No Child Left Behind Act of 2001 (NCLB) in exchange for state-developed plans designed to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. **NYSED received approval from the U.S. Department of Education (USDE) for its flexibility waiver request**, authorizing New York State to revise its accountability system and provide schools across New York State with flexibility in aligning resources to increase student outcomes. For additional information regarding specific provisions waived please visit: <http://www.p12.nysed.gov/esea-waiver/>

The waiver replaces the previous identification system and categories (PLA, Restructuring, Corrective Action, In Need of Improvement, In Good Standing, Rapidly Improving, and High Performing) with the new categories of Priority Schools, Focus Districts and Focus Schools, Local Assistance Plan Schools, Recognition Schools, and Reward Schools, using a new identification process. According to state rules, the identification of Priority, Focus, and Reward Schools is based on data from the **2010-11 school year and prior**.

Effective from 2012-13 through 2014-15, the new system introduces more realistic performance targets and puts greater emphasis on student growth and college- and career-readiness, which also aligns with the Chancellors' priorities.

**The ESEA waiver grants flexibility in the following areas:**

- 2013-14 Timeline for All Students Becoming Proficient
- School and District Improvement Requirements
- Highly Qualified Teacher Improvement Plans
- School-wide Programs
- Use of School Improvement Grant Funds
- Twenty-First Century Community Learning
- Determining Annual Yearly Progress (AYP) for each school and district (optional)
- Rank Order

**This flexibility also releases all schools from the requirement of setting aside 5% and 10% of their allocation to support the highly qualified and professional development mandates.** It allows schools the opportunity to align resources and design programs that meet the specific needs of students to increase outcomes.

**Allocation and Requirements**

As per the ESEA Flexibility waiver, the allocation for Priority and Focus Schools is based on the county provisions and county allocations for New York City. The percentages required to be set aside for Priority and Focus school range from 5% to 9%. Four of the five counties were identified as having a need under the new regulations. The per capita for each county is as follows:

<b>Borough</b>	<b>Manhattan</b>	<b>Bronx</b>	<b>Brooklyn</b>	<b>Queens</b>	<b>Staten Island</b>
<b>Per Capita</b>	\$277.96	\$242.33	\$257.86	\$281.96	N/A

The Title I Priority and Focus school allocation must support program and activities mentioned in the School Comprehensive Education Plan (SCEP). Allowable activities appear in Appendix A. Schools will also need to identify the allowable activities with each item scheduled in Galaxy, as indicated in more detail below.

**Parent Involvement**

Priority and Focus Schools that received Title I Part A must continue to set aside 1% of their school's allocation to support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the parent involvement policy and aligned with student achievement goals in the comprehensive education plan.

A school-wide program (SWP) is based on a comprehensive school-wide program plan designed collaboratively at the school level to improve instruction. In addition to providing challenging content, the school-wide program plan incorporates intensive professional development for staff and collaboration, where appropriate, with community organizations to strengthen the school's program.

### **Parent Engagement**

Focus and Priority schools that received Title I Part A must also set aside 1% of their Title I Focus and Priority School allocation for Parent Engagement programs. Non-Title I Priority and Focus Schools will receive support for parent activities based upon 2% of a school's estimated poverty costs utilizing the same rate as their borough Title I per capita, to provide for the base 1% Parent Involvement and 1% Parent Engagement mandates.

The primary objective of this additional set aside is to enable greater and more meaningful parent participation in the education of their children. To this end, we have identified these Partnership Standards for School and Families which define parent engagement and provide guidance to schools and families in building partnerships that lead to greater student success. These allowable activities may be supported with the set-aside requirement and include:

- **Fostering Communication:** School and families engage in an open exchange of information regarding student progress, school wide goals and support activities.
- **Encouraging Parent Involvement:** Parents have diverse and meaningful roles in the school community and their children's achievement.
- **Creating Welcoming Schools:** Creating a welcoming, positive school climate with the commitment of the entire school community.
- **Partnering for School Success:** School engages families in setting high expectations for students and actively partners with parents to prepare students for their next level.
- **Collaborating Effectively:** School community works together to make decisions about the academic and personal growth of students through school wide goals. School fosters collaborations with community-based organizations to create a vibrant, fulfilling environment for students and families.

These standards are also consistent with the sixth tenet on parent engagement. Beginning this year, schools will have an opportunity to receive training through Parent Academy which is designed to build and enhance capacity within our school communities for effective home-school partnerships and will feature borough-wide training sessions for families. For more information about Parent Academy, please visit the Department's website at [www.nycparentacademy.org](http://www.nycparentacademy.org) and/or contact the Division of Family and Community Engagement at (212) 374-4118.

### **Public School Choice**

Public School Choice is required for all Priority and Focus Schools. LEA's must provide all students in identified schools with the option to transfer to another public school in good standing, and provide/pay for transportation to the receiving schools. A child who transfers may remain in the receiving school until the child has completed the highest grade in that school.

### **Supplemental Education Services**

The NYCDOE will no longer provide Supplemental Education Services (SES). Schools that choose to provide academic remediation can select from an array of contracted vendors, including those that provide expanded learning time.

If a school chooses to provide expanded learning time to students, they would use the Multiple Task Award Contract (MTAC) utility to get the best vendor for their needs. Using the MTAC utility schools would:

- Solicit “bids” from providers whose programs meet the needs and goals of their school. The solicitations would articulate the desired program design, students served, services needed, start and end dates and schedules.
- Find providers interested in working with their school. Providers would respond by submitting a proposal outlining the services they can give to the school and how the services will be rendered.
- Use the utility’s prescribed rating sheet to document their selection.
- Once the providers have been selected and a purchase order has been issued, schools would notify the Division of Contracts and Purchasing as to the provider, program and schedule that has been arranged so that fingerprinting and other requirements will be managed centrally.
- All services will be offered on school property; vendors will be required to budget and pay for extended use and security as required.

A list of ELT vendors can be found in **Appendix C.**

In addition to implementing an Expanded Learning Time programs, schools can create programs aligned to the allowable activities. These services can also be procured using the MTAC process.

### **Galaxy Requirements**

As funds are scheduled, schools will need to select one of the brief activity descriptions summarized on the list below in the “Program” drop-down field in Galaxy. This will demonstrate compliance with allowable activities, as described in detail in Appendix A.

- PF Common Core State Standards
- PF NYS Standards and Assessments
- PF Positive Behavior Management Programs
- PF Response to Intervention (RTI)
- PF Career and Technical Education (CTE)
- PF Academic Intervention Services (AIS)
- PF Advance Placement/International Baccalaureate (AP/IB)
- PF Advance International Certificate of Education (AICE)
- PF International General Certificate of Secondary Education (IGCSE)
- PF College and Career Readiness
- PF Expanded Learning Time
- PF Inquiry Teams
- PF Parent Engagement
- PF Supporting Great Teachers and Leaders

**Supplemental Compensation:**

Schools can provide supplemental compensation to support:

- Per session activities
- Training rate
- Hiring F-status staff
- Prep period coverage
- Per Diem

Payments to staff must be done in accordance with collective bargaining agreements, and are processed through the regular bulk job and timekeeping system. Refer to **Appendix A: Allowable Activities for Improvements List of Allowable Activities for Improvement Set-Aside Requirement, Section D: Great Teachers and Leaders** for detailed examples of allowable services.

**School Comprehensive Education Plan (SCEP)**

Priority and Focus Schools are required to construct a School Comprehensive Education Plan (SCEP). The SCEP will be submitted as part of the District Comprehensive Improvement Plan (DCIP) that addresses all of the tenets outlined in the Diagnostic Tool for School and District Effectiveness (DTSDE).

Required school plans should be based on the findings and recommendations contained in the most recent School Quality Review (SQR), External School Curriculum Audit (ESCA), School Curriculum Readiness Audit (SCRA), Joint Intervention Team (JIT), and/or Persistently Lowest Achieving (PLA) reports. Priority and Focus schools must also develop an action plan incorporating the goals and activities of the Quality Improvement Process (QIP), if any, related to improvement activities for the subgroup of students with disabilities

Prior to completing the SCEP, the school should conduct a needs assessment by evaluating the recommendations from all of the most recent school level reports. Recommendations should be organized according to the Six Tenets and programs and services from the list of allowable school improvement activities, which align the six tenets and the statements of practice that are embedded in the Diagnostic Tool for School and District Effectiveness. **Refer to Appendix B: Six Tenets of the SCEP** for detailed examples of the tenets.

The Priority and Focus School allocations will be placed in Galaxy in the following allocation categories:

- **Title I Priority/Focus SWP**
- **Title I Priority/Focus SWP Parent Engage**
- **Title I Priority/Focus TA**
- **Title I Priority/Focus TA Parent Engage**
- **Priority/Focus Non-Title I**
- **Priority/Focus Parent Engage Non-Title I**

Budgets must be scheduled in Galaxy by **November 9, 2012**

<b>1.5, 3.5, 4.5</b>	Development of local formative and summative assessments across all grade levels and subject areas, consistent with New York State Standards, the provisions of Education Law § 3012-c, related to academic intervention services and applicable Commissioner's regulations (Title II A funds NOT ALLOWED).
<b>1.4, 2.1</b>	Professional development for teachers (and their principals/ instructional supervisors) who will implement CTE courses in which increased percentages of historically underserved students will enroll. (Title I funds NOT ALLOWED).
<b>1.2, 2.4</b>	Equipment and other curricular materials for CTE courses used by teachers in which increased percentages of historically underserved students will enroll (Title I funds NOT ALLOWED).
<b>1.4, 2.1</b>	Training and professional development for teachers (and their principals/instructional supervisors) who will implement Advanced Placement (AP), International Baccalaureate (IB), and/or Cambridge (Advanced International Certificate of Education [AICE] or International General Certificate of Secondary Education [IGCSE]) courses in the subjects for which, as of September 30, 2010, NYSED has approved an alternate assessment pursuant to 8 NYCRR §100.2(f), in which increased percentages of historically underserved students will enroll (Title II A ONLY).

1.4, 2.1	Virtual/Blended AP, IB, and/or Cambridge (AICE or IGCSE) courses and related training and professional development for teachers (and their principals/instructional supervisors) in the subjects for which, as of September 30, 2010, NYSED has approved an alternative assessment pursuant to 8 NYCRR §100.2(f), in which increased percentages of historically underserved students will enroll. (Title II A ONLY)
1.5, 3.5	Training in the use of data systems, aligned course sequences and early college and career school models, between post-secondary institutions and P-12 systems (Title II A ONLY).

2.4, 3.4	Costs associated with professional development and planning for teachers (and their principals/ instructional supervisors) and state approved partner organizations who will implement Expanded Learning Time (ELT) opportunities that may include art, music, remediation and enrichment programs.
2.4, 5.1	Costs associated with implementing ELT programs that improve student academic, social, and emotional outcomes, in which increased percentages of historically underserved students will enroll.
2.4, 3.3	Costs related to providing academic intervention services as well as costs associated with creating professional development for all teachers working with English Language Learners, on research-proven strategies for those students; costs associated with hiring additional staff to develop or expand programs for English Language Learners or targeted programs for high-needs English Language Learners such as Long-term ELLs, SIFE, or ELLs with disabilities; costs associated with integrating bilingual instruction into ELL programs; costs associated with materials that promote English and native language development (Title I and Title III only).
1.2, 2.4	Costs associated with operating a preschool program for eligible children consistent with Title I requirements (see USDE's April 16, 2012 non-regulatory guidance regarding the use of Title I, Part A funds to serve preschool children).
<b>Section C: Data Systems</b>	
1.2, 1.5, 2.4	Costs associated with implementing school-based Inquiry Teams as defined in the state's RTTT application.
<b>Section D: Great Teachers and Leaders</b>	
1.1, 2.5	Costs associated with training/certifying teacher evaluators, instructional coaches, teacher leaders etc in conducting evidence based observations using the District's teacher practice rubric, training in coaching and feedback on instructional practice, and developing/assessing student learning objectives as part of teacher evaluation system.
1.2, 2.5	Costs of training for and/or hiring of internal/external trained evaluators to conduct teacher observations and complete the processes for HEDI documentation and recommendations for teacher professional growth as indicated (Title II A only).
1.2, 2.4	Provision of supplemental compensation, consistent with local collective bargaining agreements, through a career ladder program, to highly effective teachers providing academic intervention services in hard-to-staff subjects or specialty areas in high-needs schools who mentor, coach, or provide professional development to student teachers, new teachers, or teachers rated as ineffective, developing, or effective in high-needs schools.

<p><b>1.2, 2.4</b></p>	<p>Provision of supplemental compensation, consistent with local collective bargaining agreements, for teachers providing academic intervention services through a career ladder program, to effective or highly effective teachers in hard-to-staff subjects or specialty areas who transfer from low- or moderate-needs schools to high-needs schools.</p>
<p style="text-align: center;"><b>Section E: Turning Around Lowest-Performing Schools</b></p>	
<p><b>All tenets</b></p>	<p>Implementation of one of the four school intervention models (turnaround model, restart model, school closure, or transformation model) and the Secretary’s turnaround principles, consistent with the requirements of the New York State SIG application and the State’s theory of action of intervening and supporting low-performing districts and schools (Title I Sections 1003(a) and (g), Title II A, Not allowable for Charter Schools).</p>
<p><b>All tenets</b></p>	<p>Supporting LEA and State-approved partner organization arrangements (EPO, CMO, charter school operator) planning activities for implementation of one of the four school intervention models or a whole-school change model aligned with the Secretary’s turnaround principles in the year following school re-design (Title I Sections 1003(a) and (g), Title II A, Not allowable for Charter Schools).</p>
