FROM: Michael Tragale, Chief Financial Officer

SUBJECT: New School Transitional Bilingual Education (TBE) and Dual Language (DL) Program Support

The central goal of the Chancellor's *Children First* initiative is to ensure students graduate high school prepared for college and careers. In order to meet this goal for all of our students, including students who may not be native English speakers, the DOE is committed to providing financial support for the creation of high quality programs for English Language Learners (ELLs). This memorandum provides resources to (1) new schools that are launching new Transitional Bilingual Education (TBE) and/or Dual Language (DL) programs for the 2013 – 2014 school year, and (2) new schools designed specifically to address the needs of ELLs. The goal of these programs is to support English-language proficiency for non-native English speakers in these new school settings.

This allocation is intended to allow these schools to establish a position dedicated to the implementation of a new TBE and/or DL program. This position will work with ELL Curriculum Specialists, Compliance, and Performance Specialists from the Office of ELLs in the implementation of the program. Funding support is 100% Tax Levy. In situations where the average teacher salary is less than the allocation, the school may apply the remaining funds to other related OTPS or PS needs.

Each new school will receive an allocation of \$65,000.

A list of funded schools is attached along with type of program.

Funds have been placed in the **TL ELL Coordinator** allocation category.
