

SCHOOL ALLOCATION MEMORANDUM NO. 89, FY 14

DATE: October 22, 2013

TO: Community Superintendents
High School Superintendents
Children First Networks
School Principals

FROM: Michael Tragale, Chief Financial Officer

SUBJECT: Safe Schools Initiative

The Office of Safety and Youth Development (OSYD) will support a cadre of high need schools to achieve improved student behavioral outcomes so that each school provides a safe and supportive environment in which students can achieve academic success.

Schools were identified for support based on the following criteria:

- ❖ *schools identified as Persistently Dangerous;*
- ❖ *schools designated as Impact;*
- ❖ *schools that are high need based on a review of 2011-2012 and 2012-2013 incident data and current 2013-2014 trends; and*
- ❖ *schools identified as in need for prevention and/or intervention measures.*

The identified schools are receiving funds for professional development and direct student services. Professional development is expected to build the capacity of school personnel to sustain long-term improved school tone and culture beyond the time frame of this initiative. Direct services to students will be provided by external community-based organization partners for social/emotional learning to build their capacity in conflict resolution skills, anger management, promoting school-wide positive relationships with peers and adults, and respect for diversity or to provide students with individual and/or small group counseling. Program designs will be developed at the respective schools in partnership with OSYD and submitted to Lois Herrera for approval.

In addition, District 60 will receive \$53,850 to support schools with capacity building professional development to implement restorative approaches, including follow up school-based coaching and implementation. The sessions are scheduled either after-school or on Saturdays. The D60 allocation covers the cost of purchasing professional development services from contracted vendor(s) and compensating the school-based staff for participating in the training, in accordance with collective bargaining agreements

Tax Levy funds directly allocated to a school's budget will be placed in the **TL SAFE SCHOOL** allocation category. Schools should schedule their allotment in accordance with their approved program proposal.

Allocations are provided on Table 1 below.
