**DATE:** June 3, 2014

**TO:** Community Superintendents  
 High School Superintendents  
 Children First Networks  
 School Principals

**FROM:** Raymond J. Orlando, Chief Financial Officer

**SUBJECT:** Beacon Program

The Department of Youth and Community Development (DYCD) has been administering Beacon Programs since 1991. Beacon programs operate in approximately 80 NYC public schools 15 of which also host Administration for Children's Services (ACS) foster care prevention programs. These programs provide youth and families with challenging and engaging structured activities during and after the school day; evening and weekends. Beacon programs provide services in the following core areas: academic enhancements, life skills, career awareness/school-to-work transition, civic engagement/community building, recreation/health and fitness and culture/art activities. The current allocation provides resources to cover after school custodial costs for extended use of school facilities associated with utilizing school buildings.

Extended use allocations for the Beacon program are being placed in the Office of School Support and Supervision (OSSS) location code. The attached table displays a list of the participating schools. Extended use funding is provided by DYCD via an intra-city transfer. CBO providers are selected and paid by the DYCD. Funds are being placed into the **Beacon** allocation category.
