FROM: Raymond J. Orlando, Chief Financial Officer

SUBJECT: Success via Apprenticeship (SVA) Program

The Success via Apprenticeship (SVA) program is designed to provide a pathway for high school graduates to pursue a professional teaching career. The program also serves to provide skilled career and technical education (CTE) teachers to existing CTE programs throughout New York City. The program has two components: three years of occupational work experience and two years of classroom teacher training. College study leading to a Provisional Teaching Certificate is also provided. In addition, participants are required to commit to work in the NYC school system as a CTE teacher for an additional five years after completing the program.

The SVA program is supported by the Vocational and Technical Education Act (VTEA) and Tax Levy funds. For interns funded through VTEA, the allocation includes salary and fringe. This SAM releases the list of each school's allotment, number of interns (full-time equivalents) and the funding source.

When scheduling funds, schools supported by Tax Levy funds use allocation category **TL SVA HS** and schools supported by VTEA funds use allocation category **VATEA SVA**.

Any program accruals will be recouped by the Budget Office and reallocated accordingly based on a re-evaluation of need by the SVA Program Director.
