DATE: September 22, 2014

TO: Community Superintendents
High School Superintendents
Children First Networks
School Principals

FROM: Raymond J. Orlando, Chief Financial Officer

SUBJECT: Learning Partners Program – Teacher Leadership

The Learning Partners Program (LPP) brings schools together to share exemplary practices that directly impact children in their classrooms. The program spans across all five boroughs and develops and promotes interschool collaborative learning between sets of host schools and partner schools. These partnerships are meant to strengthen all schools involved and produce strong practices to share system-wide. Host schools are identified as having a particular expertise that will benefit the designated partner schools.

LPP schools have the opportunity to select centrally-screened qualified teachers to take on the new collectively-bargained Model Teacher positions. Model Teachers take on additional responsibilities to support the instructional practice of other teachers in their school.

The allocation for SY 2014-2015 supports the payment of the salary differential for these new positions. Model Teachers receive a \$7,500 salary differential, which is annualized in each paycheck over the course of the school year.

Schools are receiving funding to select up to three (3) Model Teachers and will receive \$22,500 to cover the cost of the salary differential for these positions. Funds may only be used to cover this salary differential.

Over the summer, a joint central application and interview process was held in partnership with the UFT in which teachers were pre-screened and entered into a Qualified Candidate Pool. Some schools may have already selected these teachers to take on Model Teacher positions and can begin to use this funding immediately. Other schools receiving this funding do not currently have qualified Model Teachers to select from and may not immediately use this funding. The DOE and UFT are holding a fall selection cycle whereby teachers from LPP schools may apply and be entered into the Qualified Pool of Candidates. By October 20th, principals will have the opportunity to select teachers from their school who have been entered into this Candidate Pool.

If schools do not end up using the full allocation to staff these roles, it will be revised in early November based on the total number of appointed Model Teachers following the fall selection process.

Allocation amounts for each school can be viewed in the attached table. In order to use these funds, all Model Teachers must be staffed on each school's Table of Organization. Please work with your CFN to staff these positions in the new allocation category. The funds for this allotment will be placed in the allocation category, "**TL Teacher Leadership Learning Partners**", "**TL Teacher Leadership Learning Partners CW**" or "**TL Teacher Leadership Learning Partners HS**".

The LPP program is managed by the Office of Inter-School Collaborative Learning. Programmatic information on the Model Teacher positions is provided by the Office of Teacher Recruitment and Quality within the Division of Operations. For any questions regarding this allocation, please contact Jeremy Walter at JWalter2@schools.nyc.gov.
