SUBJECT: Regents Distributed Scoring

In accordance with NYSED policy, the NYC DOE will continue to utilize a distributed scoring policy in which teachers cannot score Regents exams of students that attend their school. This policy currently applies to all schools that administer Regents exams in grades 9-12.

Scoring of both the January and June 2015 Regents exams will occur during the school day as well as through a centrally administered per session activity to take place after school and on weekends. Resources will be provided to 41 school locations that have volunteered to serve as a host site for distributed scoring of Regents exams. To better plan for scoring activities, a number of schools have agreed to serve as scoring sites for **both** January and June administrations; for these schools, additional funds have been provided.

This allocation is to support scoring of Regents exams at these citywide scoring sites. The allocation may be used to cover per session activities for staff at Regents distributed scoring sites to prepare for scoring, to purchase materials and supplies to support scoring, or for any other use determined by the host school's Principal. For January 2015, participating schools will receive \$2,000 to host a day scoring site, and \$1,000 to host a per session site (schools that host both will receive a total of \$3,000). Sites scheduled to score math and history exams are allotted an extra \$125 which may be used for photocopier or printer supplies to print time sensitive scoring guides. For June 2015, sites will receive \$2,500 to host a day scoring only **or** a per session scoring only site. Schools will receive a total of \$3,500 to host both a day and per session scoring site. The allotments in Table 1 below will be placed in **TL Regents Distributed Scoring**.

Scoring site schools will be expected to provide a detailed account of the use of these funds upon request.
