FROM: Raymond J. Orlando, Chief Financial Officer

SUBJECT: Priority and Focus School Allocations

ESEA Flexibility Waiver

In September 2011, the federal government announced an ESEA regulatory initiative, inviting states to request flexibility regarding specific requirements of the No Child Left Behind Act (NCLB) of 2001 in exchange for state-developed plans designed to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. The **New York State Education Department (NYSED) received approval from the U.S. Department of Education (USDOE) for its flexibility waiver request**, authorizing New York State to revise its accountability system and provide schools across New York State with flexibility in aligning resources to increase student outcomes. For additional information regarding specific provisions waived please visit: <http://www.p12.nysed.gov/esea-waiver/>

The waiver replaces the previous identification system and categories (Persistently Lowest-Achieving, Restructuring, Corrective Action, In Need of Improvement, In Good Standing, Rapidly Improving, and High Performing) with the new categories of Priority Schools, Focus Districts and Focus Schools, Local Assistance Plan Schools, and Reward Schools.

Effective 2012-13 through 2014-15 (with a renewal request submitted by NYSED to USDOE for 2015-16), the new system introduces more realistic performance targets and puts greater emphasis on student growth and college- and career-readiness, which aligns with the Chancellor's priorities.

The ESEA waiver grants flexibility in the following areas:

- 2013-14 Timeline for All Students Becoming Proficient
- School and District Improvement Requirements
- Highly Qualified Teacher Improvement Plans
- Schoolwide Program (SWP) Eligibility
- Use of School Improvement Grant (SIG) Funds
- Twenty-First Century Community Learning

- Determining Annual Yearly Progress (AYP) for each school and district (optional)
- Rank Order
- Supplementary Educational Services (SES)

This flexibility allows schools the opportunity to align resources and design programs that meet the specific needs of students to increase outcomes. It also **releases all Title I schools from the requirement of setting aside 5% and 10% of their allocation to support the highly qualified and professional development mandates**, though schools must continue to meet the Highly Qualified Teachers Federal mandates.

Allocation and Requirements

As per the ESEA Flexibility waiver, funds are to be reserved for Priority and Focus schools in support of allowable programs and activities approved by NYSED. The Title I reserve is based on the Title I borough appropriation, the number of identified schools in need of improvement as per NYSED’s 2014-2015 accountability designation, and the resulting borough percentages that range from 5% to 8%. Four of the five boroughs were identified as having a need under the new regulation, and the per capita for each borough will remain the same as last year.

Borough	Manhattan	Bronx	Brooklyn	Queens	Staten Island
Per Capita	\$277.96	\$242.33	\$257.86	\$281.96	N/A

Reserves for non-Title I Priority and Focus schools will be based on their poverty count as per the Title I Allocation School Memorandum #8 and the above borough per capita. The allocation must support programs and activities detailed in the School Comprehensive Educational Plan (SCEP), and the allowable activities that appear in Appendix A. Schools will also need to identify the allowable activities with each item scheduled in Galaxy, as indicated in more detail below.

School Comprehensive Educational Plan (SCEP)

All Priority and Focus Schools are required to develop a School Comprehensive Educational Plan (SCEP). The SCEP is aligned with the [Framework for Great Schools](#) and the NYSED Diagnostic Tool for School and District Effectiveness (DTSDE) and will inform the District Comprehensive Improvement Plan (DCIP).

The required school plans should be based on the findings and recommendations contained in the most recent NYSED Integrated Intervention Team (IIT) Review, NYCDOE Quality Review, and other needs assessments.

Parent Engagement

Priority and Focus schools will receive an additional 1% of the Title I allocation for parent engagement activities. The 1% Priority and Focus Engagement set-aside is in addition to their parent involvement set-aside that is described in [Title I School Allocation Memorandum No. 8](#).

The primary objective of this additional set aside is to enable greater and more meaningful parent participation in the education of their children. New York State Education Department (NYSED) in consultation with the New York Comprehensive Technical Assistance Center has identified

Partnership Standards for School and Families which is aligned with the National PTA Standards for effective Parent Engagement. Based on these consultations, NYSED has created a menu of allowable activities to meet the set-aside requirements, which focus on:

- Fostering Communication: School and families engage in an open exchange of information regarding student progress, school-wide goals and support activities.
- Encouraging Parent Involvement: Parents have diverse and meaningful roles in the school community and their children's achievement.
- Creating Welcoming Schools: Creating a welcoming, positive school climate with the commitment of the entire school community.
- Partnering for School Achievement: School engages families in setting high expectations for students and actively partners with parents to prepare students for their next level.
- Collaborating Effectively: School community works together to make decisions about the academic and personal growth of students through school-wide goals. School fosters collaborations with community-based organizations to create a vibrant, fulfilling environment for students and families.

These Partnership Standards are also consistent with the sixth tenet of Family and Community Engagement of the Diagnostic Tool for School and District Effectiveness (DTSDE) and the Framework for Great Schools Element for Strong Family and Community Ties.

Public School Choice

Public School Choice is required for all Priority and Focus Schools. School districts must provide all students in identified schools with the option to transfer to another public school in good standing, and provide/pay for transportation to the receiving schools. A child who transfers may remain in the receiving school until the child has completed the highest grade in that school.

Expanded Learning Time (ELT)

Consistent with its approved ESEA Flexibility Waiver, NYSED requires that Priority Schools offer a minimum of 200 additional student contact hours as Expanded Learning Time (ELT) in addition to the current mandated length of 900 hours of instruction per year (25 hours per week) in grades K-6 and 990 hours of instruction per year (27.5 hours per week) in grades 7-12. NYSED describes ELT activities as enriching educational experiences that happen outside of the traditional classroom and blend skill acquisition, relationship building and fun to foster academic and social-emotional growth in students. Summer learning, afterschool programming, and extended-day ELT models, when well-implemented, play a critical role in supporting students in all grades and ensuring that they graduate from high school, college and career ready.

NYSED's standards for approval of an ELT program in a Priority School are as follows:

- The program must ensure the integration of academics, enrichment, and skill development through hands-on experiences that make learning relevant and engaging.
- The program must offer a range of activities that capture student interest and strengthen student engagement in learning so as to promote higher attendance, reduce risk for retention or drop out, and increase the likelihood of graduation.

- The program must actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.
- The program must contain components designed to improve student academic, social, and emotional outcomes, including opportunities for enrichment programs such as in music and art.
- Instruction in any core academic subject offered in the program must be delivered under the supervision of a teacher who is NYS certified in that particular content area.
- The ELT program may be either voluntary or compulsory. However, if the program is voluntary, its goal must be to serve at least fifty percent of eligible students.
- In Priority Schools that receive School Improvement Grant (SIG) or School Innovation Grant (SIF) funding, an ELT program that is voluntary must be offered to all students with the goal of serving at a minimum fifty percent (50%) of students.
- In Priority Schools that do not receive SIG or SIF funding, an ELT program that is voluntary must be offered to all students eligible for Academic Intervention Services (AIS), with the goal of serving at a minimum fifty percent (50%) of AIS-eligible students.

Important Notes and additional Information:

- **ELT Program Description:** All Priority Schools and Renewal Schools must complete the ELT Program Description section of their SCEP or RSCEP (Section VII) to demonstrate how they are meeting these requirements.
- **Supplemental Educational Services (SES):** As of FY 2012, the NYCDOE will no longer provide Supplemental Educational Services (SES). Priority Schools may choose to provide academic remediation or ELT from an array of contracted vendors. If a school chooses to contract with a vendor to provide ELT, they can use the Multiple Task Award Contract (MTAC) utility to get an appropriate vendor based on their needs.

Galaxy Requirements

As Priority and Focus funds are scheduled, schools will need to select one of the activity descriptions using “Program” drop-down field in Galaxy. This will demonstrate compliance with allowable activities, as described in **Appendix A: List of Galaxy Program Dropdown and Priority and Focus (PF) Allowable Activities**. The scheduling of funds must be aligned with the corresponding goals and action plans for each Framework for Great Schools element as detailed in the SCEP.

As Title I appropriations do not include increases for collective bargaining, tax levy funds will be provided for staff rolled over in Galaxy to FY 2016, and for per session, per diem, prep coverage and F status services scheduled in Galaxy in FY 2015 as of April 20, 2015. Funding for collective bargaining will be placed in the **TL CB School Staff** allocation category. Refer to SAM #39 for details.

The Priority and Focus School allocations, applicable to your school, will be placed in Galaxy in the using the allocation categories (AC) listed below and must be scheduled based on the Galaxy requirements associated with the AC:

Allocation Categories	Galaxy Requirements
Title I Priority/Focus SWP	Total amount tag using PF Program dropdown equals allocated amount <u>using various fund sources that are conceptually consolidated.</u>
Title I Priority/Focus TA Priority/Focus Schools (Non-Title I)	Title I Priority/Focus TA and Priority/Focus Schools (Non-Title I) – funds must only be used for P and F allowable activities and tag using P and F Program dropdown

- Training in the use of data systems, aligned course sequences and early college and career school models, between post-secondary institutions and P-12 systems.

Framework for Great Schools Element: *Strong Family-Community Ties* (w/DTSDE Tenet SOP References)

6.2 – Welcoming environment
6.3 – Reciprocal communication
6.4 – Partnerships, shared decision making & responsibility
6.5 – Use of data: Family & community engagement

Parent Engagement activities are more open and flexible about the possible uses of funds. Funds do not have to be focused on greater parent involvement in the Title I/AIS program. Activities can range from welcoming all families into the school community to parent trainings that are more general in nature.

What are allowable uses of the 1% Parent Engagement funds?

- Parent trainings/workshops to assist them in helping their child succeed academically.
- Literacy Zone Centers
- Professional Development for school leaders and teachers related to working with and building effective parent partnerships.
- Training for parents on working effectively with teachers to enhance student performance.
- Training for parents on building supports for their children, including health and nutrition services.

What are non-allowable uses of the 1% Parent Engagement funds?

- Salaries for district or school personnel to be part of parent committees.
- Charges for building usage (This should be part of district “off-the-top” expenses.)
- Charges for custodial or security (This should be part of district “off-the-top” expenses.)
- Charges for awards, certificates, district or school labeled paraphernalia (e.g., T-Shirts, Book bags, stickers, etc.)
- Salaries or stipends for parents to participate on district or school committees.
- District only sponsored events and activities. Parents, school administrators, and school staff must be given an opportunity to determine what Parent Engagement activities are appropriate to their needs.

Additional guidance and a comprehensive list of allowable activities for the Parent Engagement Set-Aside are available in the June 2013 Field Memo: <http://www.p12.nysed.gov/accountability/memos.html>
