SUBJECT: School's Out New York City (SONYC) – Extended Use Funds

The School's Out New York City Middle School program provides services for youths in 6th, 7th and 8th grades. The SONYC program club model offers choices in sports, arts and youth leadership through service learning opportunities.

As per a Memorandum of Understanding between the New York City Department of Education (DOE) and the Department of Youth & Community Development (DYCD), the DOE is responsible for covering extended use costs for SONYC sites. This memorandum allocates funds to cover these costs for the FY 2016 school year. Allotments for all locations are being placed in the Office of Field Support transfer utility location.

Allocation Category	Location	Amount
TL SONYC After School	95ELEX	\$3,402,879

All extended use allocations are preliminary and will be updated for collective bargaining and final program parameters at the mid-year. The funds should be scheduled in allocation category **TL SONYC After School**. The relevant quick code to be used when applying for extended use permits is 014322 for School Permits.
