

## SCHOOL ALLOCATION MEMORANDUM NO. 47, FY 2016

**DATE:** July 7, 2015

**TO:** Community Superintendents  
High School Superintendents  
Borough Field Service Center Teams  
School Principals

**FROM:** Raymond J. Orlando, Chief Financial Officer

**SUBJECT:** Title III English Language Learners (ELL) Summer Enrichment Program

---

This memorandum funds the Title III English Language Learners Summer Enrichment Program. Participating schools were selected centrally. School allocations are summarized in the attached table.

### **Teacher Certification**

For elementary programs, priority must be given to ESL and Common Branch teachers with bilingual extensions. Both elementary and middle-school programs must have at minimum one ESL or Bilingual teacher. For middle and high school programs, certified content area teachers can deliver instruction.

### **Restrictions on Funds**

Some schools will be provided funding for their ELL Summer Enrichment Program through C4E. Funds go to schools with the highest concentrations of overall need, including ELLs, as per SED regulations. Title III Summer and C4E funds will not be available for use after the summer program concludes. These funds cannot be used during the regular school year.

Title III Summer and C4E require funds to be used to support opportunities for language development and academic achievement. This is supplementary funding, and may only be used for supporting services above and beyond the regular summer school programs provided by the NYCDOE. Funded programs will aid ELLs in continuing the academic momentum of the school year by providing quality programs that are stimulating and engaging.

Title III Summer and C4E funds may not be used to purchase core (i.e., basic) textbooks, materials, or supplies for mandated services. All materials and services must be directly aligned with the activities funded by Title III Summer. All expenditures must comply with allowable Title III Summer and C4E cost factors and follow the approved application.

### **Allocation Formula**

The allocation for each school is based on the number of ELLs targeted for the program site (host site plus feeder sites). For further information regarding program parameters see the following documents below:

- high school [fact sheet](#)
- middle school [fact sheet](#)
- elementary school [fact sheet](#)

Funds will be allocated directly to participating schools (host sites). Please note that allocation sites may differ from summer school sites. Review the allocation table for the location that received funds.

Allocations will be placed in each school's budget in the following allocation categories:

- **Contract for Excellence FY09 Summer (HS)**
- **Title III Summer**

Schools should schedule their allocations in accordance with program guidance as per fact sheet.
