**DATE:** July 16, 2015

**TO:** Community Superintendents  
High School Superintendents  
Borough Field Service Center Teams  
School Principals

**FROM:** Raymond J. Orlando, Chief Financial Officer

**SUBJECT:** Extended School Year Special Class Programs

---

This memorandum funds extended school year special class programs. Committees on Special Education (CSEs) determine whether a student requires extended school year (ESY) special education services during the summer in order to prevent substantial regression. Substantial regression would be indicated by a student's inability to maintain developmental levels due to a loss of skill, set of skill competencies or knowledge during the months of July and August. Programs must operate for a minimum of 30 days and focus on the areas in which the student is expected to experience regression.

Funds are allocated to schools to support the following services:

- program director
- assistant principal
- teachers
- secretaries
- paraprofessionals
- permits
- materials, and
- related service providers (*as needed*).

Funding is also provided to three schools in District 31 hosting specialized ESY programs for students with Autism Spectrum Disorder (ASD) in self-contained settings. The summer program uses the standard public school academic framework, with substantially the same activities found in other classes on pupils' respective grade levels, but with the environmental modifications and individual adaptations that children with ASD need. In addition to the standard academic curriculum, the following specialized curricula and strategies that foster relationship development are infused throughout the day: adaptive skills, sensory/motor development, self-regulation, and language and communication development.

The allocation is used to support the following:

- Classroom teachers (special education)
- Secretary
- Coverage
- Permits
- Educational software equipment
- Supplies

Funds are allocated in the following allocation categories:

- **TL RS Student Summer Services**
- **Chapter 683 Student Summer Services RS**
- **TL RS Student Summer Services Horizon**
- **Chapter 683 Student Summer Serv Horizon RS**
