

SCHOOL ALLOCATION MEMORANDUM NO. 74, FY 2016

DATE: September 25, 2015

TO: Community Superintendents
High School Superintendents
Borough Field Service Center Teams
School Principals

FROM: Raymond J. Orlando, Chief Financial Officer

SUBJECT: Screened Arts Program Audition Funding Supplement

This memorandum allocates supplemental funding to secondary schools that screen students for arts programs prior to admission. This screening is done by audition, interview and/or portfolio review at the individual school. Funding in this allocation will offset out-of-school time personnel costs associated with the audition and screening process, incurred during the 2015-2016 school year.

The school allocation is based on the eligible schools' self-reported number of student auditions completed during the 2014-2015 school year. School eligibility was determined in conjunction with the Office of Enrollment and based upon schools' description of their admission procedures in the Directory of New York City Public High Schools.

This memorandum details funding that participating schools will receive in FY 2016. The funding must be used to offset present personnel school expenses associated with auditioning or screening students for admission to the school or school arts programs.

Schools will receive funding for this program under the allocation category **TL High School Screened Arts Program** and these funds may only be used for per session expenses (Supervisor, Teacher, Per Diem). Please refer to Chancellor's Regulation 175 (C-175) for per session instructions, including the process for approval of per session hours, and necessary documentation for payment for per session activities. Documentation must include timecards, time sheets, job posting and applications for the posting.

Any funds unspent as of February 28, 2016 should be unscheduled by the school and will be recouped by the Office of Arts and Special Projects.

Please contact the Office of Arts and Special Projects for additional information.
