SUBJECT: School Year 2016 Regents Distributed Scoring

In accordance with NYSED policy, the NYC Department of Education will continue to utilize a distributed scoring policy in which teachers cannot score Regents exams of students that attend their school. This policy currently applies to all schools that administer Regents exams in grades 9-12.

Scoring of both the January and June 2016 Regents exams will occur during the school day as well as through a centrally administered per session activity to take place after school and on weekends. This memorandum allocates funds to school locations that have volunteered to serve as a host site for distributed scoring of January 2016 and/or June 2016 Regents exams.

For January 2016, participating schools received \$2,000 to host as per session scoring only site, **or** \$2,500 to host scoring during the school day as well as in per session. Sites scheduled to score English or History exams were allotted an extra \$125 for photocopier or printer supplies to print time sensitive scoring guides.

June 2016 Regents scoring will be segmented in two parts – one new Common Core aligned Regents exam as well as the final administration of the Integrated Algebra Regents exam will be scored in early June, and all other exams will be scored in mid- to late June.

This allocation is to support scoring of Regents exams at these citywide scoring sites. The allocation may be used to cover per session activities for staff at Regents distributed scoring sites to prepare for scoring as determined by the host school's Principal, which may include supervisors, teachers, school aides or other titles.

For June 2016, participating schools will receive \$3,500 for sites that operate during day and per session hours **or** \$2,500 for sites that operate only during per session hours. In addition, schools that have agreed to score multiple exams will be allocated an additional \$1,500; and schools will receive an additional allocation of \$125 per exam subject to print examination rating guides locally. To better plan for scoring activities, a number of schools previously agreed to serve as scoring sites for both January and June administrations; for these schools, prorated funds were provided earlier in the school year and may receive a small amount for June.

Scoring site schools will be expected to provide a detailed account of the use of these funds upon request.

The allotments in Table 1 below will be placed in **TL Regents Distributed Scoring**.
