DATE: September 28, 2016

TO: Community Superintendents
 High School Superintendents
 Field Support Center Teams
 School Principals

FROM: Raymond J. Orlando, Chief Financial Officer

SUBJECT: Specialized High School Admissions Testing

This memorandum allocates resources to school locations administering the Specialized High Schools Admissions Test.

One of the goals of the administration is to ensure that **all** students have the opportunity to succeed in 21st-century workplaces and communities. New York City's specialized high schools (Bronx High School of Science, Brooklyn Technical High School, Stuyvesant High School, the High School for Math, Science and Engineering at City College, Queens High School for Sciences at York College, Staten Island Technical High School, Brooklyn Latin and High School of American Studies at Lehman College) provide an intensive focus on specific subjects for students who are interested in careers in specific areas.

The allocation below is for testing costs associated with entrance to the specialized schools (not with school costs). Testing site schools will be expected to provide a detailed account of the use of these funds upon request. The allocation provides funding to cover per session activities and OTPS costs in registration, preparation and the administration of the test including teachers, paraprofessionals, school aides, school counselors, other school-based staff, postage and supplies.

The allotments in Table 1 below will be placed in **TL Specialized Admissions HS**.
