Staffed Removal and Vacancy Intended Lock and Unlock Utility

A new feature has been added for updating vacant intended information when a staffed position is removed.

When a staffed position (**BLACK**) is removed (changing to **RED**) and the SSN/EIS is attached to a vacant intended position at another school the intended information cannot be edited until the removal is finalized. This applies to jobs that were removed with the following reasons:

- Pending Inter District Transfer
- Pending Intra District Transfer
- Pending Retirement
- Pending Non-Supervisory Title Change
- Pending Supervisory Title Change
- Reassigned Pending Investigation

For example:

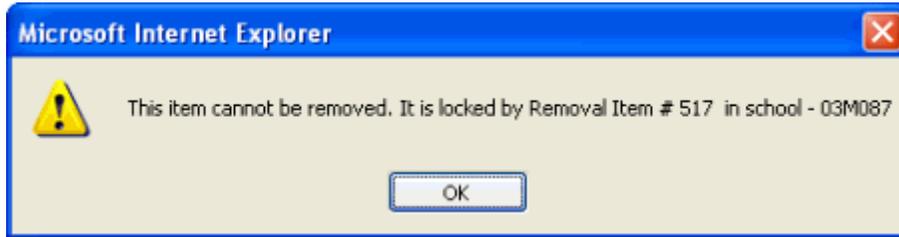

Janet Lee is fully staffed at site 03M087. She is in the removals section in **Red**.

Removals					
Name	Title	Removal Date	Reason	Staffing Status	
Feldberg, Gabriel	Asst Principal (10 Month	09/01/2005	Deceased	HH	
Lee, Janet	Teacher - Regular Grade	09/01/2005		REG	
Lee, Janet	Teacher - Regular Grade	09/29/2005	Pending Intra Di	HH	

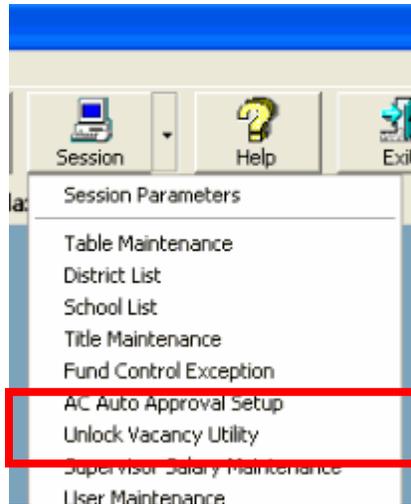

A vacancy intended for Janet exists at the transfer site.

Classroom Teacher							
Grade	Class	Room	Name	Job Id	Mode	LOI	
	1	[opt]	[opt]	VACANT Intended For: Codrington, Nigel	G311B	Whole Class	English
	1	[opt]	[opt]	Alexander, Gillian	DT1MY	Whole Class	English
	1	[opt]	[opt]	Miller, Abby	DUG38	Whole Class	English
	1	[opt]	[opt]	VACANT Intended For: Dluginsky, Rosa		Whole Class	English
	1	[opt]	[opt]	VACANT Intended For: [Opt]	G310V	Whole Class	English
	1	[opt]	[opt]	VACANT Intended For: Lee, Janet	G29IS	Self-Container	Urdu

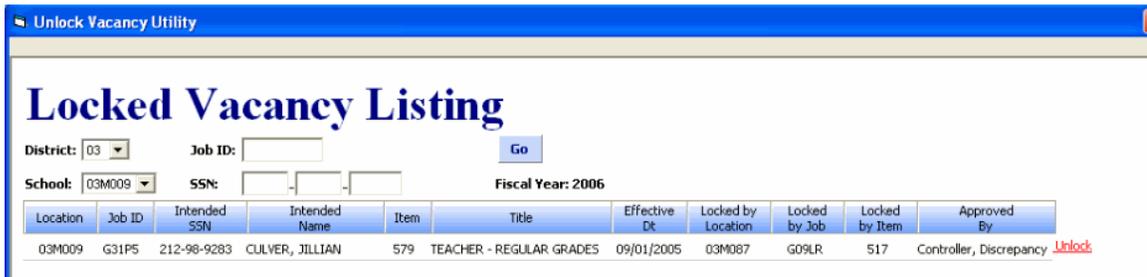

The intended SSN/EIS or Assignment dates cannot be edited until the removal is finalized. The following error message will appear:

In addition an “Unlock Vacancy Utility” feature has been added for Galaxy 2000 users. Access this feature from the Session drop down menu.

Selecting the “Unlock Vacancy Utility” will open the “Locked Vacancy Listing”. To unlock a locked item: Populate the District, School, Job ID or SSN field(s) and Click Go. A list of locked vacancies will appear. If more than one item appears, select the “Unlock” option next to the job you want to unlock.

The item will unlock and the following message will appear:

Automatic Approvals of HH items

An additional function has been added to the Automatic Approvals of HH items (Galaxy Release 2.6.3). If a HH removal requires an exception authorization it cannot be automatically approved. However, if the reason for the exception authorization is satisfied while waiting for authorization, Galaxy will now automatically fund and approve the Hold Harmless item.

Discrepancy Process

Galaxy will no longer process a discrepancy for a person without a job record until that transaction finalizes in EIS.
