

Release Notes: Release 2.5.83

What's in Release 2.5.83

Release 2.5.83 includes the following updates and enhancements for myGalaxy and Galaxy 2000.

myGalaxy

BULK or OTPS Funding:

- Users can now enter dollar amounts directly on the table of organization for new Bulk Job and OTPS line items prior to initiating the save for that item. Until now, users attempting these entries received a non-descriptive error message.

Galaxy 2000

School Expiration Date:

The **School List** form has been improved to include the effective and expiration date for a school. During the creation of new schools, by default, the effective date will be 1753-01-01 and the expiration date will be 9999-12-31. If a school has, or is given an expiration date prior to the current calendar date e.g. June 30, 2004 the school will be considered expired and the school will not appear in any drop down list options.
