

Arts & Cultural Education Services GUIDE

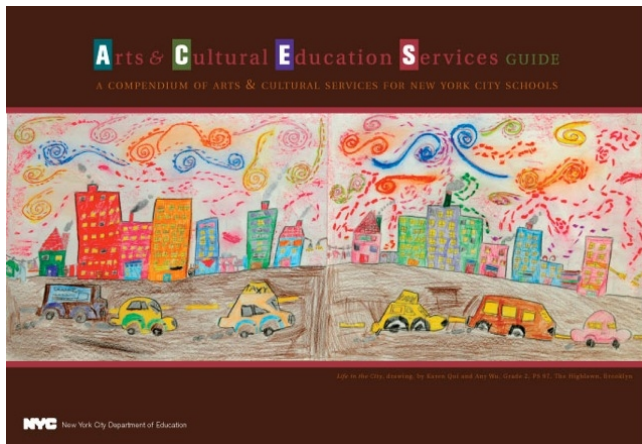

A COMPENDIUM OF ARTS & CULTURAL SERVICES FOR NEW YORK CITY SCHOOLS

The Arts & Cultural Education Services Guide (ACES) is an online resource available to school leaders, teachers, and school administrators. This guide is designed to provide New York City schools with access to education programs offered by arts and cultural organizations in the community.

Schools can download this resource on the Arts Education Web site at anytime to learn about the various organizations and the education programs they offer in the following areas: **dance, music, theater, visual arts, film, and general cultural experiences.** The guide lists both organizations that are NYCDOE approved contracted/vendors and those organizations that are not.

Updated three times per year (*September; January; May*), the ACES Guide offers an ever-growing, comprehensive list of arts and cultural education programs in New York City.
