

Arts & Cultural Education Services Guide

General Description

The Arts & Cultural Education Services Guide (ACES) is an on-line resource available to school leaders, teachers, and school administrators. This guide is designed to provide NYC schools with access to the education programs of NYC's arts and cultural community.

Schools can download this resource on the Arts Education website at anytime to learn about the various organizations and the education programs they offer in the following areas: dance, music, theater, visual arts, film, and general cultural experiences. The guide lists both organizations that are NYCDOE approved contracted/vendors and those organizations that are not. Updated three (3) times per year (August-September | December-January | April-May), the ACES Guide offers an ever-growing, comprehensive list of arts and cultural education programs in NYC.
