

CALL FOR STUDENT ARTWORK FOR THE 10th ANNIVERSARY EXHIBITION OF P.S. ART

P.S. Art 2012: An Exhibition and Publication Featuring Outstanding Art from NYC Public Schools

The New York City Department of Education and Studio in a School invite all schools PreK - 12 to nominate up to four pieces of outstanding student artwork to be considered for this citywide exhibit.

Approximately 75 works representing New York City schools will be selected for the exhibition.

ABOUT THE PROGRAM

P.S. Art annually acknowledges outstanding artwork in grades PreK to 12 through an exhibition and catalogue publication. The New York City Department of Education and Studio in a School convene panels of artists, arts professionals and art educators to serve in two rounds of judging. Final selections highlight outstanding artwork of our students and exemplary practices of their teachers as they relate to the *Blueprint for Teaching and Learning in Visual Arts*. As in past years, this 10th anniversary exhibition will be held at The Metropolitan Museum of Art.

JUDGING

The first round pre-screens electronic submissions of artwork. In March, schools whose artwork advances to the second round are asked to submit the actual student work, student and teacher comments, and release forms to the Office of Arts and Special Projects.

NEW THIS YEAR

- **Student/teacher comments are NOT required for *initial* submissions.**
- **All semi-finalists, their teachers and schools will be acknowledged in the special 10th anniversary edition of the P.S. Art catalogue *P.S. ART 2012: Celebrating the Creative Spirit of NYC Kids*.**
- **All semi-finalists' artwork will be posted on the DOE Arts Education website.**

EXHIBITION AND CATALOGUE

The exhibition opens in June 2012 at The Metropolitan Museum of Art. The catalogue will be distributed throughout the education, business and city government communities. To view past P.S. Art catalogues visit <http://schools.nyc.gov/offices/teachlearn/arts/psart.html#Catalogues>
