Is your school looking to invigorate its Career and Technical Education (CTE) Programs of Study? Are you wondering what career fields will be in demand when your students graduate from high school? Join fellow educators and industry professionals as we focus on four major industry sectors that will continue to have significant effects on the labor market and education. Participants will learn about: latest trends in these industries; skills, knowledge and competencies needed by students entering the workforce; the impact of green technologies on education, future job opportunities, and the economy.

Conference Activities Include:

- ★ Special Guest Speaker: **Jim Brazell**, Technology Forecaster, on Innovation in CTE
- ★ Morning panels with industry experts focusing on the sectors forecasted for growth in the next decade: **Health, Urban Transportation, Green Careers, Architecture and Construction**
- ★ Afternoon working sessions for faculty teaching in these four career areas
- ★ CTE working sessions for Work-based Learning and Program Approval Process
- ★ **Free:** Breakfast, Networking Lunch and CTE Exhibits

**Who May Attend?** High School and Middle School Administrators Including, CTE, Academic, & Guidance Faculty, Work-based Learning Coordinators and CTE Liaisons

**What's The Fee?** **No fee!** But space is limited so register now!
